Building Collections For Collectors

Welcome to the ANNIVERSARY SALE, albeit a few months later than normal. Each year we try to plan a time when dealers and collectors can join us in Lenexa for a few days of business, pleasure and charity. We were not sure how we were going to find the time to build a sale, but we all wanted to put one together, and looking at it now, I would say it's a wonderful sale for collectors and dealers alike.

Joel finished first with 620 lots of World Paper Money that is just full of really neat notes that have never seen daylight before, and to me, above all are the South Australian trio and the ultra-rare Cuban note that we had to squeeze in.

The star of the large size is the Vista Collection of large size star notes which has well over 100 different examples, including many statistical rarities and types. The large size type that follows is certainly not a world's finest collection, but a number of notes should fill holes in even the great collections.

The rest of the first session has a run of Proof Obsoletes from the old NASCA days, and a Colonial that has never been on the market. Some of the errors and small size are very special and deserve much consideration.

On Wednesday we have a great offering of scarce and rare National Bank Notes from all across America, but with special attention to Maine, Nebraska and, not to be left out, the impressive \$100 First Charter from Cleveland. This note is absolutely a pick of mine for wonderful \$100 First Charters, of which there are so few. Look over the states, any state, and you will find interesting notes of nice quality. Just what collectors want.

Please join us Monday, December 8th from 10 AM to 6 PM and Tuesday, December 9th from 10 AM to 5 PM for our free bourse that always includes many of America's premiere dealers in a casual setting that makes our hobby more enjoyable. Lowell Horwedel, Alex Perakis, Tim Kyzivat, Sergio Sanchez, John Markis (Trusted Traditions), Spectrum, John Rowe, Tom Denly, Heritage and others will be represented. If you can be here Monday evening we will hold our 4th Annual Charity Hold-'Em Poker Tournament where you can test your skills against past champions like Tom "The Fisherman" Denly, our first champion, John "The Texan" Rowe, our second champion and Mike "The Rookie" Moczalla, our third champion as they try to repeat and overcome the odds of the ever expanding field. At stake are the coveted LKCA World Champion bracelet and the rights to carry the trophy for the coming year. Last year we raised over \$22,000 and provided over 111,000 meals to those who needed a hand. This year, times will require those of us more fortunate to dig deeper to help, and I promise we will. If you cannot attend the show, our two charities this year will be Operation Breakthrough and Harvester's, two groups that stretch our gifts beyond my dreams, we will still be happy to accept donations to these worthy causes.

Enjoy!

OFFICIAL GRADING SERVICE POLICY

We currently offer notes for sale that have been graded and encapsulated by various third-party grading services. Because we are unable to grade the notes outside of any holder we make no representation whatsoever to the quality or grade of that item. We sell all third-party graded items AS-IS and there are no returns accepted for any reason. All guarantees or warranties in force are those offered by the grading service and it is the responsibility of the buyer to understand each grading services guarantees. If a lot has been graded by a third-party, and you buy it...you own it.

We grade each note in our sale based on our opinion and years of experience, and we expect you to use the same when buying in our sales. We accept no returns for any reason other than authenticity or mis-attribution for anyone who bids in person, on the telephone or has an agent bidding for them. Mail or internet bidders who have not previously inspected the items may return a lot within seven (7) days of receipt if they have paid for their lots within 10 days of the date of the sale. Anyone failing to pay within this time frame forfeits any return privilege. Notes must be returned in the original labeled and undamaged holders, and may not have been removed or sent to any third party, thus allowing the item(s) to be out of the care, custody and control of the buyer, who then forfeits any right to return the item(s). In other words, if we send you (a mail or absentee bidder) a lot and you don't think it is what you want, you can return it. If you (any bidder) want someone else (i.e. a third-party grading service) to view and grade the item, you cannot return it. If you buy a lot and send it elsewhere to be graded...you own it...period! No lot will ever be accepted for return that is not in our undamaged, original holder.

Why is this my policy? I have over 40 years of experience grading currency and my opinions of grade are quite consistent, so I feel I know what I am doing and I try to do that to the best of my ability. I have the ability to use more than a single number to describe an item and its faults or strengths. I go to great lengths to inform the buyer what I see and what to expect. They can accept, or reject my opinion. When they reject my grading opinion too frequently, I suggest live participation, hiring a representative or buying elsewhere if we are not on the same page as far as grading is concerned.

WORLD PAPER MONEY6000-6619

Terms and Conditions

1. ***Auction Basics.*** This is a public auction sale ("Auction Sale") conducted by licensed and bonded Auctioneers, Lyn Knight Currency Auctions (hereinafter referred to as "Auctioneer" and at times as "Knight"), Eric Knight, Auctioneer - License #AU3267. Bidding in this Auction Sale constitutes acceptance by you ("Bidder") of all the Terms and Conditions of Auction Sale stated herein. Bidders may include consignors who may bid and purchase lot(s) in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Knight ("Consignor" and "Consignors"). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the buyer's premium charged to all other buyers. Knight reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Knight may have direct or indirect interests in any of the lots in the auction and may collect commissions. **THE TWO PRECEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOGUE.** Pursuant to a separate agreement with Knight, Consignors or their agents may be permitted to bid on their own lots in the sale and may receive a rebate commission in whole or part if successful. Where the Consignor has re-purchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Knight reserves the right to so note in the Prices realized or to omit a price from the prices realized. Knight may bid for its own account at any auction. Knight may have information about any lot that is not known publicly, and Knight reserves the right to use such information, in any manner determined solely by Knight and for the benefit of Knight without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Knight may not be required to pay a Buyer's Commission, or other charges that other Bidders may be required to pay and may have access to information concerning the lot(s) that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lot(s) may carry a Reserve. A Reserve is a confidential price or bid below which the Auctioneer will not sell an item or will re-purchase on behalf of the Consignor or for Knight.
2. ***Descriptions and Grading.*** Bidder acknowledges as follows: Grading and evaluation is an art and not a science. The grade, mintmark, quality, designation, variety, rarity, provenance, and historic relevance of any items in this sale are qualified statements of good faith opinion of Knight or its Consignor(s). It is possible that two people will not always grade the same item alike. Also, as market conditions change, grading standards change, and will most likely continue to do so in the future. Each Bidder's own examination of the item(s) is the criterion and not the grade represented by another. Every effort is made by Knight to determine provenance and authenticity. It is the Bidder's responsibility to arrive at a final conclusion prior to bidding. In any purchase or sale, the value of the item(s) is determined by the price. **THE BIDDER HEREBY ASSUMES ALL RISKS OF VALUE CONCERNING ANY AND ALL PURCHASES.** All photographs in this catalogue are of the actual items being sold but may not be the actual size or to scale.
3. ***The Bidding Process.*** The auctioneer may open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent, a Bidder by mail, telephone, internet or telefax; or any other participant in the Auction Sale. Mail bidders are urged to send their bids early, and are reminded that fax bids must be sent to (913) 338-4754 and received no later than 24 hours prior to the start of each session or live auction bidding in order to be recognized. No bids less than 60% of the low estimate will be considered or entered and no lots will be sold for less than face value. All bids, whether internet, mail, fax or email, that are less than 80% of the low estimate will be entered at their full amount, all bids above 80% of the low estimate will be executed in response to any other bids, whether they are reserve bids or from any other source, whether live or absentee bidding. The Auctioneer may accept or decline any bid, challenge to any bid or bidding increment, as the Auctioneer in their sole discretion shall determine. Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. It is unlawful and illegal for Bidders to collude, pool, or agree with another Bidder to pay less than the fair value for lot(s). Bidders in the Auction Sale acknowledge that the law provides for substantial penalties in the form of treble damages and attorney's fees and costs for those who violate these provisions. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. If any dispute arises, Auctioneer shall have the right to rescind the acceptance of the bid and place the lot(s) for Auction Sale again. Auctioneer's decision shall be final. For the Mail and Internet Bidder's protection, no "unlimited" or "buy" bids will be accepted. When the identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder and Telephone Bidder must bid higher than the highest mail bid to be awarded any lot. Auctioneer reserves the right to refuse any bid, to reduce any mail bid received, to open the bidding of a lot at any level deemed appropriate by the Auctioneer and to determine the prevailing bid, at his sole discretion. **THIS IS NOT AN APPROVAL SALE.** Bidders who physically attend the Auction Sale, either personally or through an agent ("Floor Bidders") should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, receive a similar benefit as Floor Bidders, in being able to actively participate in the live Auction Sale ("Telephone Bidders"). Therefore, except as otherwise provided in these Terms and Conditions of Auction Sale, **NO LOT MAY BE RETURNED THAT IS PURCHASED BY A FLOOR BIDDER, A TELEPHONE BIDDER, AND OTHER BIDDERS WHO HAVE HAD THE OPPORTUNITY TO VIEW THE LOT(S), OR ANYONE PRESENTING KNIGHT WITH A RESALE CERTIFICATE OR OTHER EVIDENCE THAT THEY ARE ACTING AS A DEALER.** For Bidders by mail, telefax or internet, who have not had the opportunity to view the lot(s), if there is a material error in the catalogue description, the lot may be returned if written notice is received by Knight within five (5) calendar days of receipt of the lot(s). The lot(s) must be received by Knight no later than twenty-one (21) calendar days after the Auction Sale in the same condition the lot(s) were delivered to the Bidder, in their original containers. Late remittance constitutes just cause for revocation of all return privileges. All prospective Bidders who have had the opportunity to examine the lot(s) prior to the Auction sale personally assume all responsibility for any damage that Bidder causes while handling or examining lot(s). Knight shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by the prospective Bidder. **KNIGHT IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING.** A Bidder should make certain to bid on the correct lot and that the bid is the maximum (plus the Buyer's Commission) that he or she is willing and able to pay. Once the hammer has fallen and the Auctioneer has announced the winning Bidder, the Bidder is unconditionally bound to pay for the lot, even if the Bidder has made a mistake. Knight reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Bidder has taken physical possession of the lot. No Bidder shall have a right to claim any consequent damages if the lot is withdrawn, even after the Auction Sale.

4. *Bidder Registration Required.* All persons seeking to bid must have a catalogue and register to bid at the auction by completing a registration card or bid sheet. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to adhere to these Terms and Conditions of Auction Sale. This agreement shall be deemed to have been made in Kansas. The bidder acknowledges that the invoice describing a lot by number incorporates the catalogue and Terms and Conditions of Auction Sale.
5. *Prices, Payment and Delivery.* A Buyer's Premium of twenty-two and one-half percent (22.5%) will be added to the total amount of all invoices for those bidding through EBay Live/Live Auctioneers and anyone wishing to pay with PayPal or credit cards. A Buyer's Premium of fifteen (15%) will be added to the total amount of all invoices that are being handled through our regular in-house procedures, including payments using cash, bank wire or a good check (with pre-approval). Please note that credit card checks are not acceptable forms of payment. A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer's Commission. Unless otherwise agreed in writing, auction sales are strictly cash in U.S. funds payable through a bank in the United States. No credit card checks will be accepted as payment for auction lots. On any cash transaction or series of transactions exceeding \$10,000, Treasury form 8300 will be filed. Contact Knight for wiring instructions before sending a wire. Lots must be paid for the earlier of receipt invoice or delivery. Knight reserves the right to decline to release lots for which good funds have not yet been received. On any accounts past due, Knight reserves the right to extend credit and impose periodic charges. Bidder agrees to pay reasonable attorney's fees and cost incurred to collect on such past due accounts. Bids will not be accepted from those persons under eighteen (18) years of age without a parent's written consent which acknowledges the Terms and Conditions of Auction Sale herein and agrees to be bound thereby on behalf of the Bidder. Bidders personally and unconditionally guarantee payment that are or become owed to Knight. If a corporation is the Bidder, the corporate representative present at the sale shall provide Knight at the time of registration with a statement signed by each principal, director and officer that they each personally and unconditionally guarantee any and all current or future obligations owed to Knight or such other statement as may be acceptable to Knight, in the sole discretion of Knight. Bidders who have not established credit with Knight must furnish satisfactory credit references or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amounts as Knight may, in its sole and absolute discretion, require before such bids will be accepted. Deposits submitted will be applied to purchases. Bidders agree to pay an additional fee for packing, handling, postage and insurance on lots mailed to them, which fee shall be determined by the value of the item(s) shipped and added to the total invoice as follows: \$9 for \$1 - \$300 shipments; \$17 for \$301 - \$3,000 shipments; \$22 for \$3,001 - \$10,000 shipments; \$27 for \$10,001 - \$25,000 shipments; \$32 for \$25,001 - \$50,000 shipments. For shipments valued over \$50,000 the fee will be determined at the time of the sale. Bidders outside the United States shall be invoiced for Knight's shipping costs (an additional \$10 Airmail handling fee will be added to International Bidders invoice), but agree to provide their own insurance on lots shipped to them (Knight shall not be responsible for non-delivery of lots shipped to addresses outside the United States). Any remaining deposits will be promptly refunded, upon clearance of funds. Knight will not assume responsibility for the shipping and packaging of certain larger items or items of a more fragile nature sold in this sale as determined by Knight. It is the Bidder's responsibility to contact Knight after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Knight may be forced to charge additional shipping and handling. Lots indicated as being "framed" are shipped at the Bidder's risk. Taxes, postage, freight charges, if applicable handling, insurance and Buyer's commission, and any other fees required by law to be charged or collected will be added to the invoice for any lot(s) that is invoiced to successful Bidders. On any tax not paid by Bidder which should have been paid, even if not collected Knight by mistake, error, negligence or gross negligence, Bidder agrees to promptly pay the same on demand together with any interest or penalty that may be assessed. Title to any lot remains with Consignor, any secured party of the Consignor, or Consignor's assigns, as the case may be, until the lot is paid for in full by Bidder. Knight reserves the right to require payment in full before delivering any lot to the successful Bidder. The RISK OF LOSS passes to the Bidder upon delivery of the lot(s).
6. *Financial Responsibility.* In the event a successful Bidder fails to make payment when due, Knight reserve the right to resell the lot(s) in a commercially reasonable manner, which may include a private sale. Bidder agrees to pay for the reasonable cost of such a sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloguing and any other reasonable charges. Bidder grants Knight or its assigns the right to offset any sums due, or found to be due to Knight, and to make such offset from any past, current or future consignment, purchases that are in the possession or control of Knight, or from any sums due to Bidder by Knight. Bidder further grants Knight a purchase money security interest in such items to the extent applicable. Bidder agrees that Knight and its assigns shall be a secured party with respect to items bought by Bidder and in the possession of Knight, to the extent of the maximum indebtedness, plus all accrued expenses attorney fees and costs, until the indebtedness is paid. Bidder grants Knight the right to file a UCC-1 financing statement on such items without need for Bidders signature and to assign such interest to any affiliated or related company or any third party deemed appropriate by Knight. If the auction invoice is not paid for in full when due per invoice terms, the unpaid balance will earn interest at the rate of one-and-one-half percent (1-1/2%) per month until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law. Bidder agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Knight or any affiliated or related company to collect past due invoices. Knight reserves the right to assign its interest to any third party.
7. **DISCLAIMER AND WARRANTIES.** NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOTS THAT AUCTIONEER MAY HAVE BY VIRTUE OF THE CONSIGNMENT AGREEMENTS WITH CONSIGNORS AS OF THE AUCTION SALE DATE. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING OF A LOT.
 - a. All sales of items (1) viewed by Bidders in advance of a sale, even if the sale is by mail, telefax or internet, or (2) bid upon by Floor Bidders, Telephone Bidders and Bidders who present Knight with a resale certificate, out of state resale certificate, or similar evidence in acting as a dealer; ARE FINAL AND MAY NOT BE RETURNED.
 - b. Any and all claims that an item is not authentic, must be made in writing to Knight within five (5) calendar days after receipt of the item.
 - c. If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container, as the case may be.

- d. Late remittance or removal of any item from its original container constitutes just cause for revocation of all return privileges.
 - e. Grading or condition or other attributes of the lots may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Knight. Knight shall not be bound by any prior or subsequent opinion, determination or certification by any independent grading service.
 - f. All oral and written statements made by Knight and its employees (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Knight has authority to vary or alter these Terms and Conditions of Auction Sale. Any alteration shall be effective only if in writing and signed by an officer of Knight authorized to do so.
 - g. Bidders shall have no recourse against the Consignor for any reason whatsoever.
 - h. Notwithstanding anything to the contrary in these Terms and Conditions of Auction Sale. **LOTS LISTED IN THIS CATALOGUE GRADED BY ANY THIRD PARTY GRADING SERVICE MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER.**
 - i. Bidder acknowledges that the market for currency and related collectibles is speculative, unregulated and volatile, and that prices may rise or fall over time. Knight does not guarantee that any customer buying for investment purposes will be able to sell for a profit in the future.
8. *Waiver and Release.* Bidder, for himself, his heirs, agents, successors and assigns, generally and specifically waives and releases, and forever discharges Knight, and its respective affiliates, parents, shareholders, agents, subsidiaries, employees, members of their respective boards of directors, and each of them, and their respective successors and assigns from any and all claims, rights demands and causes of actions and suits, of whatever kind or nature, whether in law or equity, whether known or unknown, suspected or unsuspected, which Bidder may claim to have with respect to and/or arising out of, or in connection with any challenge to the title to any goods purchased, the sale itself, and/or the auction, except where such reimbursement is otherwise authorized in these Terms and Conditions of Auction Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every claim, demand, cause of action and suit that may arise hereunder, and Purchaser hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows. "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."
9. *Disputes.* If a dispute arises concerning ownership of a lot that has been bid upon, Knight reserves the right to commence a statutory inter-pleader proceeding at the expense of the Consignor and successful Bidder and any other applicable party, and in such event shall be entitled to its reasonable attorney's fees and costs. Knight reserves the right to postpone the Auction Sale or any session thereof for a reasonable period of time for any reason whatsoever. No Bidder shall have any claim as a result thereof, including incidental or consequential damages. Neither Knight nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms and Conditions of Auction Sale, the auction or the conduct thereof and in no event shall liability for any such failure exceed the purchase price, premium or fees paid. If the Bidder fails to comply with one or more of these Terms and Conditions of Auction Sale, then, in addition to all other remedies which it may have at law or in equity, Knight may at its sole option either (a) cancel the sale, retaining all payments made by Bidder as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, or (b) sell a portion or all of the lot(s) held by Knight, in a quantity sufficient in the opinion of Knight to satisfy the indebtedness, plus all accrued charges, and Knight may sell such portion at an auction sale or private sale conducted by Knight and charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Knight. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Knight. The proceeds shall be applied first to the satisfaction of any damages occasioned by Bidder's breach then to any other indebtedness owed to Knight, including without limitation, commissions, handling charges, the expenses of both sales, reasonable attorney's fees, costs, collection agency fees and costs and any other costs or expenses incurred. Bidder is also liable to Knight if the proceeds of such sale or sales is insufficient to cover the indebtedness. Rights granted to Bidders under the within Terms and Conditions of Auction sale are personal and apply only to the Bidder who initially purchases the lot(s) from Knight. The rights may not be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.
10. *General Terms.* These Terms and Conditions of Auction Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of Kansas, regardless of the location of the Auction Sale. Bidder acknowledges and agrees that the competent courts of the State of Kansas shall have exclusive jurisdiction over any dispute(s) arising hereunder, and Bidder hereby agrees that any dispute arising hereunder shall be litigated exclusively in the courts of the State of Kansas, regardless of any party's current or future residence or domicile. Bidder further agrees that venue shall be in the Superior Court for Johnson County, in the State of Kansas. Bidder agrees that any legal action with respect to this Auction sale is barred unless commenced within one (1) year of the date of this Auction Sale. Bidder may have the right to submit disputes to binding arbitration pursuant to the rules of the Professional Numismatics Guild ("PNG"). If any section of these Terms and Conditions of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Knight may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.

SESSION ONE

TUESDAY, DEC. 9 6:00 PM

THE VISTA COLLECTION

This stellar collection of large size stars took years to assemble. Our consignor concentrated on the Federal Reserve stars, but also managed to acquire some very special items outside of that area. This was accomplished during one of the most heated markets for large stars ever. It is a testament to our consignor's perseverance that he was able to assemble such a large collection of desirable notes. Many of the best notes have come from the fine collections that have gone before, such as the Tom Conklin Collection, sold in 1995, and the holdings of Richard Merlau, as well as several others. It is our pleasure to now offer these notes to a new generation of collectors.

LEGAL TENDER

- 1 **Fr. 39★ \$1 1917** A lovely replacement note that appears quite natural and looks more AU than XF. The Vista Collection.
PCGS XF 40 (850-1,250)

LOWEST STAR SERIAL NUMBER RECORDED

- 2 **Fr. 40★ \$1 1923 ★710D** There is a big demand for this one-year type star and nice uncirculated examples can exceed \$5,000 or more. I would think there would be lots of buyers for a note like this, what is essentially a Gem CU with three vertical folds. Not a grade that is often available. Also, the lowest recorded serial number. The Vista Collection.
PCGS XF 45 (2,750-5,500)

- 3 **Fr. 57★ \$2 1917** An extremely fresh star on the earliest signature combination for the \$2 1917 Series. Only 60 examples of this replacement are known, compared to 286 pieces on the most available Fr. 60. The Vista Collection.
PCGS Ch. New 63 (2,100-4,200)

- 4 **Fr. 90★ \$5 1907** A well used example of a very scarce signature combination for stars. Just 12 stars have been seen over the last few decades, and most of them have been around this grade. This note exhibits the normal faults one might expect for a note in this grade, but fortunately, the face is fairly nice. The Vista Collection.
PCGS VG 8 (750-1,250)

NEW ADDITION TO CENSUS

- 5 **Fr. 119★ \$10 1901** Only six different signature combinations within the Buffalo type issued star notes. This note is from the rare half, with only three notes recorded. This is a new addition to that short list. A solid note for the grade, with a tiny skinned spot of little consequence in one corner. The Vista Collection.
PCGS Fine 12 (9,000-15,000)

- 6 **Fr. 120★ \$10 1901** There is a total of 10 stars recorded on this more difficult Friedberg number. This is not one of the finest, but Buffalo stars are elusive and not usually offered for sale in any grade. Just over 100 star note Bisons are known from all signature combinations. The Vista Collection. **PCGS VG 10 (2,500-5,000)**

SILVER CERTIFICATES

- 7 **Fr. 274★ \$5 1899** This is the lowest serial number recorded from the 11 stars known on this scarce Friedberg number. An opportunity to add a difficult star type to your collection. This was the earliest Chief for which stars were printed. The Vista Collection. **PCGS VG 10 (2,000-4,000)**

- 8 **Fr. 278★ \$5 1899** This Chief exhibits bright paper and vivid ink tones, but a tight trim necessitates a lower CU grade. That is unfortunate, as the paper quality easily meets the standards for a higher grade. Only 15 stars are known from this signature combination, with this example being in the top four. The Vista Collection. **PCGS UNC 60 (8,000-12,000)**

BEAUTIFUL STAR PORTHOLE

- 9 **Fr. 282★ \$5 1923** These Porthole stars are always great sellers, and this gorgeous piece will not disappoint the new owner. This note has it all, from great color to super sharp embossing and square corners. From a short run of 21 notes, most grading Choice to Gem CU, that provides nearly every uncirculated Porthole star. The Vista Collection. **PCGS Very Ch. New 64 PPQ (12,500-25,000)**

RARE TYPE FOR STARS

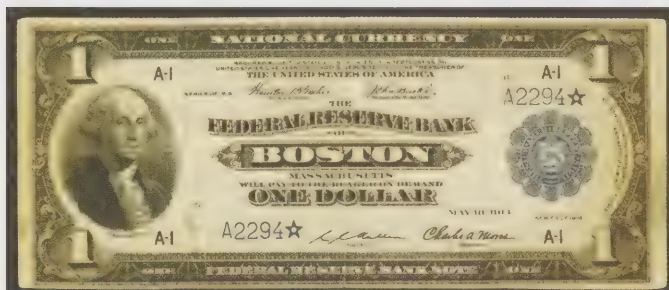

- 10 **Fr. 321★ \$20 1891** This is one of the best stars in the Vista Collection. The note is extremely attractive and totally problem-free. It is the second finest of just five known examples, and that is for the entire \$20 Silver Certificate type, since even though stars are possible on the Teehee-Burke combination, none are known. Once sold, this note is not likely to reappear anytime soon. Worthy of a serious bid.

PCGS VF 25 PPQ

(17,500-35,000)

FEDERAL RESERVE BANK NOTES

- 11 **Fr. 708★ \$1 1918 Boston** A favorite series for stars, since enough pieces are known collectors can assemble district sets without too much difficulty. Why not start your set with this four-digit star, one of 12 known? Only four of these are better. The Vista Collection.

PCGS VF 20

(1,000-2,000)

ONE OF THE FINEST KNOWN

- 12 **Fr. 713★ \$1 1918 New York** A great looking replacement in a highly sought-after grade. There is one other note that could be the equal of this piece, but after viewing the margins and deep original embossing on this note, I doubt the other could be any better. One of the finest New York stars extant on this \$1 Green Eagle series. There are 36 stars recorded, of which seven are CU. The Vista Collection.

PCGS Gem New 65 PPQ

(5,000-7,500)

A LOW NUMBERED GEM

- 13 **Fr. 718★ \$1 1918 Cleveland** Another note of amazing quality from the Vista Collection. By every metric, it is clear that this note is properly graded. The cute three-digit number will ensure that this Gem will receive the attention it deserves. Track & Price shows this note's last public appearance was in a 1991 Stack's sale. Only 14 stars are recorded in the census. The Vista Collection.

PCGS Gem New 65 PPQ

(6,000-12,000)

- 14 **Fr. 720★ \$1 1918 Cleveland** The few faint folds tend to fade away when this note is viewed straight on, giving it the appearance of a much higher grade. Of the 16 known examples, one note is in equal grade and four are better. A better district that will likely bring just a bit more than a common district. The Vista Collection.

PCGS XF 40

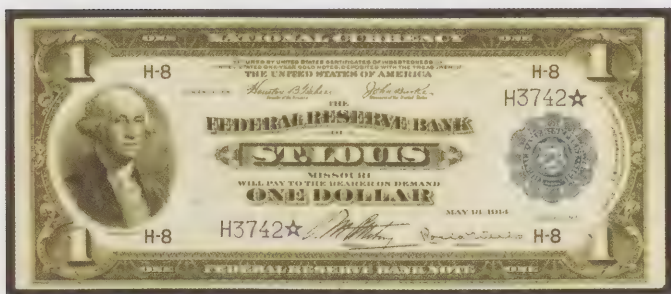

(1,750-3,500)

- 17 **Fr. 741★ \$1 1918 Dallas** This popular Dallas district should see plenty of action. It is the rarest signature combination for the district and shows a measly four pieces in the census. This example is the finest of the lot. Only one other star has been publicly offered in all the years which Track & Price has compiled data. Don't let this one slip away. The Vista Collection.

PCGS VF 20

(2,750-5,500)

- 15 **Fr. 730★ \$1 1918 St. Louis** St. Louis is the fourth rarest district for stars in this series. Just 20 notes in total are known of all types, and only nine of those stars are from this signature combination. From those nine, only one is indicated to be better. A short margin tear is noted at the right. The Vista Collection.

PCGS VF 25 Net

(2,000-4,000)

- 18 **Fr. 743★ \$1 1918 San Francisco** Collectors wish all their VF notes could look like this. Obviously crackly fresh and well centered. Of the 15 known, this piece is in the top four. The Vista Collection.

PCGS VF 25

(1,500-3,000)

- 16 **Fr. 739★ \$1 1918 Kansas City** The Kansas City district ranks just behind St. Louis for rarity where stars are concerned with 21 total pieces enumerated in the census. This is the rarest of the three signature combinations to issue stars, with five known. This example is unmolested and nice for the grade, with an ink spot in the right margin the only fault. Only one piece is slightly better. The Vista Collection.

PCGS VF 25

(1,750-3,500)

- 19 **Fr. 745★ \$1 1918 San Francisco** Four stars are known with this signature combination, with the most recent offering being a PMG Fine 12 in our Memphis sale this year. Prior to that piece, one must look back five years to find another. This specimen is nice for the grade, with only one other note decidedly better. The Vista Collection.

UNC STAR BATTLESHIP

- 20 Fr. 750★ \$2 1918 New York The Battleships are a much more difficult series in which to locate stars than the \$1 FRBNs. Only six stars are known on this signature combination, with this note coming from a short, four note run that was saved by some farsighted collector many years ago. If you want a \$2 FRBN star in UNC, this is your best choice, since the few CUs that do exist in the other districts are far rarer. The Vista Collection.
PCGS Very Ch. New 64 PPQ (12,500-25,000)

- 21 Fr. 774★ \$2 1918 Kansas City A mere three stars are known for the entire Kansas City district, making this Federal Reserve Bank the fourth rarest. Evenly circulated with a nice four-digit number. The Vista Collection.
PCGS Fine 12 (3,500-7,000)

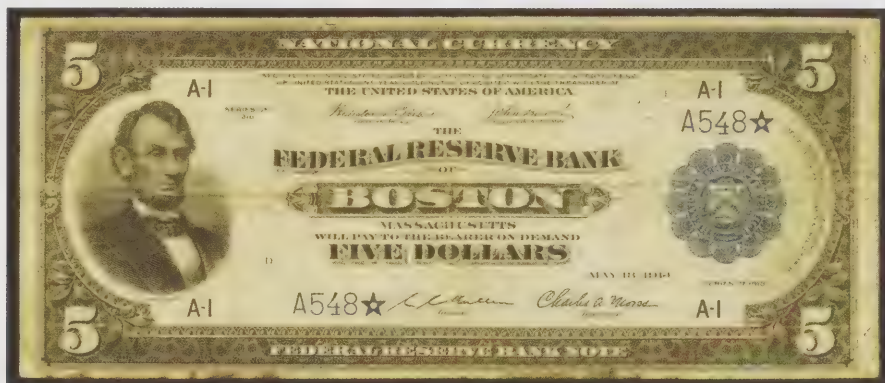

CU SAN FRANCISCO STAR

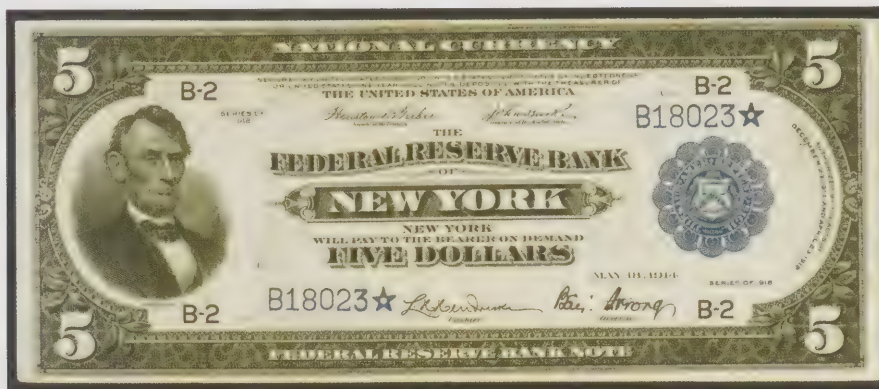

- 22 Fr. 779★ \$2 1918 San Francisco A second opportunity to acquire one of the very few uncirculated \$2 FRBN stars that exist on this series. While there are seven stars reported on this Friedberg number, only two others are graded CU or better. The paper is bright and the margins even on this example. The Vista Collection.
PCGS Ch. New 63 (9,000-18,000)

LOWEST NUMBERED STAR FOR THE TYPE

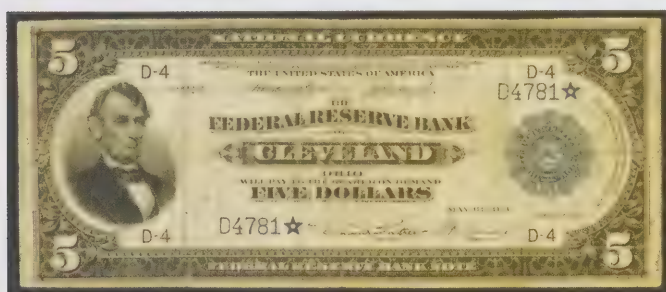

- 23 Fr. 781★ \$5 1918 Boston It is only in an advanced collection such as the Vista Collection that one finds notes like this \$5 FRBN star. It is one of only 12 that are known from the entire type, with most of the districts still unreported. Used, but not abused, with just a bit of glue residue in the lower margin. This three-digit serial number is also the lowest number of any of the recorded specimens. One of two known on this Friedberg number. The Vista Collection.
PCGS VG 10 (15,000-30,000)

NEW DISCOVERY AND ONE OF THE FINEST KNOWN

- 24 **Fr. 782★ \$5 1918 New York** This is one of the highest grade stars in the entire \$5 FRBN series. No uncirculated examples exist and only one other note is indicated to be an XF 45. This peach is well centered and very fresh. There is a center fold, but it is not at all prominent. Any other vertical folds are more like bends and don't break the paper fibers. An important FRBN star and new to the census. One of two known. The Vista Collection.
PCGS XF 40 PPQ (30,000-60,000)

- 25 **Fr. 785★ \$5 1918 Cleveland** Two other stars have been recorded on the Cleveland district, but neither have been seen publicly in over 14 years. The lack of availability of stars on this major type cannot be emphasized enough. Take advantage of this small offering. The Vista Collection.
PCGS Fine 12 PPQ (7,500-12,500)

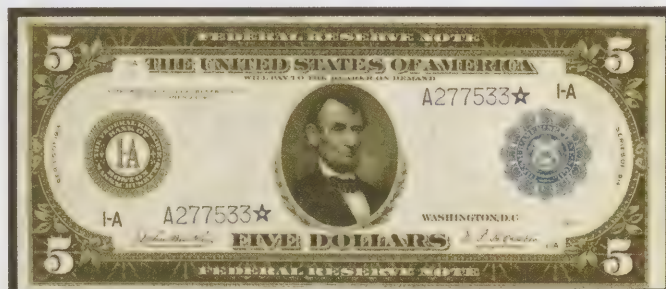

- 26 **Fr. 794★ \$5 1918 Chicago** Three stars exist on this signature combination, with this note falling between the other two grade-wise. It is a presentable example with decent margins and a few insignificant pinholes. As a matter of fact, the note has more than enough grade such that its condition should not hinder anyone's bidding. Your last chance to obtain a star on this tough series. The Vista Collection.
PCGS Fine 15 (8,500-17,000)

FEDERAL RESERVE NOTES

- 27 **Fr. 845★ \$5 1914BS Boston** Only one of the four stars known on this Friedberg number is significantly better than this or the other two examples. This note shows normal soiling for the grade. Stars on the Burke-Glass combination are difficult in any district. The Vista Collection.
PCGS Fine 12 (2,500-5,000)

- 28 **Fr. 846★ \$5 1914BS Boston** Here is a really pretty star that is virtually free of any soil or smudges. Looks better than its assigned grade. Ten pieces are recorded in the census. The Vista Collection.
PCGS VF 20 (1,000-2,000)

- 29 **Fr. 848★ \$5 1914BS New York** This is the second finest star from a minuscule group of six recorded pieces. One doesn't see many stars from the Burke-McAdoo combination, and certainly not in this grade. The four-digit serial number only adds to the desirability. The Vista Collection.
PCGS XF 45 (3,250-6,500)

- 32 **Fr. 851b★ \$5 1914BS New York** This type "b" variety is the rarest of the six different \$5 signature combinations and types. Counting all districts, only 14 stars have been accounted for. This unprocessed XF is one of the best. Last year, a VF 20 brought over \$2,500. The Vista Collection.
PCGS XF 40 PPQ (3,250-6,500)

- 30 **Fr. 849★ \$5 1914BS New York** The rarest \$5 New York star in solid VG. Only five examples have been located to date. The Vista Collection.
PCGS VG 10 (700-1,400)

- 33 **Fr. 851c★ \$5 1914BS New York** Thirty-three stars are known from all districts on this \$5 type "c" note. Over half of those (17) come from this Friedberg number. This example is solid for the grade and fault-free. The Vista Collection.
PCGS Fine 15 (500-1,000)

FINEST KNOWN FR. 850 STAR

- 31 **Fr. 850★ \$5 1914BS New York** An excellent note to satisfy your desire for a pretty star. Twenty-five notes are in the census, but none are nicer than this one. It has been almost eight years since anything this nice has been offered on this Friedberg number. The Vista Collection.
PCGS Abt. New 50 PPQ (1,250-2,500)

- 34 **Fr. 852★ \$5 1914BS Philadelphia** A rare star with five notes in the census. However, it probably seems tougher than that, since only three examples have ever made their way to a public sale. A scarce signature combination as well. The Vista Collection.

- 35 Fr. 854★ \$5 1914BS Philadelphia A very attractive replacement with 11 specimens known, this being the finest. The Vista Collection.
PCGS Abt. New 50 (2,000-4,000)

TIED FOR FINEST KNOWN

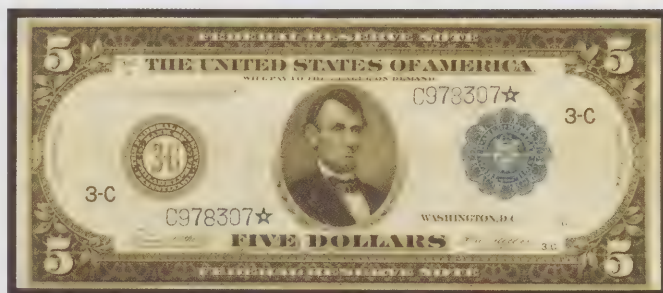

- 38 Fr. 859c★ \$5 1914BS Cleveland Crackly fresh and with sharp detail. In addition to being a rare type "c" as we mentioned before, it is also a low population star for the Cleveland district with five notes known. The Vista Collection.
PCGS VF 35 PPQ (4,000-8,000)

- 36 Fr. 855a★ \$5 1914BS Philadelphia Not a scarce star but decent looking in spite of the light washing it received. The census accounts for 44 pieces. The Vista Collection.
PCGS Fine 12 (300-600)

- 39 Fr. 862★ \$5 1914BS Richmond Richmond is the third rarest district for \$5 stars. This piece meets the requirements for the grade perfectly. Thirteen stars in the census. The Vista Collection.
PCGS VF 25 (1,000-2,000)

- 37 Fr. 855c★ \$5 1914BS Philadelphia The "c" type star has only been seen on four different districts, with seven of the 33 known examples from Philadelphia. Get yours while they are available. Looks closer to XF than Fine. The Vista Collection.
PCGS VF 25 (1,500-3,000)

- 40 Fr. 863a★ \$5 1914BS Richmond This is the most common signature combination for \$5 stars among the 12 districts. There are 11 of these known on Richmond. A date is penned in ink in a back margin. The face looks quite nice, however. The Vista Collection.

- 41 **Fr. 866★ \$5 1914BS Atlanta** Counting total stars per district, Atlanta comes in second for rarity for the \$5 denomination. Eleven notes are recorded and this solid star is tied with one other for top grade. Most of the others are significantly worse. The Vista Collection.
PCGS VF 20 (1,250-2,500)

- 42 **Fr. 867★ \$5 1914BS Atlanta** A nice appearing replacement that doesn't show the folds too much. Some numbers are stamped on the back. Nine pieces in the count. A rare district. The Vista Collection.
PCGS VF 25 (1,500-3,000)

- 43 **Fr. 871a★ \$5 1914BS Chicago** A high-end AU that has the fresh look of a Choice CU. Very much a type star for the \$5 FRN, this example will have lots of bidders for that reason alone. Only two of the 57 known stars are better than this example. The Vista Collection.

- 44 **Fr. 871c★ \$5 1914BS Chicago** Not high grade, but there are only four of these rare type "c" notes known from Chicago. The Vista Collection.
PCGS VG 10 (750-1,500)

- 45 **Fr. 873★ \$5 1914BS St. Louis** Perfect for the grade, without distracting marks or heavy folds. The count stands today at nine stars. The Vista Collection.
PCGS VF 20 (1,000-2,000)

- 46 **Fr. 874★ \$5 1914BS St. Louis** A bit more common with 14 stars recorded, but also somewhat nicer and problem-free. The Vista Collection.
PCGS VF 30 PPQ (1,000-2,000)

- 47 **Fr. 875a★ \$5 1914BS St. Louis** A common variety except on the St. Louis district. Only five notes have ever turned up. The Fr. 875b is unreported and the Fr. 875c was never printed, so the stars on this district are certainly out of whack. A smudge on the front and dirty folds on the back are noticed. The Vista Collection.
PCGS VF 20 (1,250-2,500)

- 48 **Fr. 877★ \$5 1914BS Minneapolis** Here is a really rare signature combination on a tough district. Just three stars are known with this note last appearing in 2003 and one other way back in 1996. Nothing else has been available. Well used, but acceptable considering the rarity. The Vista Collection. **PCGS VG 10 (2,250-4,500)**

- 51 **Fr. 880★ \$5 1914BS Kansas City** This Kansas City star is heavily circulated but it is also extremely rare. It was the last note to be available on this Friedberg number when it sold in 2005. Just as rare today as it was then, with three notes in the census. The Vista Collection. **PCGS VG 8 (1,750-3,500)**

- 49 **Fr. 878★ \$5 1914BS Minneapolis** This note was subjected to little actual circulation but has a fair amount of surface dirt rubbed into the paper. Would have been a lovely AU without the dirt. Eleven stars are known. The note was bleached in an attempt to clean it. The Vista Collection. **PCGS VF 30 Net (750-1,500)**

- 52 **Fr. 882★ \$5 1914BS Kansas City** A gorgeous, high-grade note that would please anyone. There are nine of these known, making it of medium rarity, but there are none in better shape. The Vista Collection. **PCGS XF 40 PPQ (2,000-4,000)**

- 50 **Fr. 879a★ \$5 1914BS Minneapolis** This is the prettiest \$5 Minneapolis star in the Vista Collection and the last chance to get a star on this scarce district. An attractive, un-doctored example. Ten stars in the census. We sold another in last year's Memphis sale that was not quite as nice for nearly \$2,200. The Vista Collection. **PCGS VF 25 (2,000-4,000)**

- 53 **Fr. 883a★ \$5 1914BS Kansas City** Fourteen stars recorded on this available type "a". The type "b" is unknown on Kansas City and the type "c" was not printed. Extremely fresh and original. The kind of item that could surprise. The Vista Collection. **PCGS VF 30 (1,000-2,000)**

- 54 **Fr. 886★ \$5 1914BS Dallas** Wouldn't you know it, but this popular and avidly collected district is also the rarest for \$5 stars. Just four pieces exist on this Friedberg number. While this example is well used, the other three are no better. At least this one is evenly circulated and intact. The Vista Collection. **PCGS VG 10 (1,100-2,200)**

- 55 **Fr. 887a★ \$5 1914BS Dallas** An attractive star in a grade that appears to be right in the middle of the range. Eight stars are reported, which is the most for any Dallas type. This doesn't come any better, and none of these have been available for years. The Vista Collection.
PCGS VF 25 (2,000-4,000)

- 58 **Fr. 906★ \$10 1914BS Boston** A most attractive replacement from Boston, in a grade I couldn't disagree with. There are 14 stars listed in Track & Price. The Vista Collection.
PCGS VF 30 (750-1,500)

- 56 **Fr. 890★ \$5 1914BS San Francisco** Only the White-Mellon combination on San Francisco is ever available. The last Fr. 890 star to be publicly offered was in 2003. This is a decent example with folds that show mostly on the back. Four pieces in the census. The Vista Collection.
PCGS Fine 12 (2,000-4,000)

- 59 **Fr. 907a★ \$10 1914BS Boston** Twelve stars are known on this White-Mellon signature combination. A problem-free example. The Vista Collection.
PCGS VF 20 (750-1,500)

- 57 **Fr. 891a★ \$5 1914BS San Francisco** Not a particularly rare star, but pretty much all that is available on this district. This star is also not seen much above VF. The Vista Collection.
PCGS Fine 12 (400-800)

- 60 **Fr. 909★ \$10 1914BS New York** New York is the most available district for \$10 stars, but this signature combination is hard to locate. Just nine pieces have been found to date. This is a solid note, but looks worn on the back center. The Vista Collection.
PCGS VG 10 (500-1,000)

- 61 **Fr. 910★ \$10 1914BS New York** Excellent for type, this star is problem free and accurately graded. Twenty-three stars are known. Nothing this nice has been available in years on this Friedberg number. The Vista Collection.
PCGS VF 25 (1,000-2,000)

- 62 **Fr. 911b★ \$10 1914BS New York** One of the rarest types for New York, there are no more than six of these stars reported to date. This example is very nearly the finest known, although it does have a spot in the top margin and a slightly bluish back. This is the rarest of all \$10 star types, with just 11 notes known from all 12 districts. The Vista Collection.

PCGS VF 25

(2,750-5,500)

- 65 **Fr. 917★ \$10 1914BS Cleveland** Here is a rare Cleveland star for you. There are four notes in the census, with one note the consecutive piece to the example we offer here. However, both notes have the same plate position, so I suspect the listed note and the piece in the census is one and the same. One of these stars appears at auction every three years and this note is right on schedule. The Vista Collection.

PCGS VF 25

(3,500-7,000)

RARE TYPE "C" STAR

- 63 **Fr. 911c★ \$10 1914BS New York** There are lots of collectors who need one of these "c" type stars for their type set. This stellar example looks even better than its technical grade. The bends are so light they can barely be seen. The second finest of 13 examples. The Vista Collection.

PCGS XF 45 PPQ

(2,000-4,000)

- 66 **Fr. 919a★ \$10 1914BS Cleveland** A fabulously fresh and bright star that is one of 16 reported. Near the top of the condition census. The Vista Collection.

PCGS VF 30 PPQ

(1,250-2,500)

ONE OF TWO KNOWN

- 64 **Fr. 915a★ \$10 1914BS Philadelphia** The only \$10 star from Philadelphia in the Vista Collection is this problem-free example with 15 other pieces enumerated in the census. The Vista Collection.

PCGS VF 20

(600-1,200)

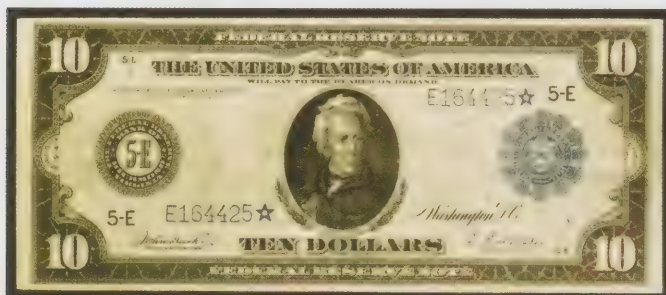

- 67 **Fr. 921★ \$10 1914BS Richmond** Richmond is one of the rare districts for \$10 stars. However, this particular Friedberg number is especially so. Only one other note exists, and it hasn't been seen in five years. This piece is evenly circulated and free of faults, save for a few microscopic pinholes. The Vista Collection.

- 68 **Fr. 922★ \$10 1914BS Richmond** There are 13 stars recorded on this Burke-Houston signature combination, so it is not particularly scarce, but bidders should be a tad more aggressive considering the rarity of the district. The note looks nice and is certainly better than a low-end VF. The only notes that have actually sold in the last 10 years have all been low grade. The Vista Collection.
PCGS VF 20 (1,200-2,400)

- 69 **Fr. 925★ \$10 1914BS Atlanta** This note is decent enough, but there is a snack-size bite taken out of the left margin. Only five stars are known, none better than VF. This is the third rarest district for \$10 stars. The Vista Collection.
PCGS Fine 12 Net (1,500-3,000)

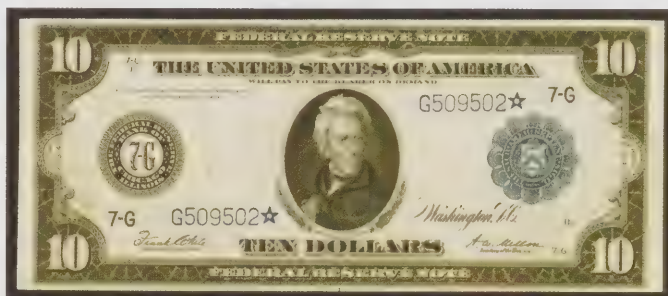

- 70 **Fr. 929★ \$10 1914BS Chicago** A well circulated but undamaged star from Chicago. On the rare side with five notes reported. The Vista Collection.
PCGS Fine 12 (750-1,500)

- 71 **Fr. 930★ \$10 1914BS Chicago** An available star with 33 notes recorded. This should be a nice looking and affordable note for someone. The Vista Collection.
PCGS VF 20 (750-1,500)

HIGH GRADE CHICAGO STAR

- 72 **Fr. 931a★ \$10 1914BS Chicago** This outstanding star would work well in any type set, for it has the appearance of an uncirculated note. It is not surprising that this note is the second finest on the signature combination for Chicago. The Vista Collection.
PCGS Abt. New 53 PPQ (1,250-2,500)

- 73 **Fr. 931b★ \$10 1914BS Chicago** Ultra rare, both as a signature variety and as a Friedberg number. There are just 11 type "b" stars known for the \$10 1914 FRNs, counting all districts. Four of those 11 hail from Chicago. This one looks decent, but the folds are rather heavy. The Vista Collection.
PCGS Fine 15 (1,500-3,000)

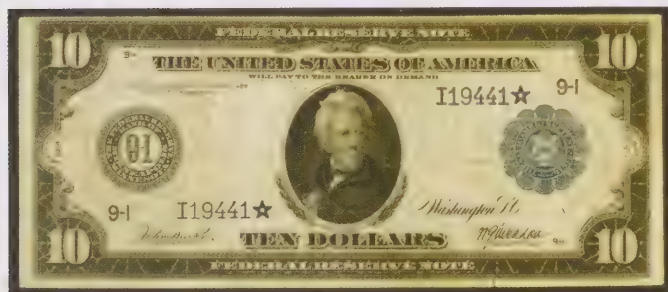

- 74 **Fr. 932★ \$10 1914BS St. Louis** This mid-grade star has some sun damage on a back corner. Eight stars are in the census on this better signature combination. The Vista Collection.
PCGS Fine 15 (600-1,200)

- 75 Fr. 934★ \$10 1914BS St. Louis Some rust marks are noted in the lower margin on this St. Louis star. Fourteen pieces are in the known pile. The Vista Collection. PCGS VG 10 (400-800)

- 78 Fr. 938★ \$10 1914BS Minneapolis Bright white paper and sharp colors help to make this Northern star a desirable piece. In the scarce category with 10 notes reported. The Vista Collection. PCGS VF 20 (750-1,500)

- 76 Fr. 936★ \$10 1914BS Minneapolis As usual, Minneapolis is one of the tougher districts on which to locate stars. This Friedberg number, even more so, is a note you will rarely see offered. As a matter of fact, this very note is the only star to ever appear in the last several decades, according to Track & Price. Only one other piece exists. Fortunately, the note is a pleasing example, without unsightly blemishes. The Vista Collection. PCGS Fine 15 (3,250-6,500)

- 79 Fr. 939★ \$10 1914BS Minneapolis This peach completes the set of every possible Minneapolis star, since no type "b" or "c" notes were issued. Only six stars exist in total for this Friedberg number with this the third best. Still, it won't disappoint. These are never offered for sale. The last auction record is for a Fine 12 in 2004. The Vista Collection. PCGS VF 25 PPQ (2,000-4,000)

- 77 Fr. 937★ \$10 1914BS Minneapolis Only a little more available with seven notes in the star census. An attractive piece on the front, although the green back has a bluish hue. The Vista Collection. PCGS Fine 15 (1,000-2,000)

BEAUTIFUL KANSAS CITY STAR

- 80 Fr. 942★ \$10 1914BS Kansas City Kansas City stars in the \$10 denomination are known on just two Friedberg numbers. This is the more available note, in that 13 pieces have been accounted for. This one is a beauty, with folds so faint the note looks a grade better. Destined to be a cherished acquisition for whomever buys it. The Vista Collection. PCGS XF 45 (4,000-8,000)

ONE OF THREE KNOWN

- 81 **Fr. 944★ \$10 1914BS Dallas** The avidly collected Dallas district is also the rarest district for \$10 stars. Just three notes exist on this Friedberg number, with one in XF and the other equal to the note we offer here. Solid for the grade with a tiny rust spot in the margin. The Vista Collection.
PCGS Fine 12 (2,500-5,000)

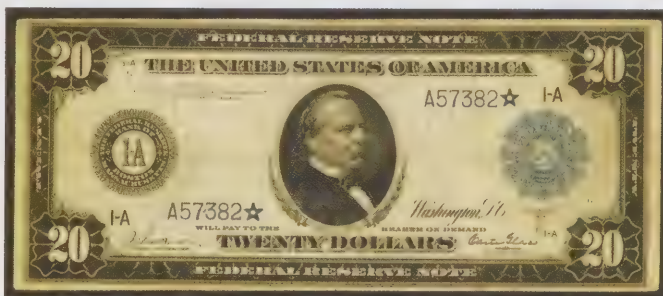

- 82 **Fr. 946★ \$10 1914BS Dallas** A little nicer and just a bit more available than the Fr. 944 star with six notes known. That could save you a little money, but considering the demand for Dallas notes, I wouldn't write your bid limit in ink. The Vista Collection.
PCGS Fine 15 (2,000-4,000)

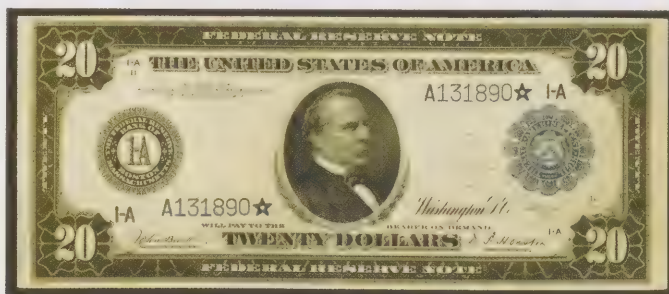

- 83 **Fr. 951a★ \$10 1914BS San Francisco** The San Francisco district follows closely behind Dallas in rarity with 11 stars known in total. The majority come from this signature combination, with this note being in the middle grade-wise. Eight stars are known. The Vista Collection.
PCGS Fine 15 (1,500-3,000)

- 84 **Fr. 964★ \$20 1914BS Boston** The \$20 FRN star is hard to locate in general. The total number of \$20s amounts to just about half the number of \$5s that are known. This Boston is especially rare, with three pieces in the census. None have been on the market since we sold this note in 2003. Pretty pleasing for the most part, but the corners are soft. The Vista Collection.
PCGS VF 20 (3,250-6,500)

- 85 **Fr. 965★ \$20 1914BS Boston** Also quite rare with three stars known. Just honest use on this well-centered star. A Fine 12 has sold twice in the last year, each time bringing in the \$4,000 area. The Vista Collection.
PCGS Fine 15 (3,250-6,500)

- 86 **Fr. 966★ \$20 1914BS Boston** Nine stars are known on this, the most available signature combination for the \$20 stars. This note has some folds, but they show mostly on the back. The Vista Collection.

- 87 **Fr. 968★ \$20 1914BS New York** Harshly used and soiled but really rare. There is another Very Good and a Fine 12, neither of which has ever appeared publicly. When it comes to the rarities we have to be somewhat forgiving on occasion. The Vista Collection.
PCGS VG 8 (1,250-2,500)

- 88 **Fr. 969★ \$20 1914BS New York** A common district for \$20 stars, this remains a better type with five notes in the count. An evenly circulated example. The Vista Collection.
PCGS VF 20 (2,000-4,000)

POSSIBLY THE FINEST KNOWN

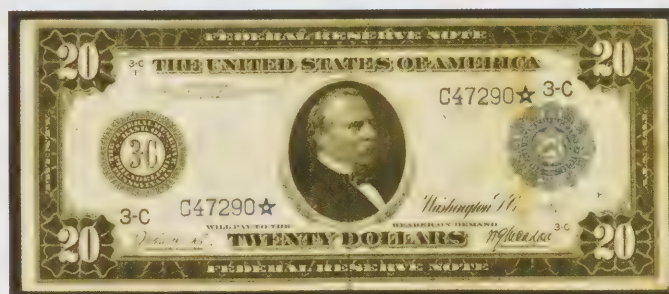

- 89 **Fr. 970★ \$20 1914BS New York** On the scarce side, this richly colored star will add some pizzazz to any Federal Reserve Note collection. An even dozen have been accounted for over the years, although this note has never been offered publicly before. Possibly the finest, since Track & Price indicates that the only other VF has light stains. The Vista Collection.
PCGS VF 25 (2,000-4,000)

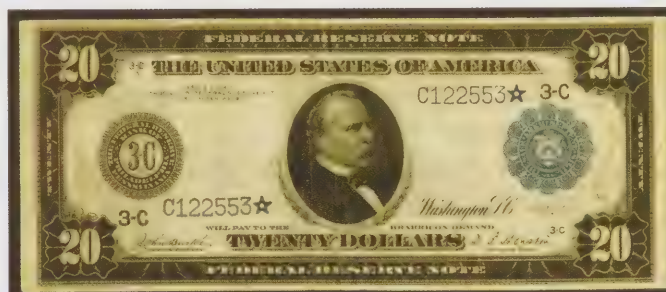

POSSIBLY THE FINEST FED STAR

- 90 **Fr. 971a★ \$20 1914BS New York** This incredible star note is not only one of the highest graded \$20 stars, but is possibly the finest FRN star of any denomination. Crisp color and full, even margins adorn this beauty. It has been several years since one of these Gems has been offered, so it is hard to say where today's grade-conscious bidders will drive the final result. The Vista Collection.
PCGS Gem New 66 PPQ (6,000-12,000)

- 91 **Fr. 972★ \$20 1914BS Philadelphia** Nine notes are currently listed in the star census, and this could be the tenth, provided that C47920★ in VF is accurately recorded. Either way, this is a scarce and desirable piece. The Vista Collection.
PCGS VF 20 (1,250-2,500)

- 92 **Fr. 974★ \$20 1914BS Philadelphia** A very presentable star for the grade, and very likely the second finest known for the Friedberg number. Fifteen notes are known and three of them, all Fine 12, have been auctioned in the last several years. The Vista Collection.

PCGS VG 10 (400-800)

- 96 **Fr. 979a★ \$20 1914BS Cleveland** A nice appearing note on the front, but there is a considerable amount of writing on the back, along the lines of a short-snorter, probably penned during WWI. Ten stars are known. The Vista Collection.
PCGS VF 20 (500-1,000)

- 94 **Fr. 977★ \$20 1914BS Cleveland** A Cleveland rarity that brought \$3,450 the last time a Fine 12 made it to auction in early 2007. Only three stars are in the census, and this note is a hair better than the 2007 example. The Vista Collection.
PCGS Fine 15 (2,750-5,500)

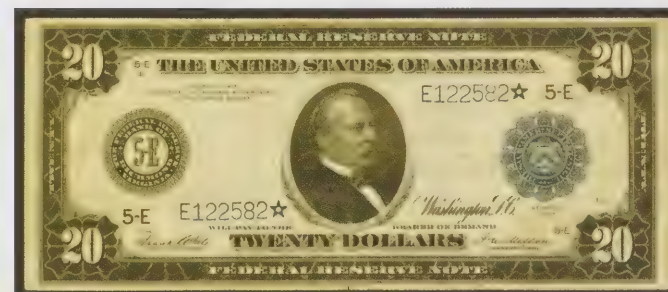

- 97 **Fr. 980★ \$20 1914BS Richmond** The Richmond district falls right into place in rarity, finding itself #4 in the ranking for \$20 stars, just as it was for the \$10s. This Burke-McAdoo is one tough puppy, though. Just two stars have been found, with the other Fine 12 selling for \$2,195 in 2006. Today, this damage-free example should bring as much or more. The Vista Collection.
PCGS Fine 12 (2,500-5,000)

- 95 **Fr. 978★ \$20 1914BS Cleveland** This is the type star for the Cleveland district, since there are 15 notes in the census. It's a pretty one, too. The Vista Collection.
PCGS VF 30 PPQ (1,500-3,000)

- 98 **Fr. 982★ \$20 1914BS Richmond** This is one of seven stars known, so it's pretty scarce, but unfortunately the paper is heavily toned and there is tape residue at four spots on the back. The Vista Collection.
PCGS Apparent VF 20 Net (1,000-2,000)

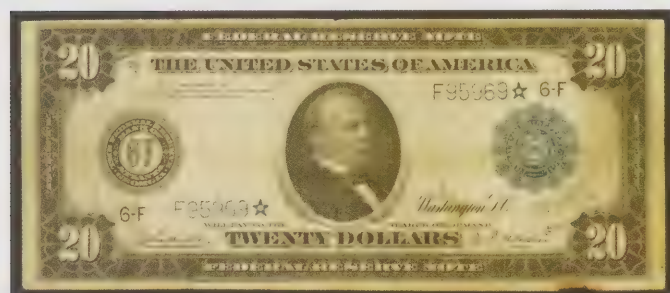

- 99 **Fr. 983a★ \$20 1914BS Richmond** Very pleasing for the assigned grade, with no distracting marks or significant problems to report. Only five stars have been found to date, quite unusual for the White-Mellon type "a". The Vista Collection.
PCGS Fine 15 (1,750-3,500)

- 100 Fr. 984★ \$20 1914BS Atlanta Ten stars are out there somewhere, but most don't look as nice as this one. There is an expertly accomplished repair on the back, but it is hard to see, even on a second glance. I'd wager that it won't slow anyone down. The Vista Collection.
PCGS Apparent VF 25 Net (1,200-2,400)

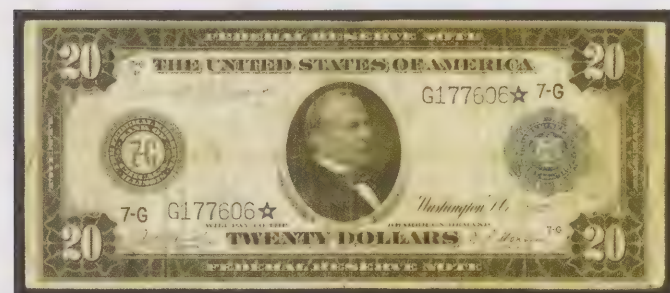

- 103 Fr. 992★ \$20 1914BS St. Louis This four-digit star looks to be accurately graded and is about as nice as these come. Only eight are known, with more than half grading VG 8 or worse. The Vista Collection.
PCGS Fine 15 (1,200-2,400)

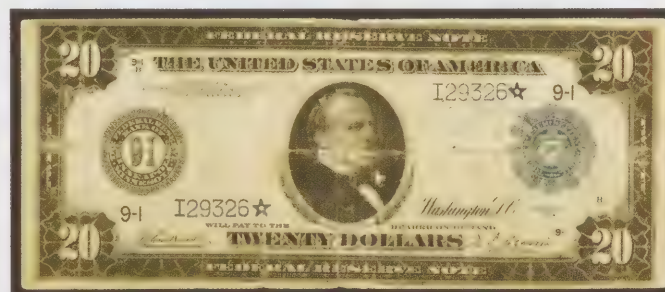

- 101 Fr. 986★ \$20 1914BS Atlanta A very scarce star with five known, but this one has some rust in the margin and some rather impressive pinholes. Without these problems a realization of \$3,000 would not be difficult. The Vista Collection.
PCGS VG 10 Net (750-1,500)

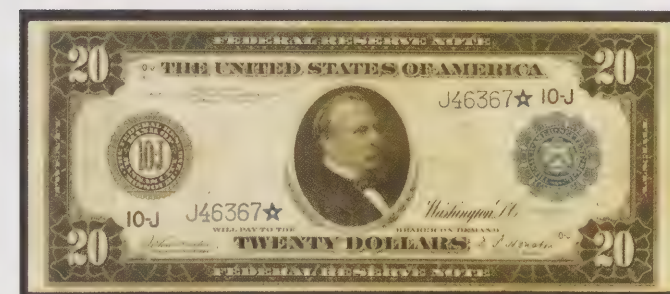

- 104 Fr. 996★ \$20 1914BS Minneapolis The Minneapolis district is the single rarest district for \$20 stars, with 10 notes in total known. Of those, five come from this Fr. 996. There are no complaints on this evenly circulated note, save for some very tiny pinholes that affect nothing. The Vista Collection.
PCGS Fine 12 (1,600-3,200)

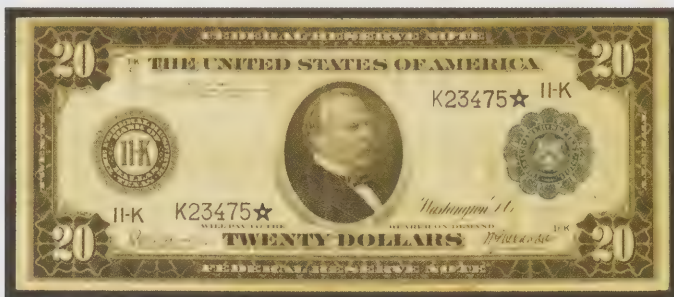

- 102 Fr. 990★ \$20 1914BS Chicago This is the most available \$20 star from any district. Strictly a type star. A little dirty and some minute pinholes are noticed. The Vista Collection.
PCGS Fine 15 (400-800)

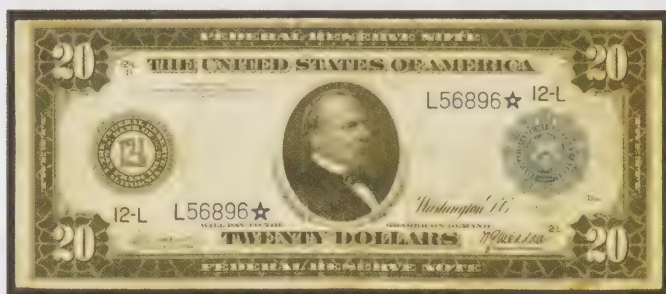

- 105 Fr. 998★ \$20 1914BS Minneapolis This Friedberg number is the only other number on which star notes are known for the \$20 Minneapolis district, and only four pieces are in the list currently. This new find from the Vista Collection adds to that total. This example is well circulated with soft paper and weakening along the folds. The Vista Collection.
PCGS VG 8 (1,000-2,000)

- 106 Fr. 1002★ \$20 1914BS Kansas City Kansas City runs a close second to Minneapolis for \$20 star rarity. It turns out, this is the sole Friedberg number for which \$20 stars are known, and there are 11 of them. This one shows minimal soiling or distractions, save for a closed tear hidden in the portrait area. The Vista Collection.
PCGS Fine 15 (1,000-2,000)

- 107 **Fr. 1004★ \$20 1914BS Dallas** A deep blue overprint and a strong impression enhances this popular Dallas star. Eleven stars are reported on this Friedberg number, but for the most part, stars are unavailable from any other Dallas number. The Vista Collection.
PCGS VF 20 (1,600-3,200)

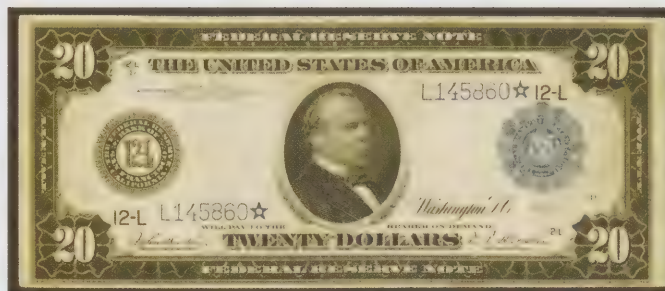

- 108 **Fr. 1008★ \$20 1914BS San Francisco** This is a rare Friedberg number on this somewhat available district. Three notes exist, all in about the same grade. This note was seen in 2003, and a Fine 12 was auctioned in 2006, bringing \$2,645. I would expect something close to that today. The Vista Collection.
PCGS Fine 12 (2,400-4,800)

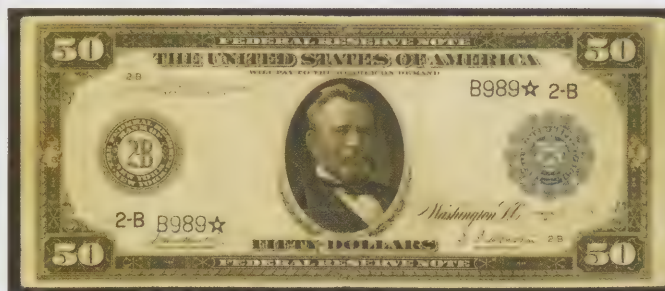

- 109 **Fr. 1009★ \$20 1914BS San Francisco** This is about as rare as they come. Just two stars exist, with the most recent auction result coming in 2005 when this very note sold for \$3,105 in our March sale. Nothing has been available since then, and after the hammer falls on this star, it could be years until your next chance. A solid, problem-free example. The Vista Collection.

PCGS VF 25 (1,000-2,000)

RARE TYPE FOR STARS

- 111 **Fr. 1030★ \$50 1914BS New York** The \$50 FRN is a rare type for stars, with 27 total pieces known in all districts and varieties. This is a rare one, with three pieces known, all in about the same grade. With a cute radar serial number too.
PCGS Fine 12 (11,000-22,000)

ONE OF TWO STARS

- 112 **Fr. 1035★ \$50 1914BS Philadelphia** Stars like this don't come around every day. Although the note has been circulated, the overall appearance is that of a higher grade. Only one other star has been recorded in Track & Price, but it has never appeared for sale.
PCGS Fine 15 (22,000-40,000)

www.lynnknight.com

- 113 **Fr. 1039★ \$50 1914BS Cleveland** This is the common star for the \$50 FRNs, although using the word "common" and "\$50 FRN star" in the same sentence seems bizarre. The 11 stars known on this Friedberg number also makes the White-Mellon combination the most available signature combination. There is some discoloration on the back.
PCGS Apparent Fine 15 Net (3,400-7,000)

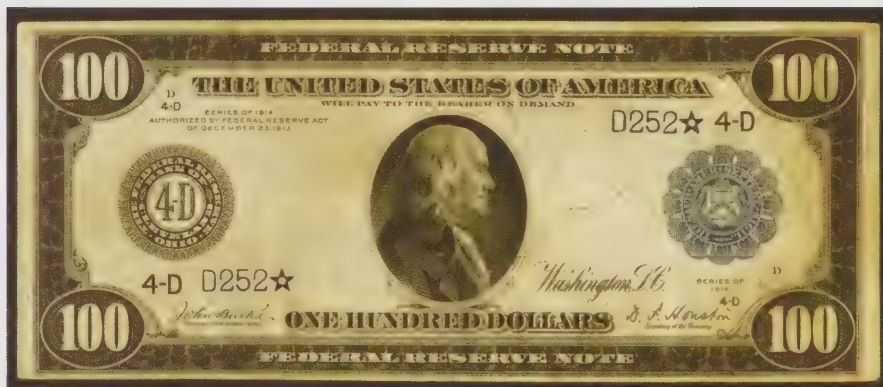

RARE DISTRICT STAR

- 114 **Fr. 1042★ \$50 1914BS Richmond** Two stars are recorded in the census on this rare district. This note sold once in 1995 and then again in 2006 when it brought \$6,325. Nothing has been offered since then, and it could be years until your next opportunity. Today's market is much more appreciative of rarity than even a few years ago, and I expect that trend to continue. Evenly circulated and quite pleasing.
PCGS Fine 12 (13,500-27,000)

- 115 **Fr. 1050★ \$50 1914BS Chicago** Three stars are known on this Friedberg number and although this one has some problems, it is not an unattractive piece. The lower left corner has a repaired tear and there are scuff marks on the back, along with a rough top margin. However, when it comes to \$50 FRN stars, every note is important. If you can't afford a high grade example, yet long to add a \$50 star to your collection, this could be your note. The Vista Collection.
PCGS VG 8 Net (4,250-8,500)

NEW DISCOVERY

- 116 **Fr. 1098★ \$100 1914BS Cleveland** The \$100 FRN stars are the rarest of the rare. Just 15 pieces are known in total and examples rarely appear for sale, privately or at auction. This Cleveland star is an exciting new discovery from the Vista Collection and would please anyone. It is evenly circulated and shows a minimum of soil. Only one other star is known on the \$100 Cleveland district. The Vista Collection.
PCGS Fine 15 (23,500-45,000)

ONE OF THREE KANSAS CITY \$100s

- 117 Fr. 1120★ \$100 1914BS Kansas City Three stars are extant on this Kansas City \$100, which is about all the notes that are likely to surface on this district. Just 4,000 star notes were printed on this and every other district except New York, which had an official high of 8,000. This is a decent example with good margins.
PCGS Fine 12 (17,500-35,000)

GOLD CERTIFICATES

- 118 Fr. 1173★ \$10 1922 The outstanding colors on both sides jump out from the pure white background. Not a rare star in the least, but it is surprising how few examples are known in XF 45 or better. Less than 7% of the known stars are in that grade range. The Vista Collection.
PCGS XF 45 PPQ (5,000-7,500)

- 119 Fr. 1186★ \$20 1906 A very difficult gold star to acquire, in spite of there being eight pieces in the census. They just never get offered. Track & Price has only been able to track two pieces. One appeared in a 1990 Coin Galleries sale and the other in a 2004 Heritage sale. This is a decent piece, but it has a number stamped on the back. An opportunity that may not soon be repeated. The Vista Collection.
PCGS VG 10 Net (7,500-10,000)

- 120 Fr. 1187★ \$20 1922 This note has amazing gold ink tones, especially on the back, in addition to some great embossing. The only distraction is a scuff mark on the seal. Except for that, I don't think you could find a more attractive or brilliantly colored star Gold Certificate. The Vista Collection.
PCGS XF 45 PPQ (6,000-10,000)

FANTASTIC \$100 STAR

- 121 Fr. 1215★ \$100 1922 This is the only \$100 Gold Certificate that had stars printed, so the 26 examples that are known must stretch a long way to satisfy all the collectors who want one. Of course, this peach from the top five is the one that everyone wants. Expect a battle for this rare and desirable star. The phenomenal colors and originality more than offset two inconsequential pinholes. The Vista Collection.

- 126 Fr. 17a \$1 1862 Pleasing to the eyes with great color. At a glance it would initially appear XF, with decent margins.
PMG Ch. VF 35 (1,400-1,800)

- 127 Fr. 18 \$1 1869 The folds are faint and the colors vivid, allowing this \$1 Rainbow to hold a place in a much higher grade collection. The margin could be a little wider at the bottom right, but that seems like a trivial complaint on such a pretty note.
PCGS VF 35 (900-1,200)

- 128 Fr. 18 \$1 1869 Nice, evenly circulated Rainbow still retaining some good looking color.
PCGS Fine 15 (1,200-1,600)

- 129 Fr. 20 \$1 1875 A wonderfully centered, high-grade 1875 Legal Tender with the small red seal with spikes. Obviously a special note with exceptional paper quality.
PMG Ch. UNC 64 EPQ (1,750-2,500)

- 130 Fr. 20 \$1 1875 The rose-red floral ornament at the right is a favorite feature of these early \$1 notes. The colors on this example are strong and unfaded. To be accurate, we must mention a few tiny pinholes in the portrait area.
PCGS New 61 (900-1,200)

- 134 Fr. 35 \$1 1880 A beautiful, fresh, well-centered example of this small red seal and blue serial numbers note. Being the scarcer of the two signature combinations of this type and only two grading higher, a sure winner.
PMG Gem UNC 66 EPQ (3,000-5,000)

- 131 Fr. 26 \$1 1875 This note has strong colors and the overall look of a Very Choice note, but the note is flat and has a corner fold. I can't discern any major folds, but the grading services may or may not agree on that point.
Ch. CU (1,500-3,000)

- 135 Fr. 35 \$1 1880 A lovely example of this popular variety of the \$1 Washington. One must consider this note has the pink-red seal and blue serial numbers, as well as an excellent border all around.
PCGS Gem New 65 PPQ (2,500-3,500)

- 132 Fr. 27 \$1 1878 This unmolested note has good color and no obvious faults.
PMG VF 30 (375-475)

- 144 **Fr. 37 \$1 1917 #M4000A** This \$1 Legal, with serial #M4000A, probably never saw circulation, but less than perfect storage has allowed for some corner folds and bumped edges. The back is also skewed.
PMG Abt. UNC 55 EPQ (1,000-2,000)

SUPER LOW NUMBER R2A

- 150 **Fr. 39 \$1 1917 #R2A** Single-digit serial numbers like this R2A are extremely popular and always create a stir when offered. This note is B.E.P. fresh as indicated by the "EPQ" designation. The next best thing to owning a #1 note.
PMG Ch. UNC 64 EPQ (2,500-5,000)

HIGHLY DESIRABLE FR. 40 STAR

- 153 **Fr. 40★ \$1 1923 #4403D** This extremely popular star is from a run of CU notes that has provided collectors with examples for years. The most recent sale of one of these low-numbered stars occurred in November 2007, when a PCGS 63 example from this same cut sheet brought \$5,405. This bright replacement sports a four-digit number and has a deep red overprint.
PCGS Gem New 66 PPQ (6,000-8,000)

- 154 **Fr. 40 \$1 1923 #A1600B** This Red Seal \$1 has the fancy serial number A1600B and shows clearly embossed features. The snow white paper is free of dirt or smudges.
PCGS Gem New 65 PPQ (2,000-3,000)

- 155 Fr. 40 \$1 1923 This popular one-year type shows well with its deep ruby-red overprint.
PCGS Ch. New 63 (700-1,000)

- 159 Fr. 42 \$2 1869 Ample margins on this \$2 Rainbow, although the face tilts down at the right. The color is good and the note appears to be a grade better than its technical grade.
PCGS VF 35 PPQ (2,000-3,000)

- 156 Fr. 40 \$1 1923 An evenly circulated \$1 Legal Tender.
PCGS Fine 15 (150-200)

- 160 Fr. 42 \$2 1869 Attractive Rainbow Deuce with nice centering. Notated with pinholes, as most are in this grade.
PMG Ch. Fine 15 (1,200-1,600)

- 157 Fr. 41 \$2 1862 This excellent example of the earliest \$2 bill issued is really a beauty, with only nearly invisible signs of circulation. The centering and paper quality are very desirable.
XF/AU (3,000-4,000)

- 161 Fr. 47 \$2 1875 For the most part, this is an uncirculated note with three vertical folds which are not that severe. That makes this high-grade circulated note one of those pieces that everyone is clamoring for. The red embellishment at the right is especially bold.
PCGS XF 40 PPQ (1,000-1,500)

- 158 Fr. 41 \$2 1862 Most notes of this type have one or more margins trimmed into the design. This example is a pleasant exception with two good margins and two giant ones.
F/VF (1,250-1,750)

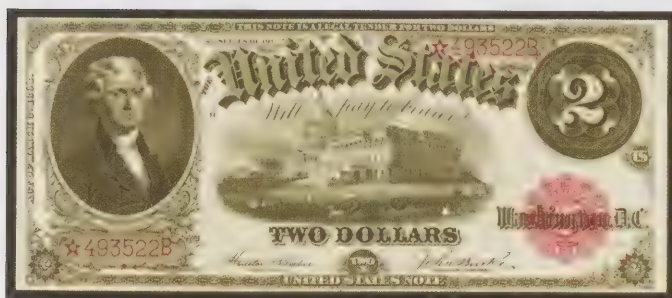

- 162 Fr. 51 \$2 1880 Choice example of this 1880 Legal Tender with exceptional paper quality.

- 163 Fr. 52 \$2 1880 Three vertical folds, one horizontal crease and a tip fold is the total extent of the handling on this amazingly fresh note. It is a shame it was not put away flat, since with its margins it could possibly have been graded Gem. PCGS VF 35 PPQ (300-500)

- 164 Fr. 57★ \$2 1917 Impressive note that has the color and look of a new one. Only 60 stars are reported. PCGS Ch. Abt. New 58 PPQ (2,000-3,000)

- 165 Fr. 58 \$2 1917 A common note in uncommon condition. The centering is near perfect and, if any better, would be a candidate for the superb designation. Totally devoid of handling and rich red overprints. Gem CU (500-750)

- 166 Fr. 60 \$2 1917 This available type has margins that are much above average. Handling and a tip fold play a major part in the assigned grade. CGA CU 61 (300-500)

- 167 Fr. 60★ \$2 1917 I would definitely call this a premium quality star note that would have been a quick XF in the days before slabbing. Ch. VF 35 (900-1,500)

- 168 Fr. 60 \$2 1917 A great looking, circ Deuce. VF (150-250)

- 173 Fr. 64 \$5 1869 Here is a \$5 Rainbow that I'm certain will bring a strong price for the grade. All the folds are light and, at a distance, easily melt away into the colorful background. More vivid than some UNC's that I've seen.
PCGS VF 30 PPQ (800-1,200)

- 177 Fr. 69 \$5 1878 Some light handling and a narrow bottom margin have held this early \$5 to a more affordable grade.
PCGS Ch. Abt. New 58 PPQ (800-1,200)

- 174 Fr. 68 \$5 1875 Quality example of a Woodchopper with bold, vivid colors and respectable centering.
PMG Ch. Abt. UNC 58 EPQ (1,750-2,250)

- 178 Fr. 72 \$5 1880 The ink tones are bold on this large brown seal Woodchopper, but the note has picked up some handling and the corners are rounded.
PCGS Ch. Abt. New 55 PPQ (750-1,250)

- 175 Fr. 69 \$5 1878 Razor sharp original beauty. With above average margins, I can find only one auction record of higher grade, which was a CGA 68.
PMG Gem UNC 66 EPQ (3,750-5,500)

- 179 Fr. 73 \$5 1880 Great embossing is clearly seen through the holder with rich colors on this early type. Decent centering adds to the overall look of this large red seal Woodchopper that will look great in any collection.
PMG Gem UNC 65 (3,000-5,000)

- 180 Fr. 73 \$5 1880 Charming example of this early Woodchopper in choice condition.
PMG Ch. UNC 63 (1,400-1,800)

- 181 Fr. 80 \$5 1880 Desirable grade Woodchopper with slight handling and light fold. Still offering plenty of color and embossing.
PCGS Ch. Abt. New 55 (1,000-1,500)

- 182 Fr. 81 \$5 1880 Choice Woodchopper as noted with exceptional paper quality and great color. Fresh colors and sharp corners. The centering is all I can see that keeps it from higher grade.
PMG Ch. UNC 63 EPQ (1,500-2,500)

- 183 Fr. 85 \$5 1907 One of the finest Woodchoppers of this signature combination ever seen by PMG. Only five others are in this grade with only one a point better. Close inspection forces us to agree. It is a beautiful type note.
PMG Gem UNC 66 EPQ (1,500-3,000)

- 184 Fr. 85 \$5 1907 Fresh, vivid note with great embossing. Sharp corners and premium paper quality.
PCGS Very Ch. New 64 PPQ (1,250-1,750)

- 185 Fr. 85 \$5 1907 View this Woodchopper and I'm sure you will agree that it will be the nicest looking XF 45 in your collection. The margins are even and wide, the paper bright white and the folds, or whatever prompted the grade, so faint as to be invisible through the holder. Don't be surprised to see floor bidders paying a Choice AU price for this note. Graded XF 45 by PMG.
PMG XF 45 (500-1,000)

- 186 Fr. 91 \$5 1907 Vivid, rich color and full embossing bring this Pioneer Family to life. Tight margins are all that holds this note back.
PCGS Ch. New 63 PPQ (900-1,200)

- 187 Fr. 91★ \$5 1907 A fantastic looking Woodchopper with glowing reds and deep blacks. Always popular stars are a fraction of the total number of this signature combination, and with the look of this note, the sell will be well above AU prices.
PMG Abt. UNC 55 EPQ (2,750-3,500)

- 188 Fr. 91★ \$5 1907 A quality star for the grade on this Woodchopper that seems very conservatively graded.
PMG VF 25 (750-1,250)

- 189 Fr. 92 \$5 1907 Captivating blacks and reds on blinding white paper along with great embossing gives this better than average Fr. 92 a great look.
XF/AU (500-750)

- 193 Fr. 108 \$10 1880 A virtual beauty graded Choice UNC 64 EPQ by PMG. It possesses the quality and minimal handling of that grade, making it a lovely type note.
PMG Ch. UNC 64 EPQ (3,500-4,500)

- 190 Fr. 96 \$10 1869 Charismatic describes the colors on this Rainbow \$10. PMG chose as noted "great color" on this Jackass note.
PMG Abt. UNC 55 (4,500-6,000)

- 194 Fr. 108 \$10 1880 A great looking brown seal with full margins. One of the back folds is a bit worn, but not badly so.
VF/XF (1,100-1,700)

- 191 Fr. 96 \$10 1869 The vibrant colors will put this note in play. A perfect note for someone who wants an attractive and well-centered piece that doesn't show the folds.
PCGS VF 30 (1,250-1,750)

- 192 Fr. 99 \$10 1878 A very pleasing example of this scarcer type. Only 76 notes are known in all grades, with this note a new find. Bid strong, since the note looks more like an AU than your usual VF. This is a one year, one signature type.
VF (1,500-3,000)

GEM BISON

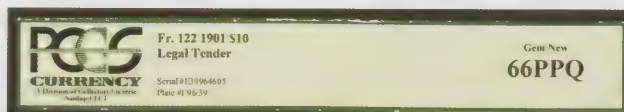

- 195 Fr. 114 \$10 1901 Just a monster looking Bison note. The red of the serial numbers, seal and sawbuck just float off the paper with rich intensity. Set against blinding white paper the majestic Bison comes to life as he stares you down, ready to charge. A Gem note that will totally satisfy.
PCGS Gem New 65 (12,000-15,000)

- 196 Fr. 121 \$10 1901 Extraordinary look to this Bison, with vibrant colors and deep, punch-through embossing. A magnificent type note that surely won't disappoint for the grade.
CGC Ch. UNC 64 PQ (6,500-8,500)

GEM NEW 66 PPQ

- 197 Fr. 122 \$10 1901 Amazingly enough there appears to be a very large quantity of notes known with this scarce combination, even though so many reported have been lower grade. Outstanding is a safe way to describe the quality and beauty of this highly graded Buffalo. The opportunity to find higher grade examples will be few and far between.
PCGS Gem New 66 PPQ (16,500-20,000)

CH. UNC 64 EPQ

- 198 Fr. 126b \$20 1863 The first set of designs chosen for the Legal Tender Series are, to me, some of the very best that were ever designed. The colors rise strikingly from the background with brilliance and contrast, but the lines are clean and precise. This early Legal Tender \$20 completely evokes the spirit of American currency in all its splendor. This note has all of the qualifications necessary for a "64" or even better. Truly a dynamic note.
PMG Ch. UNC 64 EPQ (25,000-35,000)

- 199 **Fr. 126b \$20 1863** An affordable example of an expensive type. The note is evenly circulated and is without any heavy folds to interrupt the design. There are a few minor faults such as scattered pinholes that are totally consistent with the grade.
VG/Fine (1,750-3,500)

- 202 **Fr. 137 \$20 1880** There is always demand for this type with the large red seal with spikes. Only 84 notes are known from this Fr. 137, much fewer than the Fr. 136, whose numbers continue to grow.
PCGS Fine 15 (600-900)

- 200 **Fr. 135 \$20 1880** An exquisite note with deep rich color and a look we all want to see. The margin at the bottom is a little tight, keeping it out of a much better grade holder, but only three have made the higher grade.
PMG Ch. UNC 64 (5,000-8,000)

- 203 **Fr. 141 \$20 1880** Good margins and natural surfaces are evident, as well as bold, underlying colors. The census lists 124 pieces, with the grade of this note about in the middle.
PCGS VF 25 (700-900)

- 201 **Fr. 136 \$20 1880** The beauty of this note is unprecedented. A profile of Hamilton facing the advancing Victory with shield and sword embellished by the spiked large red seal truly makes it special. With "Premium Paper Quality" this note will certainly enhance whatever collection ends up with it.
PCGS Gem New 65 PPQ (6,000-9,000)

- 204 **Fr. 147 \$20 1880** A decent example of this \$20 type.
PCGS VF 25 (750-1,000)

- 205 **Fr. 147 \$20 1880** Loaded with pinholes from being pinned to something, on both the right and left.

EXCEPTIONAL \$50 RAINBOW

- 206 Fr. 151 \$50 1869 I am always excited when I have the opportunity to catalog and sell a Rainbow \$50 from 1869. There is now a total of 62 examples of this elusive type, but more that two-thirds are lower grade than this example. The note looks more XF than a VF 25 APPARENT because of an absolutely miniscule corrected flaw in the top margin. The centering is excellent and the paper quality looks very nice for the grade. A PMG 25 realized \$40,250 in April and a PCGS 30 brought \$57,500 in January.
PCGS Apparent VF 25 Net (40,000-50,000)

FR. 161 \$50 1880

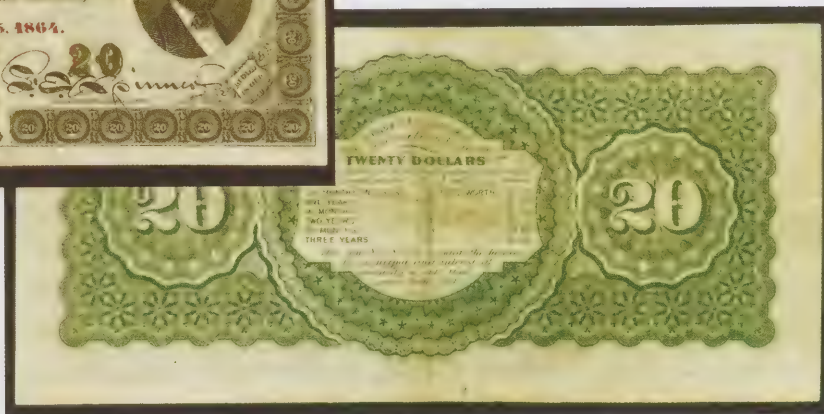

- 207 Fr. 161 \$50 1880 A popular type with the large brown seal that has excellent centering and blazing color, but PMG calls an area on the upper right corner a restoration. To me it appears to be a heavily handled corner that has been flattened, but I didn't see this note out of the holder. I can see bold, vivid color, broad margins and a great overall appearance. An AU wouldn't be much, if any, less expensive.
PMG Ch. UNC 64 (20,000-30,000)

FR. 164 \$50 1880

- 208 **Fr. 164 \$50 1880** Extraordinary eye appeal puts this notable type note ahead of even some Choice CU examples I have seen. With the portrait of one of our greatest statesmen along with Miss Liberty dressed as Columbia, it has to be one of my favorite designs. With less than 200 examples in the census, only a handful grade higher.
PMG AU 55 (12,500-17,500)

**COMPOUND INTEREST TREASURY NOTES**

- 209 **Fr. 190b \$10 August 15, 1864** There are not many opportunities to acquire reasonably clean examples of this rare type, with lots of obvious flaws. As is normally the case, the gold overprint is flaking and probably needs to be de-acidified, but it looks good and will make a fine example for a collector building a Fine type set.
Fine (3,500-5,000)

CAPTIVATING \$20 COMPOUND INTEREST NOTE

- 210 **Fr. 191a \$20 December 15, 1864** Here is a very scarce type that has only 53 notes reported, many of which, if not most, have had or need some restoration. About three years ago I sold what is shown as a "30" for \$26,450, and about a year ago another "30" brought \$27,600. This note has not been certified, but I would project "25 - 30" since there has been some professional restoration in the overprint. This is an important example from the beginning of our currency and the trials of the Civil War.
VF (25,000-35,000)

SILVER CERTIFICATES

- 211 Fr. 215 \$1 1886 This ravishing Martha is rich in color and embossing and truly makes the grade. Nice Marthas have been difficult to locate as of late, and this old gal even received the often elusive "PPQ" designation.
PCGS Very Ch. New 64 PPQ (3,000-4,000)

RARELY OFFERED TWO-DIGIT EDUCATIONAL

- 223 Fr. 224 \$1 1896 #36 Here is a \$1 Educational that is a cut above the rest. In addition to the well earned grade of "66 PPQ", the low serial number 36 will make your set special. Double-digit numbers in the Educational Series are rarely offered anymore, especially those in the top CU grades. Only two two-digit CU examples of the \$1 Educational have turned up in auction so far this decade. One of those, with serial #98, sold for \$4,100 in 2004, \$6,300 in 2006 and then nearly \$9,800 in 2007. This lower number, in higher grade and in a better market for special notes should do much better.
PCGS Gem New 66 PPQ (10,000-15,000)

- 224 Fr. 224 \$1 1896 Here is a note that looks like a Ch. CU, but would probably not make the cut considering the CU standards employed by today's grading services. As a matter of fact, this note was purchased as a Gem CU from the 2007 Memphis sale, so you know it must look pretty good. If you want a note that looks fabulous, but has been around the block a few more times than it claims, then this note is for you. Certainly the best AU you will ever see.
AU/CU (3,000-4,500)

- 225 Fr. 224 \$1 1896 A very nice \$1 Educational that has great color and two heavy folds that show some dirt.
XF (1,100-1,400)

- 226 Fr. 224 \$1 1896 A well used \$1 Educational. The VG bid is \$280, but this is not really a VG as it has flaws.
Good (80-160)

- 227 Fr. 225 \$1 1896 Rich, deep color on a \$1 Educational that faces up nicely, even with an evident centerfold.
PMG XF 40 EPQ (1,400-1,800)

- 228 Fr. 225 \$1 1896 An evenly-circulated, well-used \$1 Educational.

#1 - #100,000,000 PROGRESSIVE SET

FABULOUS SERIAL #1 EAGLE

- 229 Fr. 233 \$1 1899 #U1U Here is a fabulous serial #1 Eagle. The margins are near perfect and the sharp colors incredible. It is nice to have the double letters on either side of the U1U serial number, as that provides a kind of symmetry that appeals to me. There is always more demand for these #1 notes than there are notes available.
PCGS Gem New 65 (30,000-50,000)

- 230 Fr. 232 \$1 1899 #R10R This double-digit serial numbered Eagle could not be fresher. Much more significant than all the other two-digit numbers because of its place in the first progression set.
PCGS Gem New 66 PPQ (3,000-5,000)

- 231 Fr. 232 \$1 1899 #R100R Exceptional embossing and far less handling than one might expect to see on a note from the back of the pack. The R100R number just looks better.
PCGS Very Ch. New 64 PPQ (1,500-3,000)

- 232 Fr. 235 \$1 1899 #M1000A The fourth note in the set is this #M1000A. Full margins and great embossing.
PCGS Gem New 65 PPQ (2,500-5,000)

#1 - #100,000,000 PROGRESSIVE SET

- 233 Fr. 233 \$1 1899 #B100000A The middle numbers like this B10000A are truly hard to locate. Collectors usually saved the first couple of packs and maybe even searched the first 1,000 notes for the special numbers, but it took real access to find this note and the ones that followed. Gem, but for the lower margin.
PCGS Ch. New 63 PPQ (2,500-5,000)

- 234 Fr. 233 \$1 1899 #B100000A Another very fresh Eagle with the characteristic tight margin. However, that matters far less on the special numbers like this B100000A.
PCGS Ch. New 63 PPQ (2,500-5,000)

- 235 Fr. 233 \$1 1899 #B1000000A The one million number is tougher to find than some of the others. Super quality on this one. Too bad the suffix letter is not a "c", then the note would be a 1,000,000 BC note.
PCGS Gem New 66 PPQ (3,000-5,000)

- 236 Fr. 233 \$1 1899 #V10000000V The last note of the progressive set before you come to the rare 100,000,000 note. A single center fold takes this note out of the CU class, even though it looks uncirculated. A difficult number to obtain.
PCGS Ch. Abt. New 58 PPQ (2,500-5,000)

RARE NINE-DIGIT NUMBER

- 237 Fr. 230 \$1 1899 #Z100000000 A faint center fold is the main reason this Eagle received an AU grade. Take that away, and the minor corner handling, and you have a note with attributes that would meet the qualifications of Gem. There are only 21 notes in all large size that carry this intensely popular one-hundred-million serial number. Some would say it's even more significant than a #1.
PMG Abt. UNC 55 EPQ (17,500-25,000)

- 238 Fr. 226 \$1 1899 The stark white paper provides a good contrast for the blue overprint on this crisp \$1 Eagle. Great embossing and centering.
PCGS Ch. New 63 PPQ (500-800)

UNCUT SHEET OF BLACK EAGLES

- 239 Fr. 226a \$1 1899 Uncut Sheet Original uncut sheet of Black Eagles with full selvage all around. Uncut sheets represent the utmost challenge in locating, in fact, if more were available they would be more heavily promoted and likely cost more. Presumably, Black Eagle sheets were only available to dignitaries, as they long predate the sales of uncut sheets by the Treasury Department to the public. This particular sheet has a terrific overall appearance, despite some restoration along the vertical center fold and left quarter fold. It was executed with professional skill. As such, this handsome sheet would look spectacular if it were mounted and framed. A couple of XF sheets have sold in the \$30,000 range, so this might prove to be both attractive and attractively priced.
VF, repair (12,500-25,000)

- 240 Fr. 228 \$1 1899 Great for display as the folds are well hidden and the centering is good.
XF (300-500)

- 241 Fr. 228 \$1 1899 An evenly circulated Black Eagle and a check for 16¢ from the Treasurer of the U.S., 1950. Two piece lot.
VF (125-225)

GEM FR. 229A

- 242 Fr. 229a \$1 1899 The Fr. 229a has been a very elusive variety. Circulated examples have been popping up lately, but offerings of Gem examples have remained sparse. This piece exudes originality and shows near perfect front centering. It is the low centered back that is preventing a "66" or "67" grade. PMG Gem UNC 65 EPQ (17,500-25,000)

RARE FR. 229A

- 243 Fr. 229a \$1 1899 A wonderful example of the scarce and desirable Fr. 229a variety with the series date at the right of the seal. One of a scant three in this grade. Those notes exhibit exceptional paper quality, embossing and color. PMG Ch. UNC 64 EPQ (16,000-20,000)

- 244 Fr. 229a \$1 1899 A decent appearing Fr. 229a that has heavy fold lines that could split.

SOLID SERIAL #A66666666A

- 245 Fr. 230 \$1 1899 #A66666666A This is a gorgeous note that is much prettier than the grade would indicate with complete originality and excellent centering. Naturally the real deal on this note is the serial #A66666666A which is one of an elite group of solid serial number Black Eagles. We have reconsidered the estimate and reduced it to better reflect today's value, and we certainly expect a bid in this range to be successful.
PCGS XF 45 PPQ (8,000-14,000)

- 246 Fr. 230 \$1 1899 This Black Eagle appears ready to take flight off of the paper. With a broader top margin, this would rate superb. Lovely in every respect.

- 251 Fr. 235★ \$1 1899 A lovely star with a single center fold. XF (1,250-1,750)

- 248 Fr. 233 \$1 1899 #Z5Z A top quality Black Eagle that has its beauty and rarity increased by virtue of the single-digit serial #Z5Z. As collectors, we are very fortunate that someone with lots of connections was interested enough to save so many notes with interesting serial numbers. Being a single-digit in "65 PPQ" this becomes one of the most interesting examples possible. PCGS Gem New 65 PPQ (4,000-6,000)

- 252 Fr. 235★ \$1 1899 A lovely Black Eagle star that has three faint folds, but excellent color and a fresh, unmolested look. Where could 152 stars come from for these signatures? XF (1,000-2,000)

- 249 Fr. 233 \$1 1899 #U7000007U Overpowering look from this 1899 Black Eagle in both quality and intensity that jumps out of the note, from the serial numbers and condition. Fancy numbers are always popular, but this combination I find mesmerizing. PCGS Gem New 65 PPQ (2,500-3,500)

- 253 Fr. 237 \$1 1923 #A89D Almost overwhelming to the eyes in color and centering is this low serial number \$1 Silver Certificate which has once again come to bear after a decade and a half of absence. PCGS Gem New 66 PPQ (1,250-2,500)

PMG Graded (900-1,500)

- 260 Fr. 238 \$1 1923 Cut Sheet Attractive cut sheet of 1923 \$1s. These are scarcer than the Fr. 237. This four piece lot has been graded Ch. UNC 64 EPQ (3) and Ch. UNC 63 EPQ (1) by PMG.
PMG Graded (800-1,200)

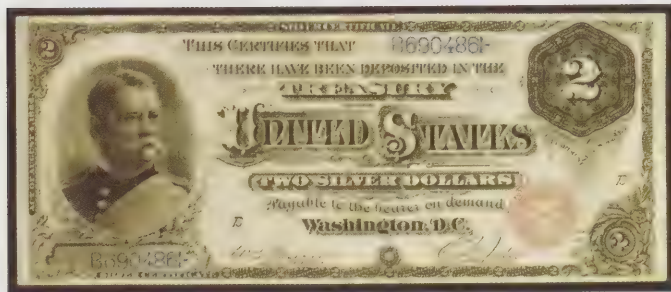

- 261 Fr. 239 \$1 1923 This is a really special Fr. 239 that could have easily achieved a higher numerical grade. Since its the key signature combination it would have dramatically increased the value.

MAGNIFICENT \$2 EDUCATIONAL

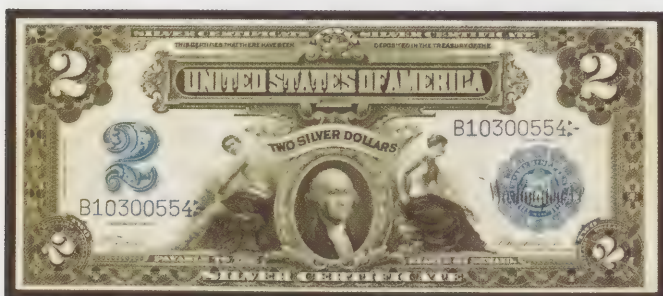

- 266 Fr. 247 \$2 1896 #271 This splendid \$2 Educational has the grade that few notes of this type can claim. When the three-digit serial number is thrown into the mix, we get a note that will surely be at the top of many a "must-have" list.

AUTOGRAPHED BY MORGAN**

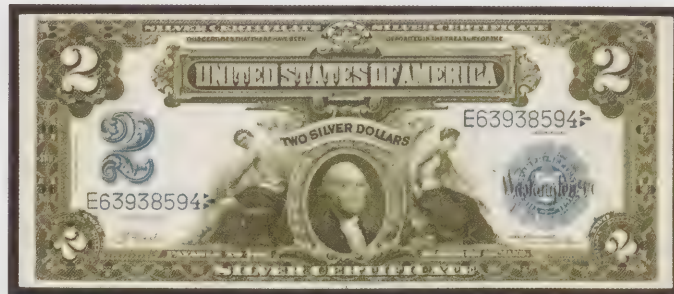

- 267 Fr. 247 \$2 1896 **Courtesy Autograph** A rare opportunity to acquire a lovely and important \$2 Educational that has been graded Gem UNC 65 EPQ by PMG. This note also has the very low serial #108. Just to top it off, this note has been autographed by "D.N. Morgan, Treasurer of the U.S. 1896" across the face, but not so boldly as to distract. The \$2 Educational have been more elusive than either the \$1 or \$5 during recent times. This note will highlight most collections.

ONE OF FINEST KNOWN

- 281 Fr. 274 \$5 1899 Simply stunning Chief note. I can't find a fault with this exceptional example. One of a handful of finest known with none higher for this Friedberg number.

A LOW NUMBER GEM

- 282 Fr. 275 \$5 1899 #K12 This lovely Chief would be desirable even with a regular serial number, but with the number K12, it becomes very special indeed. The note has incredible embossing and outstanding margins befitting the assigned grade. Few low numbers exist on this type and they are offered infrequently. The census information collectors have available to them today really highlights the rarity of the fancy numbers. It becomes clear very quickly that only a few fortunate collectors can hope to have a note like this Chief in their collection.
PCGS Gem New 65 PPQ (11,000-16,000)

GEM LARGE BROWN SEAL

- 303 Fr. 359 \$5 1890 General Thomas would be thrilled with the appearance of his portrait on this note over 100 years after its issue. These are truly rare with the large brown seal and a grade of Gem New 65. Few collectors will ever have an opportunity to own such a lovely example. The ink and colors are bold and the centering is outstanding, but it does not have a PPQ rating. It's a wonderful note.

CH. NEW 64 PPQ

- 305 Fr. 361 \$5 1890 Featuring General Thomas, "the rock of Chicamanga", overlooking vivid color and embossing and covered with an ornate rear flank. This note wins the battle in what we look for in a great looking note. With a little wider top margin this note would, no doubt, be graded higher.
PCGS Very Ch. New 64 PPQ (12,000-16,000)

- 306 Fr. 366 \$10 1890 Solid for the grade and sure to be a sought-after lot. Perfect for that circulated type set.

- 307 Fr. 372 \$20 1890 This has always been a rare type and certainly still is. The Marshall note, with the large brown seal, in medium grade is both difficult to find and in demand. There are 61 recorded but I didn't have any luck finding this serial number in the census. This note is quite nicely centered but is not original, yet it has a great look.

- 344 Fr. 790 \$5 1918 Atlanta This note fully has the appearance of a Gem UNC. The centering is great, the color and appearance fabulous and with an eye-catching serial number. The usual reasons for the AU designation are not easily apparent. Overall a neat note.
PCGS Ch. Abt. New 58 (4,000-6,000)

- 347 Fr. 794 \$5 1918 Chicago Wow...what a great look this Chicago \$5 has. This is one of only four notes listed in this grade. There are 180 notes reported with many UNC's, but this should be an excellent value.
PCGS Ch. Abt. New 55 (1,200-1,600)

- 345 Fr. 790 \$5 1918 Atlanta There are 64 of these \$5 Atlanta notes known, but only two have this grade. This note looks UNC on the face.
PCGS XF 45 (800-1,200)

- 348 Fr. 796 \$5 1918 St. Louis Great centering and the appearance of a much higher grade note will no doubt make this very attractive St. Louis note in demand. There are 91 notes reported.
PCGS XF 45 (800-1,200)

- 346 Fr. 793 \$5 1915 Chicago As a major type, the \$5 FRBN is scarcer than many give it credit for being. This signature combination is much better than the available Fr. 794, with only 35 pieces known. Few are nicer than this near CU example.
PCGS Ch. Abt. New 55 (1,500-2,500)

- 349 Fr. 799 \$5 1918 Minneapolis A very high-grade, top-quality note from the 63 notes reported. There just hasn't been many offerings of notes any where near this quality. Watch this beauty.
PCGS XF 45 (1,500-2,500)

FIVE NOTES REPORTED

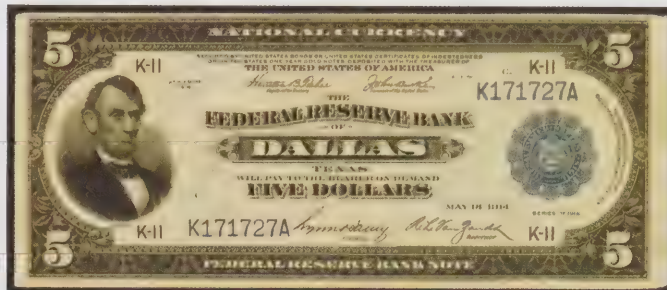

- 350 Fr. 802 \$5 1915 Kansas City Records show a total of only five notes reported with this signature combination. Other than this note, only one example has been seen since 1991. In April, another PMG 25 realized \$7,475. One should expect similar results here.
PMG VF 25 Net (6,000-9,000)

- 351 Fr. 805 \$5 1915 Dallas A sharp, evenly circulated, rare Dallas FRBN that is one of 19 notes reported, but only six different notes have been publicly offered in 20 years. The census indicates just three that are similar in grade to this note.
PMG VF 20 (2,500-3,500)

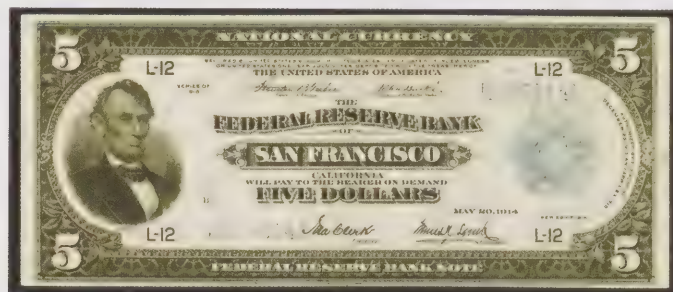

- 352 Fr. 806 \$5 1915 Dallas Dallas \$5s are few and far between with only 14 notes reported, and only five different notes offered in the last 20 years. We sold this note five years ago for \$1,955, and two higher grade VF 35s brought over \$6,000 each in 2007 and 2008.
PCGS VF 20 (3,250-4,500)

- 353 Fr. 807 \$5 1918 Dallas There are 26 notes reported but only 10 offerings in the last 20 years, a testament to the rarity of this series. A quality, evenly-circulated example with excellent colors and body.
PCGS VF 20 (1,000-2,000)

- 354 Fr. 808 \$5 1915 San Francisco To date, there are 32 notes reported, and only a dozen or so have sold publicly in the last 20 years. The last note sold was a better XF 40 at \$2,500.
PMG VF 30 (1,250-2,500)

- 355 Fr. 809 \$5 1918 San Francisco The census shows 17 notes reported, but only four different offerings in 20 years. This issue appears very small and rare. Unfortunately, this note has a bit of a faded seal. It realized \$2,350 in 2004.

356 Fr. 809a \$5 1918 San Francisco

This San Francisco \$5 has a great look for the grade, especially the centering. Only seven public sales in the last 20 years, with only two better than this note. The first offering in five years was another VF 30 PMG that realized \$5,400 + in April. That result was very strong and I expect less for this note. Only 18 notes are reported.

PMG VF 30

(3,000-6,000)

EXCEPTIONAL SERIAL #7

357 Fr. 810 \$10 1918 New York We have had the distinct pleasure of offering this incredibly special note once before in 2004. It has returned for what should be a sold out repeat performance. The note is already scarce with 26 known examples but to obtain a single-digit serial number on a \$10 FRBN is truly special. Earlier this year the serial #2 realized \$51,750 in a heated battle for greatness. I would expect interest should run high on this note as well.

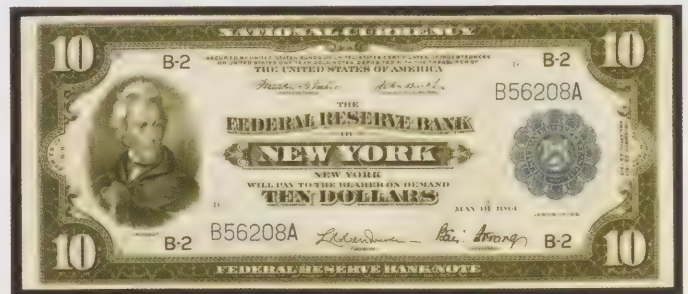

PMG Gem UNC 65 EPQ

(30,000-50,000)

358 Fr. 810 \$10 1918 New York I might have made a general statement thinking this was much more common than it is as there are 26 notes reported, with only three in the XF range. This note brought more than \$4,880 in 2006. This was the last note this grade to be offered.

PMG XF 40

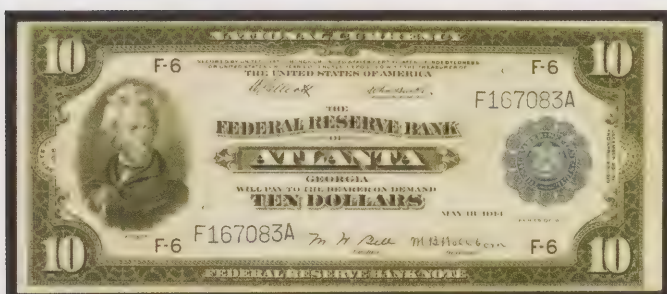

(6,000-9,000)

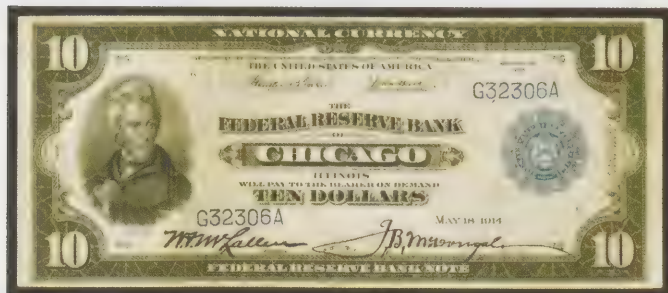

359 Fr. 812 \$10 1918 Atlanta There are 32 notes reported from this Atlanta signature combination. The only note better than XF is a serial #1. This is a problem-free circ note and a lovely example for the district.

PCGS VF 30

(4,500-6,500)

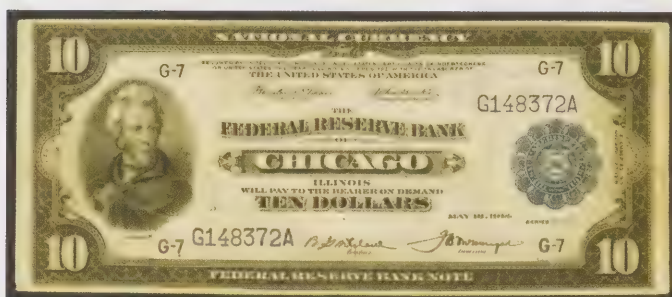

- 360 Fr. 813 \$10 1915 Chicago A very nice, medium grade Chicago \$10 that is in about the top 35% of the 48 reported notes. Evenly circulated for the grade, and only one is better, yet it's still VF and sold in the last seven years. An amazing statistic.
PMG VF 25 (3,500-5,000)

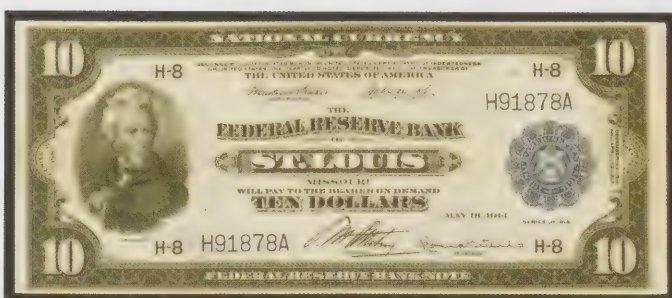

- 363 Fr. 816 \$10 1915 Kansas City There are 33 non-star notes but only eight are higher grade than this note, and only four have been offered since 2000. This note is just a little tight along the bottom.
PCGS VF 20 (2,500-4,000)

- 361 Fr. 814 \$10 1918 Chicago In the last 20 years there have only been three better examples offered publicly. With only 29 notes reported this is really scarcer than the records indicate. Very nice and evenly circulated with excellent centering.
PMG VF 25 (2,500-4,500)

- 364 Fr. 817 \$10 1915 Kansas City If you need a \$10 FRBN there will rarely ever be a better time to acquire one. This example has handling but is an original note with excellent centering.
PCGS New 62 PPQ (8,000-10,000)

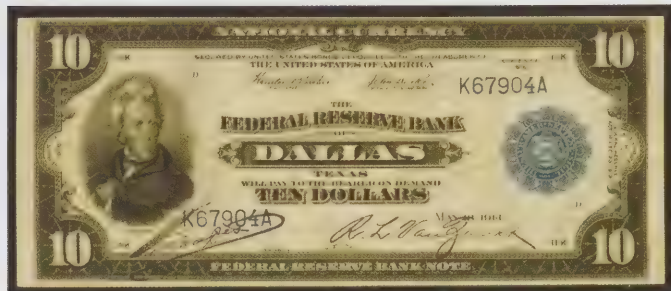

- 362 Fr. 815 \$10 1918 St. Louis Lovely quality is evident on this \$10 St. Louis FRBN. The census shows 31 notes reported. It appears that one-third are somewhat higher grades, but only one note appears to be UNC.
PCGS VF 30 (6,000-9,000)

- 365 Fr. 817 \$10 1915 Kansas City This is a really pretty, well-centered, gorgeous Kansas City \$10 FRBN with printed signatures of the acting secretary and cashier. There is a tiny corner tip fold that is totally in the margin. No doubt it would be a "65" without the tip fold.
PCGS New 62 PPQ (7,000-9,000)

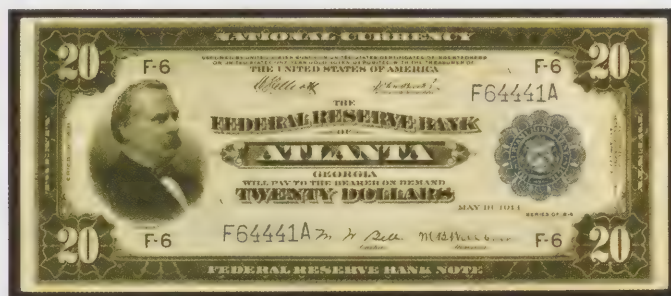

- 366 Fr. 817 \$10 1915 Kansas City It seems to me there are more than two varieties to be considered. The signatures on this note are printed and it's problem free, a Fine 12 would be my guess. I found a couple of sales within the estimate range. This is a tough type with just 68 known.
Fine (2,000-3,000)

- 367 Fr. 819 \$10 1915 Dallas This is a lovely note that has been graded 40 PPQ and is one of 45 notes reported. There have been several similar grade notes sold in the last few years. Last year a "40" brought \$8,600.
PCGS XF 40 PPQ (7,000-10,000)

- 368 Fr. 823 \$10 1918 Atlanta We never have had enough \$20 FRBNs to satisfy the demand and finding one with quality like this is a great opportunity. There are 40 serial numbers reported, but only eight notes are apparently better. I love the overall quality of this note. A similar grade note brought \$10,900 in April.
PCGS XF 40 (8,000-12,000)

IMPORTANT 64 PPQ FR. 824 \$20 1915 FRBN

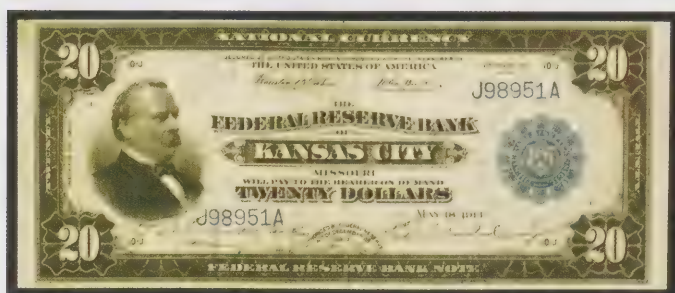

- 369 Fr. 824 \$20 1915 Chicago Except for three or four uncirculated specimens scattered across the other districts, the Chicago district is the only regular source for high-end \$20 FRBNs. This lovely note has been graded by PCGS as a "64 PPQ" yet has full and even margins on both sides. The last real auction offering of a CU was in 2006, so the market is primed for this exceptional note. Thirty-two notes are recorded, with about half from this CU run.
PCGS Very Ch. New 64 PPQ (15,000-25,000)

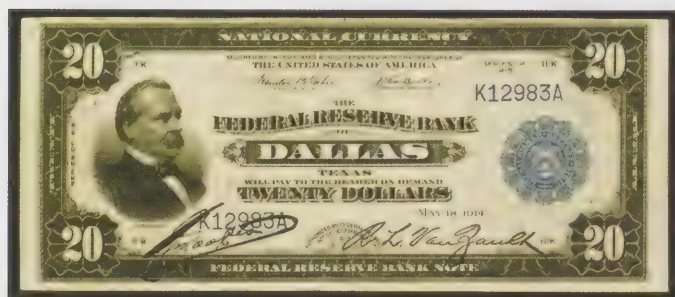

- 370 Fr. 825 \$20 1918 St. Louis This was the Tom Flynn example of this rare signature combination. There are 22 notes reported and it has been a couple of years since any better notes have appeared.
PMG Fine 12 (6,000-9,000)

- 371 Fr. 826 \$20 1915 Kansas City This must be one of the most conservatively graded VF 25s I have seen. It has great color and excellent centering. If you need this signature combination you will be pleased with this note. Only seven may be nicer than this lovely example.
PMG VF 25 (6,500-10,000)

- 372 Fr. 827 \$20 1915 Kansas City A nice quality, well-centered example that is one of 30 notes reported, and only eight examples appear to be better. There have been several high prices recently, with a PMG 45 bringing \$27,600 last year.
PMG VF 20 (6,500-9,000)

- 373 Fr. 828 \$20 1915 Dallas A rare and very attractive example with 29 notes reported, and of those about 25% are equal or better than this note. This type is rare and elusive and seldom available these days. A note that has excellent paper quality and great color.

FEDERAL RESERVE NOTES

SECOND FINEST

- 374 Fr. 832b \$5 1914RS Boston A dazzling Boston Red Seal that has a fire engine red overprint and "Exceptional Paper Quality". Some UNC's don't look this pretty. The second finest of 48 reported.
PMG Ch. Abt. UNC 58 EPQ (3,500-7,000)

- 375 Fr. 833b \$5 1914RS New York Just the ticket if you need an uncirculated \$5 Red Seal for your type set. Strong ink tones and excellent contrast.
PMG Ch. UNC 64 EPQ (3,500-7,000)

- 376 Fr. 833b \$5 1914RS New York An evenly circulated Red Seal with good color.
VG/Fine (200-400)

- 377 Fr. 834b \$5 1914RS Philadelphia I'm sure this note sold several times before as an UNC, but with today's stricter standards it only makes AU 58. Still in the top 10 of the 84 known specimens.
PMG Ch. Abt. UNC 58 (1,500-3,000)

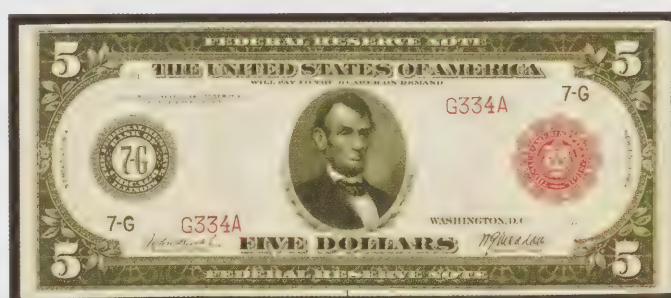

- 378 Fr. 835b \$5 1914RS Cleveland Autograph
This high-end VF is autographed by William G. McAadoo.
Rather scarce on a Red Seal.
PMG Ch. VF 35 (750-1,250)

- 381 Fr. 837b \$5 1914RS Atlanta The color is utterly
amazing on this note, without any fading or aging of the
paper. The count now stands at 43 pieces, of which only 25%
are better. You will like this one.
PMG XF 40 (1,500-3,000)

- 379 Fr. 836b \$5 1914RS Richmond The red overprint
on this Fed is nice and vivid, just the way you want it. Of
the 25 Red Seals reported, this one is near the top, with four
notes better and one ungraded.
PMG VF 25 (900-1,500)

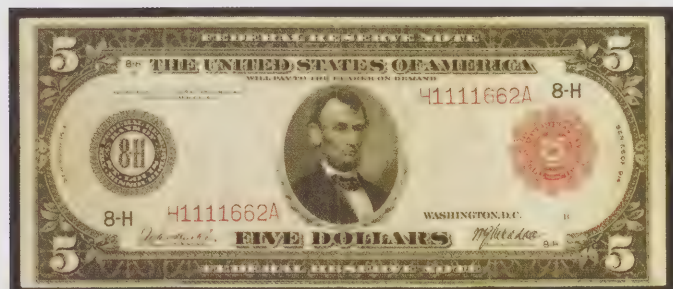

- 382 Fr. 838a \$5 1914RS Chicago #G334A
A fabulous serial number with the condition to back it up.
This is the more difficult "a" type for Chicago with 65
examples recorded. This premium number has been off the
market for over five years, and the next owner will likely
not let go of it easily either.
PMG Ch. UNC 64 (4,000-8,000)

- 380 Fr. 837a \$5 1914RS Atlanta As I look at
this splendid Red Seal, I wonder why it doesn't grade higher.
It takes a sharp eye to find the faint center bend. With an
especially alluring serial number as well. One of only 25
pieces, of which five have graded higher.
PCGS Ch. Abt. New 58 (3,000-6,000)

- 383 Fr. 838b \$5 1914RS Chicago Quality at this
level is hard to come by, but that is especially true for this
series. This note appears to have met the Gem standards by
every metric. One could not ask for a more beautiful type note.
PMG Gem UNC 66 EPQ (5,000-10,000)

- 384 Fr. 839b \$5 1914RS St. Louis This is the
more common of the two St. Louis types, with 57 reported
examples. The note is pleasing for the grade and is without
problems.
PMG VF 20 (500-750)

- 385 Fr. 839b \$5 1914RS St. Louis There are only 40 serial numbers reported.
VG (250-500)

- 386 Fr. 840a \$5 1914RS Minneapolis Minneapolis \$5 Red Seals are scarce, and this type "a" is the more difficult. The red overprint is intense and the note is well centered. All in all, it is an attractive circ that you will never need to upgrade.
PMG XF 40 (1,750-3,500)

- 390 Fr. 855b \$5 1914BS Philadelphia High grade "b" variety with average centering and handling. One of 74 reported.
PCGS Ch. New 63 PPQ (550-750)

- 387 Fr. 841a \$5 1914RS Kansas City Substantially nicer than the XF 40 EPQ that brought \$2,700 + in our Memphis sale. There are now 35 of this type "a" reported, and only three are reported to be in a higher grade.
PMG Abt. UNC 50 (2,500-5,000)

- 391 Fr. 871c \$5 1914BS Chicago A high grade "c" variety with great centering and an impressive look.
PCGS Very Ch. New 64 (500-750)

- 392 Fr. 883a \$5 1914BS Kansas City A diagonal crease at the left is not easily seen.
AU/CU (150-250)

- 388 Fr. 841b \$5 1914RS Kansas City This is the second finest known from the 25 notes reported, and the best one has yet to be seen by Track & Price. So unless you want to wait for an uncertain appearance, this very conservatively graded VF will do nicely. There is a margin tear at the top, as noted by PMG.
PMG Ch. VF 35 Net (1,750-3,500)

- 393 Fr. 883a★ \$5 1914BS Kansas City Only 14 stars have been seen on this Kansas City district.
Fine (500-750)

- 389 Fr. 847a \$5 1914BS Boston A fine looking Abe with an apparent center fold.
PCGS Abt. New 50 PPQ (350-450)

- 394 **Fr. 892a \$10 1914RS Boston** This is the fourth best example out of the 25 pieces known. However, it is so stunning a note, that the last time it was auctioned, in 1995, it was sold as a Gem. It may miss that mark today, but it is still just as pretty. It is certainly the finest offered in the last seven years.
PMG Abt. UNC 55 (4,000-8,000)

- 397 **Fr. 899a \$10 1914RS St. Louis** A bold red seal highlights this scarce Fed with 43 known examples.
PMG VF 25 (750-1,500)

- 395 **Fr. 894b \$10 1914RS Philadelphia** This is the more common "b" type on Philadelphia with 51 specimens currently accounted for. This charming example could even pass for the next higher grade.
PMG Ch. VF 35 EPQ (1,500-3,000)

- 398 **Fr. 900b \$10 1914RS Minneapolis** The rarest of the two Minneapolis types with 17 notes recorded. While there are two UNC's, no other is better than VF. The red seal and numbers have not changed color from the day this note was printed.
PMG VF 25 (1,100-2,200)

- 396 **Fr. 897a \$10 1914RS Atlanta** This elusive Red Seal is one of only 21 specimens to surface on this type, with this being a new find. It elbows right into third place with two CU notes in front. The nicest note you can buy without paying a huge premium for one of the CUs, should they ever appear.
PMG Abt. UNC 53 (4,000-8,000)

- 399 **Fr. 913 \$10 1914BS Philadelphia** A mere 55 serial numbers reported, and this is a decent example.
PCGS VF 30 PPQ (250-350)

- 400 **Fr. 915c \$10 1914BS Philadelphia** There are 81 serial numbers reported on this "c" variety.

CGA VF 35 (125-250)

- 402 **Fr. 940 \$10 1914BS Kansas City** Great originality on this \$10 Fed and only a small fraction are UNC.

- 403 Fr. 953a \$20 1914RS New York An evenly circulated and well-used Red Seal from New York.
Fine (600-900)

- 406 Fr. 959a \$20 1914RS St. Louis An average looking Red Seal with 34 pieces in the census. The overprint is slightly off-color in places.
PMG VF 20 (600-1,200)

- 404 Fr. 954b \$20 1914RS Philadelphia As a type, the \$20 Red Seals are much tougher than the \$5s or \$10s. Dealers rarely have more than one piece in stock at any given time. Speaking of dealer stock, this classy "c" district would make a good choice. The colors are sharp and the surface is clean. On the scarce side too, with 16 known.
PMG VF 25 (3,000-5,000)

- 407 Fr. 961b \$20 1914RS Kansas City An exceedingly rare Red Seal since just four notes are enumerated in the census. Lucky for us, this is the best one of those four. A couple of inferior notes sold four and five years ago with the most recent bringing \$4,370 in January 2004. What this finest known brings today after such a long dry spell is hard to say. I can say the next owner will be happy with this problem-free note.
PMG VF 25 (5,000-10,000)

- 405 Fr. 954b \$20 1914BS Philadelphia A rare Red Seal \$20, equally as scarce as the Fr. 954a with only 16 reported.
PCGS Fine 15 PPQ (850-1,250)

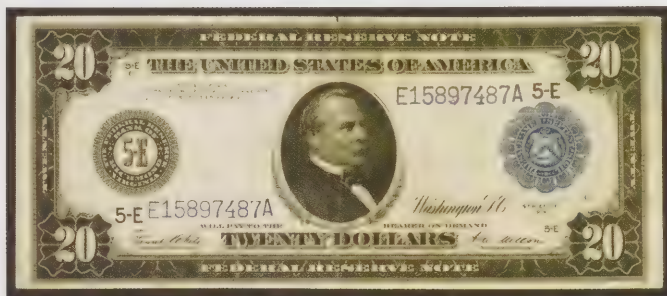

- 408 Fr. 962a \$20 1914RS K Dallas Only one type was issued for the \$20 Dallas district. There are 23 type "a" notes recorded and there is good competition for each one when it is offered. This new discovery increases that count to 24. The note exhibits a strong, unfaded red overprint but also shows a few light pink stains of marginal concern. Very much like the VF 20 that brought \$3,700 + this September.

- 410 Fr. 983a \$20 1914BS Richmond A great looking circ \$50 with excellent color.

- 411 Fr. 990 \$20 1914BS Chicago Don't let the availability of the signature combination fool you, of the 234 notes reported the vast majority are lower grade.
PCGS Ch. Abt. New 55 (650-900)

- 412 Fr. 998 \$20 1914BS Minneapolis A high-grade note that is close to XF. One of 139 notes reported. Previously from the Rickey Collection.
VF 35 (300-400)

- 413 Fr. 1013b \$50 1914RS New York An even dozen of these are reported, with this note falling in the middle of the grade range. The note is reasonably clean, but the margins are a bit trimmed. Still, it is pretty enough to bring a strong price. Nothing has been offered publicly since 2003 except for one note that appeared briefly on eBay and disappeared without listing a selling price.

\$50 "A" VARIETY

- 414 Fr. 1014a \$50 1914RS Philadelphia There are 13 notes known on this type "a" variety, but all but four of them are CU, most from a narrow range of examples numbered C182A through C190A. If any of those notes were to appear, the cost would be prohibitive. This note combines two nice features, a nice three-digit number and affordability. In April 2008 a PMG 20 sold for \$16,100, so I'd look for this example to come in somewhat less.
PCGS Fine 15 (12,500-25,000)

- 415 Fr. 1016b \$50 1914RS Richmond Of the 16 type "b" Red Seals on Richmond, none grade higher than VF 30. This example is somewhat more circulated than that, but exhibits a good red overprint. To be accurate we must mention a couple of margin tears, but they should not drastically influence the value of this scarce Red Seal.
PCGS Fine 12 (5,500-11,000)

- 416 Fr. 1017 \$50 1914RS Atlanta There are 11 total pieces known from this Atlanta district. Only one of these is better than Fine and two pieces are listed without grades. A PMG Fine 15 recently brought \$32,200 at auction, and while I don't expect this example to reach that high, it is an important note, nonetheless. No type "b" \$50 Red Seals were issued by Atlanta.
PCGS Fine 12 (7,500-15,000)

- 417 **Fr. 1018b \$50 1914RS Chicago** Although evenly circulated and wrinkled, the red seal and serial numbers show strongly. A tiny margin split is noticed at the top. Eleven notes in the census.
PMG Fine 12 (4,000-8,000)

- 420 **Fr. 1022a \$50 1914RS Dallas** Only a single type was issued for Dallas in the \$50 Red Seals. There are 18 notes available to collectors, and considering the demand for the district, every note is needed. This example was not heavily used, but apparently got wet. The seal and serial numbers have faded and the red fibers have bled. There is also a small tear and hole at the top right.
PMG VG 10 Net (2,000-4,000)

- 418 **Fr. 1019a \$50 1914RS St. Louis** Marginally uneven soiling and wear is observed on this note with 10 other examples known. The grade of this note falls right in the middle. An excellent opportunity to obtain this rare type for not a lot of money.
PMG Fine 12 (3,000-6,000)

- 421 **Fr. 1023b \$50 1914RS San Francisco** Both types were issued for the San Francisco \$50, but this type "b" is all that is ever available. Sixteen notes are known with nine surfacing over the last two decades. This is from a September 2003 auction. It is a solid note and without any problems to report, save for some dirt on the back, which is fully accounted for in the grade.
PCGS VG 10 PPQ (3,000-6,000)

MINNEAPOLIS RED SEAL

- 419 **Fr. 1020b \$50 1914RS Minneapolis** A wondrous Minneapolis \$50 Red Seal that has all the color and vibrancy of a note two grades better. This note is one of 16 reported and would stand up well in an XF/AU set. It was last seen in a February 2007 auction where it sold for \$8,825. I would expect a realization of at least as much today.
PCGS VF 30 Net (9,000-18,000)

- 426 Fr. 1056 \$50 1914BS Minneapolis An attractive, totally original note. Just 34 serial numbers are recorded from this Minneapolis \$50 signature combination. PMG Abt. UNC 55 EPQ (2,000-3,000)

- 430 **Fr. 1072b \$100 1914RS Boston** This is the much scarcer type "b" Boston, not the type "c", which is known for the run of CUs. The margins are even and the red seal and serial numbers are crisp and well defined. There are 15 pieces in the list of known notes, but examples rarely appear for sale. This is the second note of a consecutive pair that surfaced in 2004. It probably never circulated, as it shared similar folds with its mate. Some expert restorations have been performed in the area around the seal, and the note looks like a solid VF.
PCGS Apparent VF 20 (7,000-14,000)

- 433 **Fr. 1078b \$100 1914RS Chicago** This is one of the more common \$100 Red Seals and would make a perfect type note for someone. There are 28 recorded examples. The Tom Flynn example looked about the same and brought over \$6,000.
PMG VG 10 (4,000-8,000)

- 431 **Fr. 1074b \$100 1914RS Philadelphia** The 24 notes that are known on this type "b" Philadelphia \$100 is a respectable number, so one would think it would be offered more often than it is. But \$100 Red Seal Feds are one type that collectors don't easily sell. Good eye-appeal due to the deep red overprint.
PMG Ch. Fine 15 (4,000-8,000)

- 434 **Fr. 1079a \$100 1914RS St. Louis** This lightly circulated note has the body of a VF but has apparently been net graded due to the rust damage at the corners. There is also some blue ink on the back. This new discovery increases the total known to eleven. With some professional repair this note would look wonderful.
PMG Fine 12 (5,000-10,000)

- 432 **Fr. 1075b \$100 1914RS Cleveland** The bold red color holds its own on this evenly circulated \$100 with 22 notes in the census. It looks like there is a short margin split or two in the bottom margin, but it would be a travesty to let that stop you from bidding on this attractive note.
PCGS Fine 15 (4,000-8,000)

- 435 **Fr. 1081b \$100 1914RS Kansas City** With the circulation of a VF/XF, this Kansas City \$100 could have had real potential. But alas, the seal and serial numbers have faded and bled through to the back. Still it is a presentable note and preferable to a VG or Fine. Sixteen notes are recorded.
PMG VF 25 (7,500-12,500)

- 436 Fr. 1083b \$100 1914RS San Francisco The even wear and good color is immediately obvious on this Red Seal with 22 known. If I needed a middle-grade circ for my type set, I'd be really happy with this one.
PCGS VF 20 (6,000-12,000)

- 440 Fr. 1096 \$100 1914BS Cleveland Rarely offered Cleveland with scarcely 20 serial numbers recorded. Being at the upper end of Fine, only a half-grade higher.
PCGS Fine 15 (1,200-1,800)

- 437 Fr. 1085 \$100 1914BS Boston A much better Burke-Glass signature combination. Although net graded VF 25 for ink, it is still a good note.
PMG VF 25 Net (1,000-1,500)

- 441 Fr. 1098 \$100 1914BS Cleveland A very desirable "c" note, with only 40 serial numbers reported, coming from the Rickey Collection with exceptional paper quality.
PMG Abt. UNC 50 EPQ (2,500-3,500)

- 438 Fr. 1087 \$100 1914BS Boston There are only 14 serial numbers reported on this variety. This note has even wear.
Fine (500-750)

- 442 Fr. 1098 \$100 1914BS Cleveland A scarcer number with just 26 serial numbers reported.
F/VF (500-750)

- 439 Fr. 1092 \$100 1914BS Philadelphia The back vignette is relatively unaffected by the circulation wear on this \$100. This neat repeater serial number is also new to the census.
PMG Fine 12 (800-1,200)

- 443 Fr. 1099 \$100 1914BS Cleveland A scarce and evenly circulated Cleveland \$100 that is one of 34 serial numbers reported.
PCGS Fine 15 (1,000-2,000)

- 444 Fr. 1112 \$100 1914BS St. Louis This mid-grade example of a popular type has a few minor distractions, but nothing severe or outside of expectations.
F/VF (800-1,200)

- 447 Fr. 1128 \$100 1914BS San Francisco Here is an impressive note that has been grade AU 58 PPQ and looks really nice for the grade. The color and centering are spectacular.
PCGS Ch. Abt. New 58 PPQ (3,000-5,000)

- 445 Fr. 1116 \$100 1914BS Minneapolis Better than type with 42 notes in the census. That is half the number that are known for New York or Chicago. Why not add some variety to your type set with a better district?
PCGS VF 35 (2,000-4,000)

- 446 Fr. 1128 \$100 1914BS San Francisco This is not the common variety of impressive \$100 1914 FRNs. There are 86 reported, but the greatest number are circ. Notes of this quality remain exceptionally scarce.
PCGS Very Ch. New 64 PPQ (4,500-6,500)

- 450 Fr. 1173 \$10 1922 A super \$10 Gold Certificate that has magnificent color and exceptional paper quality, but average centering.

GOLD CERTIFICATES

- 448 Fr. 1168 \$10 1907 Good margins and super colors abound on this scarcer 1907 Series Gold Certificate. Before the appearance of this note, there were 90 specimens recorded, of which 70 were in lower grade. A difficult grade to locate.
PMG AU 55 (1,250-2,500)

- 449 Fr. 1172 \$10 1907 An evenly circulated \$10 from 1907 that has aspirations of a higher grade.
Fine (225-450)

- 451 Fr. 1173 \$10 1922 This was basically a new note that was folded in thirds and carried for a short while, causing the back folds to become worn and slightly soiled.
VF/XF (400-600)

- 453 Fr. 1173 \$10 1922 The vibrancy of the gold overprint and the brightness of the paper makes this Gold note really stand out. The gold back just doesn't come any stronger. This note deserves a serious bid.
PCGS VF 35 (300-500)

- 454 Fr. 1173 \$10 1922 Solid for the grade and centered better than most.
VF (300-400)

- 455 Fr. 1173 \$10 1922 A pretty note for a type collection.
VF (250-500)

- 452 Fr. 1173★ \$10 1922 Records indicate that 218 stars exist. This one is problem free.
PMG Ch. Fine 15 (400-800)

- 456 Fr. 1173 \$10 1922 An evenly circulated \$10 Gold Certificate.
VG/Fine (175-250)

FINEST KNOWN FR. 1173A

- 457 Fr. 1173a \$10 1922 #10 It would be hard to imagine a more desirable note to represent this small serial number variety. Not only is this a serial #10 on a \$10, but the grade is phenomenal. PCGS has seen only two other 1922 Series \$10 Gold Certificates this nice, and none finer. For this variety, this is the single finest example known. The demand for top POP notes continues unabated and this incredible note could easily bring a record price.
PCGS Superb Gem New 67 PPQ (17,000-30,000)

- 458 Fr. 1178 \$20 1882 A well used \$20 Gold Certificate that looks like it was stored below ground.
CGA Fine 15 (800-1,200)

- 459 Fr. 1178 \$20 1882 Evenly circulated, with a little roughness at the top. A decent looking Department Series note.
VG + (650-850)

- 460 Fr. 1181 \$20 1906 A captivating note with great color and three-side monster margins created from the "A" position note. Close at the bottom is all that holds it back from a better grade.
PCGS Very Ch. New 64 PPQ (2,600-3,200)

- 461 Fr. 1185 \$20 1906 An evenly circulated 1906 Gold Certificate.
Fine (375-450)

- 462 Fr. 1187 \$20 1922 Too bad this note arrived too late to be sent for grading, as the services would likely see what I see: absolutely no handling, fantastic centering and phenomenal colors including rich gold overprint and a bright orange back. Truly a special piece that should satisfy nearly every collector.
Gem CU (2,500-5,000)

- 463 Fr. 1187★ \$20 1922 One of the prettiest \$20 Gold stars that I've seen in a while on this series. If you want a note that is fresh, well centered and has a rich orange-gold seal on both sides, then go for this one.
PCGS XF 40 PPQ (2,000-3,000)

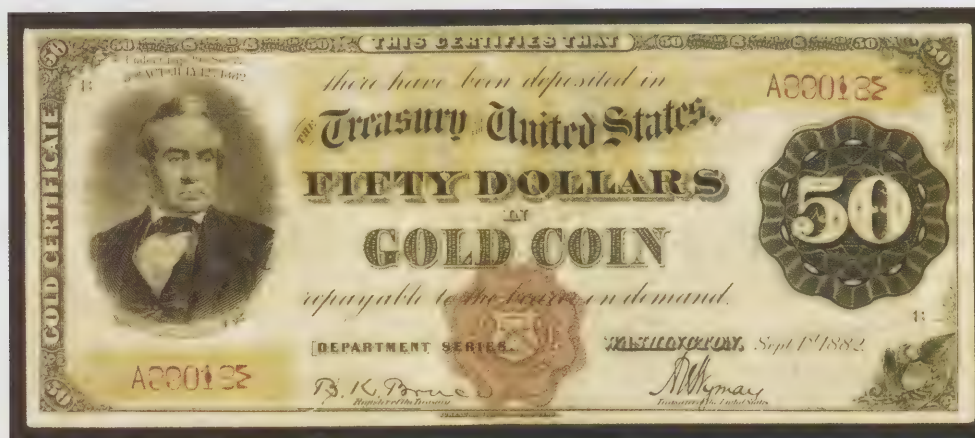

- 464 Fr. 1187 \$20 1922 A note that faces up nicely with a look better than assigned, with the light folds only apparent on the reverse.
PCGS XF 40 PPQ (700-900)

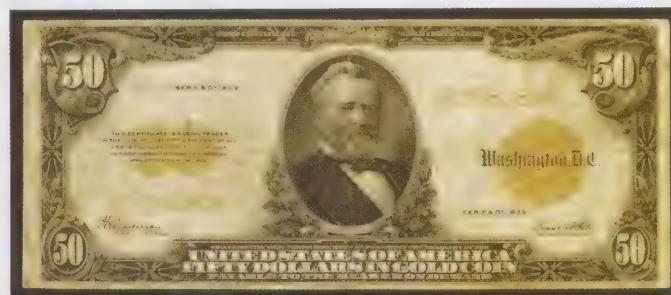

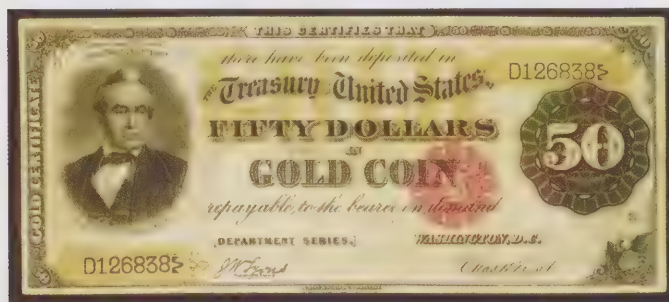

- 465 Fr. 1187 \$20 1922 This crackly fresh \$20 Gold has a small tear at the left edge of the design, but it can be easily missed.
VF/XF (400-600)

- 466 Fr. 1187 \$20 1922 Well used, but intact, with a stain in the left margin.
VG (200-300)

SECOND FINEST OF FIVE KNOWN

- 467 **Fr. 1190 \$50 1882** This is one of the rarest of all Gold Certificates with only five examples in the census, and the only note better was offered and sold by us in October 2005 for \$80,500. In fact, the census shows just three different notes to have ever appeared in auction. This is clearly the second finest known, and the others are low grade. Don't confuse this with the more common Fr. 1188, which has eight notes reported. The value is quite clearly evident with only a glance at the records. This note was the Friedberg plate note, earlier.
PCGS Fine 15 (50,000-75,000)

- 468 **Fr. 1194 \$50 1882** This is the third rarest signature combination from the Fr. 1192a through Fr. 1197 group with the small red seal. The grade on this newly added note to the census looks right on the money and places this example in the top 12 out of the 34 known.
PCGS VF 20 (6,000-9,000)
- 469 **Fr. 1200 \$50 1922 Mule** The gold color is still strong despite the circulation. This mule carries the John Burke back plate #2.
PMG Fine 12 (650-1,250)

- 470 Fr. 1200a \$50 1922 Honest, even wear on this small serial number variety with above average looking reverse.
PCGS Fine 15 (1,000-1,500)

- 471 Fr. 1200a \$50 1922 A small serial number variety that seems to meet the grade quite nicely.
PCGS Fine 12 (900-1,500)

FR. 1215 \$100 1922

- 472 Fr. 1215 \$100 1922 A beautiful example of the 1922 \$10 Gold Certificate. Remarkable quality is clearly present in this example with great embossing and color. Truly a note that meets all requirements for the grade assigned.
PMG Ch. UNC 64 (14,000-18,000)

- 473 Fr. 1215 \$100 1922 Attractive note that initially appears a lot nicer than the grade would indicate. Folds become evident as one inspects the back that still has rich gold color.
PCGS VF 30 (2,750-3,500)

GEM UNC 66 EPQ

- 474 Fr. 1225 \$10,000 1900 Interesting issue that is highly collectible because of the high denomination. This specimen, being Gem UNC 66 EPQ, joins only one other of the same designation, with only one grading higher. Treasury perforation cancel.
PMG Gem UNC 66 EPQ (12,500-15,000)

- 475 Fr. 1225 \$10,000 1900 This \$10,000 has lots of elements seen on the examples that were pitched from the Treasury windows: cancelled and rust from water, etc. Note damage along the bottom.

INCREDIBLY LOW #2 \$5 LEGAL

- 502 \$5 1928-F Wide #I00000002A To say single-digit \$5 Legals are rare would be an understatement. The number of pieces that exist probably amount to less than 10 for all series combined. I can't remember the last time I had one from the 1928s. Far better than any single-digit Silver Certificate or Federal Reserve Note. After this note sells, it could be decades before it reappears. If you collect low numbers then set aside a little extra for this cherry. It's a note worth stretching for.
PCGS Gem New 65 PPQ (4,000-8,000)

MATCHING TWO-DIGIT SERIAL NUMBER

- 503 \$100 1966★ #★00000022A The right margin is just shy of the width necessary for Gem, but the low, matching two-digit number more than makes up for it. These special star numbers don't often appear, but when they do, they create fireworks. I've seen just a handful of these over the last 30 years.
PCGS Very Ch. New 64 PPQ (17,500-25,000)

- 505 \$100 1966 The next owner will enjoy this note's wide margins and deep red overprint. When you come to notes this well centered, the availability drops off a cliff.

- 533 \$5 1934-A FC #307 The Schwartz/Lindquist reference indicates that the Blue Seal with FC #307 is rarer than the yellow seal by a ratio of 30:1. I can believe it, as I can't recall the last time we offered one of these. The note is fully original with a light fold down the middle that doesn't break the paper. The back is centered very high, but the front is nice.
Ch. AU (1,250-1,750)

- 534 \$5 1934-B★ An attractive 1934-B star that looks better than the grade would indicate. It does have a horizontal and vertical fold.
VF/XF (400-800)

- 535 \$5 1934-C Wide The deep embossing is clearly visible through the holder. Great centering, too.
PCGS Gem New 66 PPQ (100-150)

RARE NARROW FACE VARIETY

- 536 \$5 1934-C Narrow FC #2029 This newly discovered variety is proving to be very elusive. It is estimated that about 2-1/2% of the total 1934-C production came from the four known narrow plates. How many could exist in CU? From the P-A block.
PCGS Very Ch. New 64 PPQ (300-600)

- 537 \$5 1934-D★ Narrow A very nice 1934-D star note with excellent color and originality.
PCGS Very Ch. New 64 PPQ (1,000-1,500)

- 538 \$5 1934-D This note seems to be very conservatively graded, at least as far as centering is concerned. The embossing is also quite plain to see, as indicated by the "EPQ" on the label.
PMG Ch. UNC 64 EPQ (60-120)

\$10 1933 PCGS VF 25

- 539 \$10 1933 A one-year type that never lacks for buyers. I wish we could have several of these 1933 tens in every sale, but we are thankful for the pieces we are able to sell. This is an unmolested note without any problems other than a tight top margin. The grade is spot on, so expect to stretch for this one.
PCGS VF 25 (10,000-15,000)

- 540 \$10 1934 A wonderful, well-centered 1934 \$10 Silver Certificate. PCGS has seen only one note better, while the PMG census tops out at the "67" level.
PCGS Superb Gem New 67 PPQ (1,000-2,000)

- 547 \$10 1934-C★ Vivid blues, deep rich green and just a clean overall look to a very desirable star note.
PCGS Gem New 65 PPQ (850-1,700)

- 543 \$10 1934-A There is a slight cutting error on the bottom right, just a sliver of the design.
AU & Ch. CU (100-200)

- 544 \$10 1934-B Uncirculated examples of this key are much more difficult than most collectors realize. Just look at the POP reports and you will see. PMG has only graded seven notes in all CU grades, with PCGS only grading eight pieces, with the distinct possibility of some overlap.
PCGS Very Ch. New 64 PPQ (4,000-6,000)

- 548 \$10 1934-D Wide Great looking, high-grade example of a 1934-D Wide \$10 Silver Certificate.

PCGS Ch. Abt. New 55 PPQ (90-150)

- 560 **\$20 1929 C Philadelphia** A great looking 10 piece lot of notes with a face value of \$200.
VF, average (350-500)

- 561 **\$20 1929 J Kansas City** A tough district to find uncirculated examples, this "almost-there" note should do nicely until a CU is available. However, this one looks so good you may not want to upgrade.
AU (125-250)

- 562 \$50 1929★ B New York An evenly circulated 1929 brown seal star. A nice looking example with no problems or distractions.
Fine (300-600)

- 564 \$100 1929 J Kansas City Somewhat off center registration makes me call this note CU.
CU (300-500)

- 563 \$50 1929 I Minneapolis With only 132,000 notes printed (the Schwartz/Lindquist reference incorrectly states 276,000), the Minneapolis district had the smallest printing of all the \$50 FRBNs. PCGS has only graded two notes higher (both 64 PPQ), and only some minor handling keeps this appealing original note from a higher grade.
PCGS Ch. New 63 PPQ (300-500)

- 565 \$100 1929★ J Kansas City This is the most available \$100 FRBN star, so this example would be a good choice to fill your type note needs. The note appears to have been folded and carried a short while rather than being passed around a lot, so there are few folds but some surface dirt. No pinholes or tears.

SPECIMEN SET OF SMALL SIZE

- 566 **Small Size Specimen Set** Seven denominations including a \$1, \$2, \$5, \$10, \$20, \$50 and \$100, all in certified Ch. UNC 64 grade. The series and districts appear below. This is the first small size specimen set that we have ever been privileged to offer. Of both historical and fiscal importance, with little probability of ever securing another. Although both Silver Certificate and United States note specimens appear on occasion, the green seal FRN specimens (such as these) are uniformly rare. The \$2 1976 is especially rare. In June 2001 we sold one for \$12,650. That would make this entire set seem to be a bargain.

TWELFTH SET ISSUED

- 628 \$2 1995 Premium Millennium Federal Reserve Set #15 This limited edition set had a production of 2,000 and sold out fast when offered in late 2000. There is one note from each district and this very special set is the twelfth printed with the notes bearing serial #A20000012★ through L20000012★. All notes have a thin oil stain along the bottom edge, an extremely common occurrence with these notes. This was probably the result of over oiling the cutting blade at the Ft. Worth facility. Worth much more than the usual set due to the low serial number. Also, only the F-★ was made for general circulation, leaving the Millennium Sets and singles as the only way to obtain the other districts.

- 722 **\$100 1928★ L San Francisco** Only a small handful of 1928 San Francisco \$100 stars are known. As recent research has now confirmed, most of the known San Francisco stars are in fact inverted star errors. While several inverted star errors have publicly appeared over the last 30 years, only a single non-error example has been offered in public auction. There are in fact a scant three non-error star notes available to collectors. Two of those three notes are held in long-term collections. With 1928 series "Numeral" FRNs being one of the most popular segments in small size collecting, this nice circulated example is likely the only one to be available to collectors for a long time. A very small split in the top margin is noted by PCGS.

FINEST KNOWN 1934-D \$100

- 732 **\$100 1934-D H St. Louis Mule** Specialists will recognize this \$100 1934-D to be the special note that it is. To begin with, we have a limited number of districts issuing a limited number of notes. From that production few uncirculated notes were saved. The Flynn Collection contained a note graded PMG 66 EPQ which brought \$1,610. I feel this piece is superior since the front centering is better. This is the single best 1934-D \$100 from any district seen by PCGS.
PCGS Gem New 66 PPQ (1,500-2,500)

- 733 **\$100 1950★ L San Francisco Mule** This is another very scarce 1950 San Francisco star. Although not as rare as another listed here, there are only five examples known. This higher grade example has evidence of a faint teller stamp on the face accounting for the "Apparent" grade.
PCGS Apparent VF 35 (300-500)

- 734 **\$100 1950★ L San Francisco Non-Mule** As interest in small size FRNs has increased, collectors now realize the scarcity of the 1950 Series FRN stars. This problem-free note has long been the only example known of this rare star and is, of course, the only serial number listed in the Schwartz/Lindquist reference.
PCGS VF 25 (500-1,000)

- 735 **\$100 1950-A★ I Minneapolis** Minneapolis only printed 144,000 notes for this series, the lowest of any district. There can't be very many stars around. It was only in 2005 that the second known example was reported to the Schwartz/Lindquist team.
VF/XF (250-500)

XF/AU (175-250)

- 741 \$100 1950-D G Chicago Despite the moderate printing, exceptional high grade specimens like this are genuinely difficult to locate. Totally original, fresh from the pack with deep embossing and perfect centering.
Gem CU (350-650)

- 745 \$100 1988 B New York Radar This note has the monster margins that are possible with notes that are cut from the sheets sold by the B.E.P. But this note was not available to the public in sheet form. The radar serial number is a bonus.
PCGS Superb Gem New 68 PPQ (200-400)

- 742 \$100 1977★ K Dallas This 55 piece lot of 1977★ Dallas \$100s is a rare find indeed. These have been saved for 30 years. A surprise in this age. There were 512,000 printed.
Gem CU (8,500-12,500)

- 746 \$100 1988★ B New York The \$500 catalog value (in generic CU) seems too low for a note this difficult to acquire. A study in perfection with oversized boardwalk margins.
Superb Gem CU (300-600)

- 743 \$100 1977 K Dallas A neat run of 50 consecutive Dallas \$100s. These are over 30 years old and few chances will be available to find high-denomination groups like this.
Gem CU (8,000-12,000)

- 747 \$100 1990★ C Philadelphia Another high denom with unrealistically low book prices. She's a beauty.

KEY TO THE 1928 SERIES

- 749 \$500 1928 A Boston There have been a few of these Boston \$500s of late, but for an XF, this one looks wonderful! It remains a key to the 1928 series and you would be hard pressed to find a nicer looking circulated note.
PCGS XF 40 (12,500-20,000)

SHORT LADDER SERIAL NUMBER

- 750 \$500 1928 E Richmond #E00000123A
Richmond is one of the seven districts from the 1928 Series that printed less than 100,000 pieces, and as a result, turns up far less often. Include the fancy serial number and we get a note that is sure to attract attention.
XF (2,000-4,000)

- 751 \$500 1928 E Richmond An evenly circulated Richmond \$500 that looks decent for the grade.

CGA CU 60 (1,500-3,000)

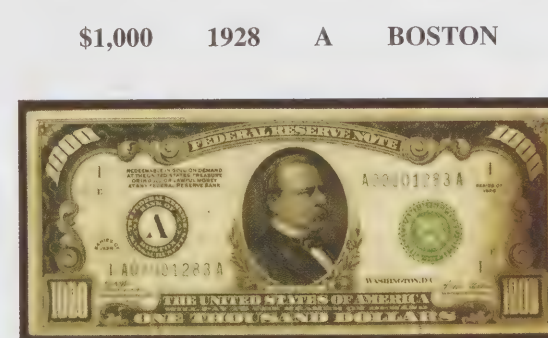

- 758 \$500 1934-A B New York This note looks like a Gem but has a bend in the lower right corner.

Fine (1,150-1,500)

- 759 \$500 1934-A G Chicago Considering the large number of \$500 FRNs that were saved, there are precious few that have attained this grade. PMG has seen only 13 pieces that they deemed worthy of the "66 EPQ" designation, and only one note from all 1934 and 1934-A \$500s combined that is better.
PMG Gem UNC 66 EPQ (4,200-5,200)

- 763 \$1,000 1928 A Boston Rare and desirable district in both \$500 and \$1,000s. Although virtually unheard of a few years ago prices have stabilized, but still very much in demand. This note has nice, even circulation with obvious heavy handling at the right end.

- 764 \$1,000 1928 J Kansas City #J00000047A
Here is a breathtaking Kansas City \$1,000 with the low #J00000047A. There wasn't time to send it off for grading, but I can't imagine any service not confirming our assessment. The paper is fully bright with tons of embossing. Some might even call it CU.
Ch. AU (5,000-7,500)

- 765 \$1,000 1928 J Kansas City #J00000056A
Another remarkable, low #J00000056A that came with the #47 listed here. It is just as nice and just as fresh, showing deep, original embossing in all the right spots. Everyone knows the 1928 Series notes are far scarcer than the 1934s, but this low number will bring an even bigger premium.
Ch. AU (5,000-7,500)

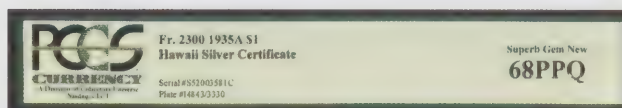

- 766 \$1,000 1934 J Kansas City #J00000039A
A faint horizontal fold can only be seen under a strong light on this low serial numbered light green seal \$1,000. The J00000039A number makes this note just that much more special.
AU (3,500-7,000)

- 767 \$1,000 1928 J Kansas City Scarce and seldom offered Kansas City. There is a small tear in the margin, as noted on the holder.

- 780 **\$20 1934-A Hawaii** If you thought the \$10 denomination was difficult to find in Superb Gem, just try to find the \$20. Fortunately, we have done that for you. All you must do is bid strong enough to take it home. This absolutely fantastic example was put away over a decade ago for the day when its quality would be appreciated. It is obvious the consignor picked the right note. PCGS has seen only two other notes that they considered its equal.
PCGS Superb Gem New 67 PPQ (5,000-7,500)

PHANTOM OF THE OPERA

- 820 \$1 1981 L San Francisco Can't help but think of Michael Crawford wearing his demi-mask in the classic Broadway musical. This special error consists of an obstructed print with a retained fragment. In this case, the obstructing object is a wad of masking tape that adhered to the portrait area, bisecting the face and cleaving it into right and left halves. When lifted, the area underneath is blank, giving rise to the Phantom reference. We've never seen anything quite like it and neither has our error specialist.

- 825 **\$1 2003-A E Richmond** A very rare error, although not wildly dramatic to look at. PCGS calls it a "misaligned back to face offset displaying two notes" and I guess it's hard to improve on that. There are parts of two different backs lightly offset on the front.
PCGS Superb Gem New 67 PPQ (150-250)

TISSUE PAPER OBSTRUCTION

- 832 \$5 1981 A Boston Our consultant informs us that only two examples exist, and the other is on a \$50 which hasn't sold in years. The tissue paper obstruction was overprinted with parts of the second and third printings, which is rather uncommon. It is almost eerie to look through the intervening fragment. If other "generic" obstructed printings are worth \$12,000 to \$18,500 (as our recent auction sales have proven), then this piece should realize even more. Certainly a candidate to set a new record for this type of mistake. PMG noted, "obstructed printing error."

UNIQUE STAR ERROR WITH BROWN INK

- 854 **\$10 1990★ B New York Brown Ink**
District seal printed with brown ink. This note (and the others in this sale) was plucked from circulation by a waitress on the east coast in the early 1990s. Our error consultant confirms that this is the only known star note with the brown ink on the district seal and the district numbers. This mistake is thought to be the result of green ink (intended for the serial numbers) being mixed into the black ink reservoir. We've seen a few of the regular issues before, but never heard even a rumor of a star note. Only one error collector can own this; there are a couple of tiny staple holes.
VF (1,000-2,000)

- 855 **\$10 1990 B New York Brown Ink** Authentic example of this scarce error which has brownish ink (instead of black) on the district seal and numbers. The brown color is more pronounced on this one than on some other examples we've seen. One very short margin tear not into design.

AMAZING OBSTRUCTION

- 866 \$20 1981 A Boston This is truly an amazing error that rather baffles me as to why it happened, but then that's why it's an error. There is a rough cut 1" piece of paper across the horizontal on the back of this note. The extra piece of paper is detached from the back and fits perfectly across the blank area. Incredible to have them together.

HAWAII ISSUE

UNIQUE HAWAII ERROR

INVERTED HAWAII TWENTY

- 899 \$20 1934 Hawaii Error It has been more than three years since this amazing \$20 Hawaii error has been available for sale. During the 10 years prior to this offering a major West Coast collector tried diligently, and at all costs to acquire the most interesting and rarest errors ever encountered. This note was put away because of its rarity, desirability and impressive upside-down stature. The quality is lovely, with two minor folds barely visible. I personally believe this error to be unique but of course, it would have originally occurred on a sheet of 12 notes. Errors of this magnitude on specialized series like the Hawaii notes are just plain rare, and this note is so visually stunning.

FRACTIONAL CURRENCY

UNIQUE AUTOGRAPH COLLECTION

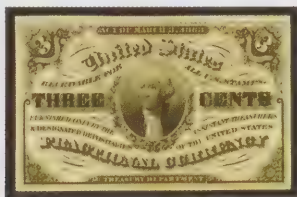

902

Fr. 1226 3¢ Third Issue This lot is a testament to what opportunity and perseverance can do for a collector on a mission. When David Proskey started this collection, I wonder if he said I think I will have every person connected to the Treasury Dept. give me their autograph on a 3¢ fractional note and see how many I can get in a lifetime. Never did he think he would be able to get so many people to join in this endeavor. Now well past a century later a new collector could choose to continue this amazing journey and see how many more could be added to this collection. This lot contains 54 issued notes with one narrow margin specimen, and two wide margin specimens for an unparalleled collection of 57 autographed notes generally grading from XF at the bottom to Gem condition at the top, virtually all appear uncirculated but how can you improve it. These are listed in Milton Friedberg's fractional book and virtually all are listed as unique, quite a statement for something there are 56 different varieties of, and the knowledge of their existence is from the John Ford/FCC Boyd pedigree.

Various Grades**(500-1,000)****945 Fr. 1314 spwmb 50¢ Second Issue** Strong ink tones and a boldly bronzed "SPECIMEN" on the back.
PMG Gem UNC 65 EPQ (300-600)**946 Fr. 1314 exnmf 50¢ Second Issue** A lovely experimental piece with two half-moon punch outs. A more difficult denomination.
PMG Ch. UNC 64 EPQ (400-600)**947 Fr. 1314 SP 50¢ Second Issue** Two piece lot. Face is graded New 62 PPQ and back is Ch. Abt. New 58 PPQ by PCGS.
PCGS Graded (150-300)**948 Fr. 1314 SP 50¢ Second Issue** A pair of front and back specimens of the Second Issue half a buck. Two piece lot.
PCGS New 61 (75-150)**949 Fr. 1314 SP 50¢ Second Issue** Face and back specimens of the 50¢ Second Issue. Both PCGS graded with the face being AU 50 and the back AU 53. Two piece lot.
PCGS Abt. New 50 & 53 (750-150)**950 Fr. 1318 50¢ Second Issue** The bronze oval is nice and bright but the back is shifted to the right.
PCGS Ch. New 63 (250-500)**951 Fr. 1318 50¢ Second Issue** A pretty UNC with average centering.
CU (125-250)**952 Fr. 1324 50¢ Third Issue** The most available of the Red Back Spinner notes. There is a small spot in the lower margin, hence the "64" grade.
PMG Ch. UNC 64 (350-700)**953 Fr. 1326 50¢ Third Issue** This type with the design figure "1" is about 10% better than common. This piece is quite bright with excellent bronzing.
PMG Ch. UNC 63 EPQ (350-700)**954 Fr. 1339 50¢ Third Issue** This note has incredible embossing and great margins, but it could be brighter. Had it been so, it would have been a Gem for sure.
PMG Ch. UNC 64 EPQ (500-750)

- 955 **Fr. 1343 spnmf 50¢ Third Issue** The color and detail easily qualify for Gem status, but the reason for the AU grade is not readily apparent. If it is because of the tiny piece of a hinge on the back, then this note will sell like a CU.
PMG AU 55, hinge (100-200)

- 956 **Fr. 1350 50¢ Third Issue** Tight and irregular margins at both ends account for the grade. The note is nice otherwise. This is a better variety with the design letter "c".
PCGS New 61 (300-600)

- 957 **Fr. 1355 50¢ Third Issue Autographed** "Exceptional Paper Quality" is noted by PMG on this Colby and Spinner autographed note.

- 958 **Fr. 1355 SP, 1357 SP & 1358 SP 50¢ Third Issue** This three piece lot includes a Fr. 1355 SP with the Colby - Spinner autograph, Fr. 1357 SP red back and a Fr. 1358 SP green back.
Ch. CU (800-1,400)

- 959 **Fr. 1362 50¢ Third Issue** Great color and embossing so strong it looks like the design is incised in metal on the back. A plate #47 can be seen at the lower left.

MILITARY PAYMENT CERTIFICATES

- 1096 50¢ Series 481** June 20, 1951-May 25, 1954. Replacement; second printing. Serial number #D00856108 not reported in Schwan's MPC catalog, and only three other examples reported for this printing. It is entirely possible that this piece is in better grade than the three reported. An important opportunity.
Fine (1,250-2,000)

- 1097 \$1 Series 481** June 10, 1951-May 25, 1954. Replacement; second printing. Next in the series. Only five from this printing reported in Schwan's MPC catalog, and this example with serial number #D00872159 is not among them. Tape pull at right on back has caused a thin in that area and small margin piece to be missing; some pink bleed through on face. Four of the identified five examples are Fine + or worse, so this note ranks close to the best reported.
Fine (850-1,500)

CHECKS

- 1093 \$200 Wells Fargo & Co, San Francisco, CA**
 A specimen of a \$200 Wells Fargo & Company Travelers Check. It has been stamped cancelled and has two hole punches at the signature lines. The \$200 was payable in gold or in various currency from countries as noted around the border of the note. From the days of stable currency exchange rates!

It is entirely possible that this piece ranks third best among those reported; further, this note has plate position 21, which matches the last two digits of the series! Despite tiny margin nick bottom center, overall solid condition.
Fine (1,250-2,000)

- 1099 \$1 Series 521 May 25, 1954-May 27, 1958. Replacement; from the third printing. Next in the series. This piece, serial number #E03656562, is only the third reported in Schwan's MPC catalog. Small stain upper left corner; slight soiling on back. A wonderful addition for virtually any collection.
F/VF (1,500-2,500)

- 1100 50¢ Series 541 May 27, 1958-May 26, 1961. Replacement; fifth printing with serial number #F10628149. A pristine high number piece from the most mysterious series for MPC replacements.

PCGS Superb Gem New 69 PPQ (500-600)

SESSION TWO

NATIONAL BANK NOTES

ALABAMA

- 1200 Birmingham, First NB, S3185 Fr. 650 \$20 1902ND
Decent signatures enhance the appeal of this bank that saved them so well. This note has two splits.
Fine (150-300)

- 1203 Demopolis, Commercial NB, S10035 Fr. 628 \$10 1902ND
There were two national banks in this Marengo County location, but this is the one that is seen more often. There are 13 large notes reported. The cut on this note is tight into the bottom margin and the red signatures are light, but the appearance is good.
Fine (300-500)

- 1201 Birmingham, American-Traders NB, 7020 Fr. 598 \$5 1902ND
An evenly-circulated \$5 with good signatures. There is a pinhole near the portrait.
VF (175-250)
- 1202 Birmingham, American-Traders NB, 7020 Fr. 624 \$10 1902ND
A nice looking, evenly circulated note.
Fine (175-250)

- 1204 Opp, First NB, 7985 Fr. 651 \$20 1902ND
This is a new addition to the census from the three-letter named town that has rarely been seen in better grade. The purple stamped signatures are clear.
VF, average (800-1,200)

ALASKA

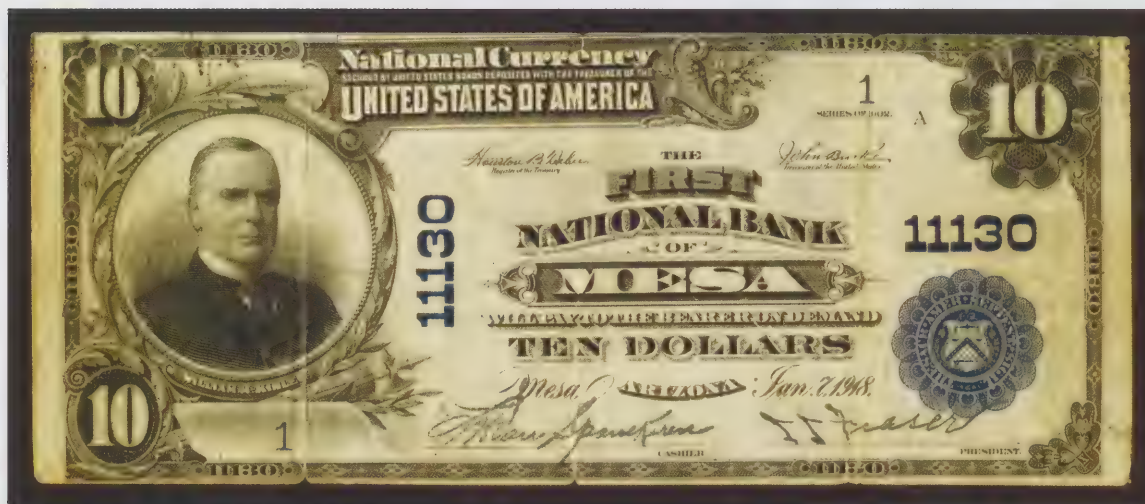

FAIRBANKS, DISTRICT OF ALASKA

- 1205 Fairbanks, District of Alaska, First NB, 7718 Fr. 598 \$5 1902ND
This is a note that is always in great demand. Alaska is certainly the last of the American frontier and visions of gold or unbroken vistas come to mind when one holds this note. The Blue Seals from here are actually a bit scarcer than the well-known Red Seals hoard that was discovered by Joe Wells of Topeka, Kansas. This pleasing example with its strong stamped signatures will make a fine addition to any collection. A solid note, completely free of tears or pinholes.
PCGS Fine 12 (25,000-50,000)

ARIZONA

LANDMARK DOUBLE #1 ARIZONA

1206 Mesa, First NB, 11130 Fr. 632 \$10 1902ND #1 This incredible double #1 note makes its debut here, in the first major auction where it is being offered. It appeared for an instant in 2000 in an online sale, but few people even heard about it. Before that, its existence was not even rumored. Now, the entire collecting fraternity has an equal opportunity to acquire this awesome note. Not only are there just six large #1 notes known on the state, but this is the sole example exhibiting the double #1 serial number. Fantastic stamped signatures and a small amount of fold separation at the edges.

VF

(75,000-125,000)

ARKANSAS

- 1207 El Dorado, First NB, 7046 Fr. 1802-1 \$20 1929T1
A sharp, circ note from Union County that is rarely offered, but there are 36 small notes reported.
Fine (450-750)

CALIFORNIA

\$10 PETALUMA GOLD BANK NOTE

- 1208 Petaluma, First National Gold Bank, 2193 Fr. 1149 \$10 1874 GBN A true rarity from an issue of just 6,000. Only six note have survived from this entire issue. This was originally a private bank held by Wickersham, who was the president that signed this note, and the cashier was Atwater. This serial #202 note does have the charter in red on the face. The quality is excellent for this type, and it has margins that are full.
Fine (20,000-40,000)

\$5 NATIONAL GOLD BANK OF D.O. MILLS & CO., SACRAMENTO

- 1209 Sacramento, National Gold Bank of D.O. Mills & Co., 2014 Fr. 1138 \$5 1872 GBN This is a very sharp, evenly circulated example of a Gold Bank Note. The paper quality is more reminiscent of a VF, but there has been some minor splits and tears addressed by proper restoration. The pen signatures of Frank Mills, Cashier and Henry Miller, Vice President are clear and bold. This is an Original Series with charter #2014. There are 40 notes reported. The note we sold in the Highland Park Collection was one of the best and realized nearly \$44,000.
Fine (12,000-18,000)

AMONG EARLIEST REPORTED

- 1210 San Francisco, First National Gold Bank, 1741 Fr. 1136 \$5 1870 GBN An evenly circulated Fine from the first shipment to the bank, and one of very few known to be true Original Series notes without the charter number. I know it's splitting hairs, but these were a couple of years earlier than most of the notes. Excellent signatures of Mastin and Hooper, and only the most minor restoration, if any. One must remember the grading services don't always agree with our grades, but we are generally close.
Fine (6,000-9,000)

- 1211 San Francisco, First National Gold Bank, 1741 Fr. 1136 \$5 1870 GBN This is the variety with the charter number and it's relatively evenly circulated with very nice color and light, but readable signatures. This note is much nicer than most graded the same way of late. This note does have the usual minor edge bumps, but it's pretty and clean overall.
VG/Fine (5,000-10,000)

FINEST OF VARIETY - ONLY THREE KNOWN

- 1212 San Francisco, First National Gold Bank, 1741 Fr. 1142 \$10 1870 GBN This is a problem-free example of an Original Series \$10 without the charter #1741. This is the true Original Series! Excellent pen signatures of Hooper and Mastin are nicely penned and very clear. This note is the earliest \$10 note known on this bank, and it's the finest of the ONLY THREE that exist without a charter number. It was part of the original shipment of Gold Bank Notes to the bank. The grading services are very tough on Gold Bank Notes in general, and they could easily call this a "10", not a "12", but it's the finest of the type.
Fine (10,000-20,000)

EXTREMELY RARE 1875 SERIES GOLD BANK NOTE

- 1213 San Francisco, First National Gold Bank, 1741 Fr. 1152 \$20 1870 GBN This is the extremely rare 1875 Series Gold Bank Note of which only 3,600 notes were issued. Only seven notes, one of which is laminated, have survived. A better example realized \$74,740 in the O'Neal Collection sale by Heritage in 2005. The note appears to be intact and basically problem-free; a statement rarely made about Gold Bank Notes. It also appears to be at least close to the finest among those known. A true rarity that is seldom seen.

VG

(30,000-45,000)

IMPRESSIVE FARMERS NATIONAL GOLD BANK OF SAN JOSE

- 1214 San Jose, Farmers National Gold Bank, 2158 Fr. 1141 \$5 1874 GBN This note was acquired from William P. Donlan in the early 1970s. While definitely not in the upper echelon of notes on this bank, it is well above the majority of known examples. There are two really nice ones, one being the note we sold in the Highland Park Collection for nearly \$55,000. This note will be more reasonable. It still has excellent gold toning with, once again, the back showing more wear. Excellent pen signatures.

Fine

(15,000-25,000)

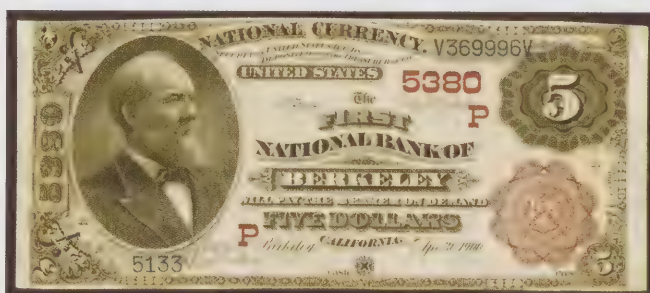

- 1215 Alameda, Citizens NB, P10150 Fr. 602 \$5 1902ND
An evenly circulated note from the most available of the town's four National Banks. There are 17 large notes reported, with many in similar grade to this note. A large-only bank.
VG (500-750)

- 1218 Anaheim, NB, 10228 Fr. 654 \$20 1902ND
Large size notes from this institution are seldom offered for sale, with this nice, problem-free example having once been part of both the Krakover and Horwedel Collections. Anaheim is best known today as the site of Disneyland, but in the 1920s it was a small agricultural community of about 5,000.
Fine (2,500-3,500)

- 1216 Alameda, Commercial NB, P11942 Fr. 607 \$5 1902ND
There are only 18 large notes reported and there are plenty of people in the area to collect notes. The excellent signatures of F.N. and J.L. Delaney are clear, in purple ink.
Fine (750-1,200)

- 1219 Berkeley, First NB, P5380 Fr. 477 \$5 1882BB
This better central California bank has only 12 large size notes reported. Of that, only three are \$5 Brownbacks, all of which are in about the same grade. It has been over two years since collectors have had an opportunity at a \$5 Brownback on this bank, that being the Horwedel specimen which sold for almost \$5,000. Who can say when or if ever that third piece will become available.
VF (4,500-7,500)

- 1217 Anaheim, First NB, 6481 Fr. 1801-1 \$10 1929T1
This is the scarcer of the two Anaheim banks with surviving notes. In this case, only three small size notes are known, two \$20s and this single \$10. This problem-free note was once part of the Horwedel Collection and should attract considerable interest.
Fine (1,800-2,500)

- 1220 Eureka, First NB, P5986 Fr. 545 \$10 1882DB
A pleasing example from this popular location with 46 large notes known. Relatively clean and sporting strong stamped signatures. To be accurate, we must mention a plethora of pinholes.
Fine (1,500-3,000)

- 1221 Fullerton, First National Trust & Savings Bank, 12764**
Fr. 635 \$10 1902ND Only four large size notes are known from this North Orange County bank, three \$5 Plainbacks and this sole \$10. This unmolested example still features nice pen signatures. Fullerton is one of the oldest communities in Orange County and notes from its three issuing banks are avidly sought.
Fine (6,000-8,000)

- 1224 Hanford, Farmers & Merchants NB, P7658 Fr. 598**
\$5 1902ND An incredibly rare large-only bank that liquidated in 1922. One of only two notes to ever turn up, this piece exhibits strong signatures of R.J. Downing, Cashier and Judd Smith, President. Some light staining is present but there are no tears or pinholes.
VG (6,000-9,000)

- 1222 Garden Grove, First NB, 11251 Fr. 606 \$5**
1902ND This one-bank town issued only \$5 Plainbacks and \$5 1929 Type 1 and Type 2 small size notes. This example has clear pen signatures, but does have a small piece missing from the lower bottom margin.
Fine (1,600-2,000)

- 1225 Hollister, First NB, P9378 Fr. 626 \$10 1902ND**
 A new addition to the census is this evenly circulated note from this large-only bank in San Benito County in south central California. The note has excellent pen signatures, but also a well-closed tear in the right margin. Seldom ever available.
Fine (1,750-2,750)

- 1223 Grass Valley, First NB, 12433 Fr. 1800-1 \$5**
1929T1 An interesting California town name that was probably a real tourist spot in the 1960s. Bright and well centered. This is the finest of the 10 small notes reported.
VF/XF (1,750-3,500)

- 1226 Hollister, First NB, P9378 Fr. 652 \$20 1902ND**
 Great pen signatures are visible in spite of the circulation. The bank liquidated in 1927, leaving Hollister without a bank for three years. Thirteen large size notes are recorded.
VG (1,600-2,400)

- 1227 Lodi, First NB, P7719 Fr. 587 \$5 1902RS**
 Only two Red Seals are recorded from the 23 large notes on this institution. Unfortunately, this one has seen some very heavy use. However, California Red Seals from outside of the major cities are rare.
Good (3,500-5,000)

- 1228 Lodi, First NB, P7719 Fr. 624 \$10 1902ND
A pleasant \$10 Plainback from this San Joaquin County bank. The signatures are visible, but weak.
Fine (750-1,250)

- 1229 Los Angeles, First NB, P2491 Fr. 477 \$5 1882BB
Two internal tears and a couple of staple holes are hardly noticeable on this Brownback type.
Fine (300-600)

- 1230 Los Angeles, First NB, P2491 Fr. 659 \$20 1902ND
A perfect note for a type collection. A great look to a large National from this southern California bank. An ink spot is noticed in a back margin.
XF (325-450)

- 1231 Los Angeles, Farmers & Merchants NB, P6617 Fr. 587 \$5 1902RS
The jet-black signatures and the blood-red overprint really makes a statement on this Red Seal. No collector would object to adding this note to his holdings.
F/VF (1,250-2,500)

- 1232 Los Angeles, Commercial NB, P6864 Fr. 639 \$20 1902RS
Nice pen signatures add character to this balanced Red Seal, the first type issued by this bank. This is the sole Red Seal recorded from the 34 known notes on this first title.
Fine (7,000-9,000)

- 1233 McCloud, NB, 9479 Fr. 1801-2 \$10 1929T2
With only nine small size in the census, this is the only other small size Type 2 besides an uncut sheet. From a northern California bank in Siskiyou County.
VG, tear (600-900)

- 1234 McFarland, First NB, 10387 Fr. 1800-1 \$5 1929T1 #E000001A
Only six small size notes have been tabulated on this tiny Kern County bank. However, three notes have yet to resurface from the \$5 #1 sheet, so a total of nine is probably more accurate. This example has great quality, and is a premium #1 California note.
PMG Ch. UNC 64 EPQ (4,000-6,000)

- 1235 Napa, First NB, 7176 Fr. 1802-1 \$20 1929T1
A beautiful example of a \$20 Type 1 from the heart of the wine country. Notes from here are common, but few exist in this pristine condition. PMG has added "Exceptional Paper Quality and Embossing" to the holder.
PMG Gem UNC 66 EPQ (1,000-2,000)

- 1236 Napa, First NB, 7176 Fr. 1802-1 \$20 1929T1
This serial number is very close to the other Napa note listed here. It is no shock that it too has "Exceptional Paper Quality".
PMG Gem UNC 66 EPQ (1,000-2,000)

- 1236a** Oakland, First NB, P2248 Fr. 605 \$5 1902ND Uncut Sheet A rare uncut sheet from this early California bank that was originally chartered as the First Gold Bank of Oakland, and it changed to the First National Bank of Oakland in 1880. This sheet carries a 1915 plate date, and although it's folded between the notes, the notes are quite lovely and the top and bottom selvage is still attached. I could only find two other uncut sheets of California Blue Seals, one from Sacramento and the other from Woodlake. This is a Brownback sheet from Covina and a couple of Red Seal San Francisco sheets. As a state it is very rare in large size sheet form. Outstanding pen signatures.
Ch. AU (10,000-20,000)

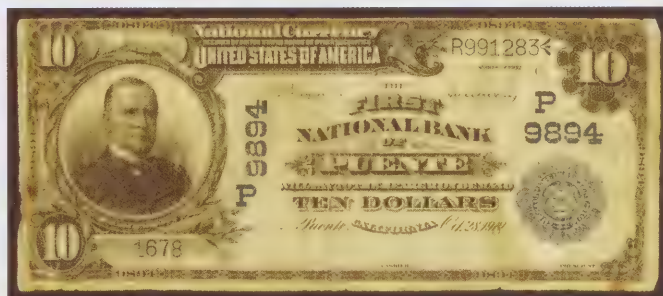

- 1237** Orange Cove, First NB, 11616 Fr. 607 \$5 1902ND A great name and rare in large size. Of the six notes known, one is a serial #1 which has not been seen since 1991. That leaves five others, with this the finest of the group. Light violet signatures round out the deal.
Fine (3,000-6,000)

- 1238** Orange Cove, First NB, P11616 Fr. 633 \$10 1902ND This is the only \$10 denomination among the large size notes that have been recorded. It is unusual to have one-third of the known large size on such a rare bank in one sale.
VG (2,500-5,000)

- 1239** Pasadena, First NB, 3499 Fr. 599 \$5 1902ND High grade example from this hotly collected California town. Bit of paper loss at top and bottom of center fold, which is more than offset by the bold signatures.
VF/XF (1,400-2,400)

- 1240** Puente, First NB, P9894 Fr. 627 \$10 1902ND This large-only bank is also the only bank in this Los Angeles County community. Rough edges and some splitting along one fold. Nine notes in the census.
VG (800-1,200)

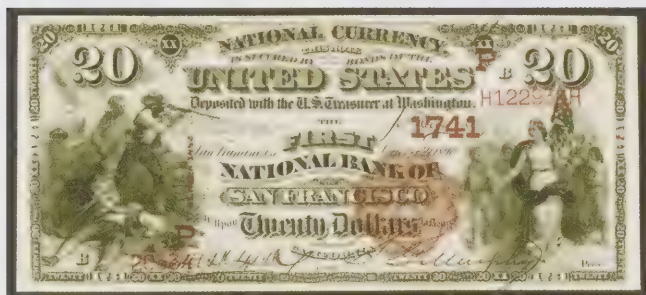

- 1241** Redlands, NB, P7259 Fr. 598 \$5 1902ND This bank was the largest issuer of the four banks located here, yet it is not the most common with nine notes known. Well used with folds that are heavily worn. A postcard of the bank, circa 1907, is included with this lot.

RARE RED SEAL ONLY BANK

- 1250 San Francisco, Citizens NB, P7713 Fr. 613 \$10 1902RS This rare San Francisco bank was in business less time than any other National Bank in the city. It was chartered on April 27, 1905 and closed just over two years later. I can't help but think the 1906 earthquake may have been a factor. Only three notes are known. This one comes to us from the Horwedel Collection.
VG (12,500-22,500)

- 1251 San Francisco, Bank of America National Trust & Savings Assoc., 13044 Fr. 1802-1 \$20 1929T1 A beautiful, fresh looking note with centering a little off, hence the grade. It does have exceptional paper quality.

- 1252 San Pedro, First NB, 7057 Fr. 624 \$10 1902ND This lovely note is new to the census and increases the count to 10 known. The president's signature of Katharine R. Mahar is precisely executed. The cashier's signature has faded almost completely. Very bright and fresh.

- 1253 Santa Ana, First NB, 3520 Fr. 625 \$10 1902ND While notes from this venerable institution are far from rare, most of the known large size notes are found in mid to low grade. In contrast, this original, bright and well embossed example is in fact the single finest large size note known from this bank. It features bold signatures of A.J. Crookshank, President and W.B. Williams, Cashier. If you are seeking just one example from this bank, this town or even Orange County, this would be the perfect note to add to your collection.
XF/AU (1,500-2,000)

- 1254 Santa Ana, Farmers & Merchants NB, P7980 Fr. 643 \$20 1902DB This is a very attractive, original note with excellent signatures. The Farmers & Merchants Bank is the second rarest bank in Orange County, with only four notes known. This institution issued notes for less than 14 years before closing in 1919. Of the four recorded notes, only two have ever made public auction appearances: a \$20 1902 Plainback in G/VG was sold as part of the Krakover sale in 1990, and this note which was once part of the Colver Collection and later the Horwedel Collection.

- 1331 Stamford, First NB, 4 Fr. 380 \$1 Original

XF (2,250-4,500)

- 1332 Stamford, First NB, 4 Fr. 380 \$1 Original

DISTRICT OF COLUMBIA

FIRST NATIONAL BANK OF WASHINGTON, D.C.

- 1355 Washington, First NB, 26 \$10 Proof Here we have a true rarity for National Bank Notes collectors and it's from charter #26, the home of the first National Bank Note. This note is a PROOF of a type that was never issued by the Continental Bank Note Company for the B.E.P. As the picture indicates, a GOLD overprint to this design for the original \$10 First Charter. The overprint is not unlike the one on the early Compound Interest Notes that suffered so harshly from the acidity in the overprint ink. This piece had numerous splits, etc., it has been stabilized and remounted on a card. It is really a rare and cool item relating to the earliest National Bank Note history.

 VG/Fine (175-350)

- 1358 Ocala, Munroe & Chambliss NB, S10578 Fr. 605 \$10 1902ND
 A small bank from central Florida. When the last
 example, in about the same grade, appeared in 2007, it realized
 about \$8,000. The signatures are light but still readable. This
 should bring way over this conservative estimate.
 VF, restored (2,000-3,000)

- 1359 Pensacola, First NB, S2490 Fr. 477 \$5 1882BB
 We feel fortunate to have a sharp, problem-free Florida \$5
 Brownback to offer at any time. In November 2006 we sold a
 slightly lower grade for \$3,737, but this note is much more
 evenly circulated and with good color. The census shows five
 \$5 Brownbacks, with this note being an addition.
 Fine (4,000-6,000)

- 1360 Pensacola, American NB, 5603 Fr. 1802-1 \$20 1929T1

 most available banks.
 VG (100-200)

GEORGIA

- 1361 Athens, NB, S1639 Fr. 643 \$20 1902DB
 This was one of the South's first reconstruction-era banks, and
 speaking of such, this note could use some...reconstruction that
 is. There are 29 large notes reported.
 Good (50-100)

- 1362 Atlanta, First NB, 1559 Fr. 1800-1 \$5 1929T1
 This was one of the state's earliest banks.
 VG (75-100)

- 1363 Thomson, First NB, S9302 Fr. 618 \$10 1902DB
 A very rare large size Georgia note, from McDuffie County,
 that has only five large notes reported, and only two have ever
 made auction appearances. This note has very well stamped
 signatures, and will be a great addition to a Georgia collection.
 Fine (2,000-3,000)

- 1364 Thomasville, NB, 3767 Fr. 470 \$5 1882BB
 Nine large size notes are known from this scarce one-bank
 town, but only three of them exist with this early first title.
 The other two known Brownbacks are both VG, but I can find
 no record of either being offered. Even the Rome Collection
 had only a Third Charter Blue Seal from here. Thomasville is
 the county seat and this bank is the only bank in the county
 to issue notes.
 VG (1,250-2,500)

HAWAII

- 1365 Honolulu, Bishop NB of Hawaii, 5550 Fr. 1801-2 \$10 1929T2 This note has only recently come from a bank box. It's a sharp, evenly-circulated note with a small split along the crease at the bottom. This is the third title which has just 95 reported.
Fine (300-600)

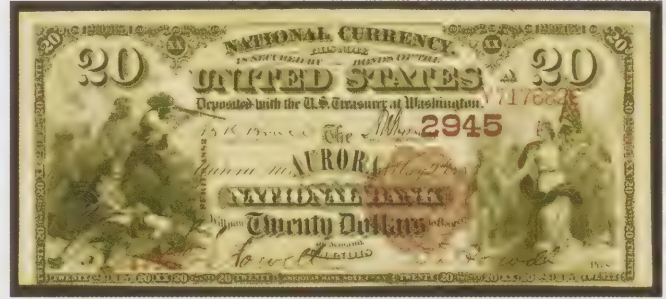

ILLINOIS

- 1366 Atlanta, NB, 3711 Fr. 469 \$5 1882BB Founded in 1853, this Logan County town was frequented by Abraham Lincoln, as a lawyer before his presidency. This scarce bank has only nine large notes reported. Nice pen signatures and a scarce layout enhance the note.
VG/Fine (1,000-2,000)

- 1367 Augusta, First NB, M6751 Fr. 613 \$10 1902RS This is one of only two Red Seals reported and it's the highest quality. It last appeared at auction in 2001 and realized \$2,860. It has excellent pen signatures of Jacob Klepper and S.E. McAfie. One of 16 large notes reported, probably the best note on the bank. Lot includes a postcard of the bank building.
Fine + (3,000-4,000)

- 1368 Aurora, NB, 2945 Fr. 494 \$20 1882BB This is the best of two Brownbacks known on this Kane County location. The pen signatures of the Powell family are clear. This note has great color and excellent body. It is really attractive, problem-free and original. There are 24 large notes reported.
VF, restored (1,250-2,500)

PCGS 65 PPQ AMAZING FOR TYPE

- 1369 Aurora, Merchants NB, M3854 Fr. 669 \$50 1902DB Type collectors are likely to overrun and outbid town collectors on this gorgeous, high denomination type note from Kane County. There were a number of \$50s saved from this bank, but few have measured up to the quality of this note, graded 65 PPQ by PCGS.
PCGS Gem New 65 PPQ (20,000-30,000)

- 1370 Brighton, First NB, 9397 Fr. 1802-2 \$20 1929T2 A scarcer Type 2 \$20 from this Macopin County bank that has 15 small notes reported. Even circulation and great centering make this very desirable.

IMPORTANT OFFERING

\$50 & \$100 1902RS #2894

- 1371 **Chicago, Continental NB, M2894 Fr. 664 \$50 1902RS** We all realize that \$50 Red Seals are a very scarce and seldom offered type within the field of National Bank Notes. This bank was in business until the 1880s, when it became the largest bankruptcy of that era. The note has deep black printed signatures, good centering and strong colors. Approximately 94 know for the type in the entire county.
Fine (6,000-9,000)

- 1372 **Chicago, Continental NB, M2894 Fr. 686 \$100 1902RS** This is a very pleasing VF that has exceptional color and centering. Records show approximately 119 examples known from all banks in America, and the opportunity to find higher quality examples than this one are truly few and far between. If you don't understand, search the Kelly census and you will find there are few qualifying examples and they are just not available.

- 1373 **Chicago, Corn Exchange NB, M5106 Fr. 562 \$50 1882DB** There are only about two dozen \$50 1882 Datebacks from the entire state of Illinois and few can compete with the quality of this beauty. Wide margins all around and jet-black signatures create a note the new owner will be proud to own. A difficult type for an advanced type collection.
PCGS VF 35 (5,000-7,500)

- 1374 **Danville, First NB, 113 Fr. 1803-1 \$50 1929T1** An evenly circulated example by this popular issuer of high denominations.
VF (200-400)

- 1375 **Dixon, City NB, M3294 Fr. 467 \$5 1882BB** This fabulous layout is one of the most interesting designs to come out of the BEP during the "Patent Lettering" period. It is called the "Kaleidoscope", because of the concentric and repeating pattern within the ovals behind the town letters. Just six large notes are reported, three of which are \$5 Brownbacks. Ex-Herget.
Fine (1,750-3,500)

KANE COUNTY \$50 BROWNBACKS

- 1376 Elgin, NB, M4735 Fr. 513 \$50 1882BB
This is a much scarcer bank than the earlier charter as there are only nine large notes reported, and this is one of just two \$50 Brownbacks known from the bank. This note has excellent pen signatures and even circulation. It is a note that has special appeal by virtue of both quality and rarity. This note last appeared in our August 2003 sale.
VF (7,500-11,000)

- 1377 Elgin, Home NB, M2016 Fr. 513 \$50 1882BB

\$10 1882BB #1 JACKSONVILLE, IL

- 1380 Jacksonville, First NB, 511 Fr. 480 \$10 1882BB #1
This note last appeared in our Memphis 1998 sale where we were fortunate enough to offer it with a lovely #1 twenty. Not only have these notes yet to reappear, there have been only two notes from this location offered since. This note was cut from a folded sheet and the person who cut it was concerned about the centering, not the sheet fold. A fantastic #1 note in top condition that was signed by the vice president and cashier.
CU (10,000-15,000)

DISCOVERY "SUPERMAN" RED SEAL

- 1382 Metropolis, First NB, M3156 Fr. 613 \$10 1902RS
Notes from this Massac County community are both scarce and desirable, and with the addition of this first reported Red Seal, there are now seven large notes reported. The grade is Fine based on the even wear. The president's signature is clear while the cashier's is faint. What else do we say about this note from the home of Superman?
Fine (4,000-6,000)

- 1385 Murphysboro, First NB, 4019 Fr. 483 \$10 1882BB
This is a very scarce community in Jackson County to find notes from, and this is a beautiful \$10 Brownback with spectacular pen signatures, including W.K. Murphy, President. Any relation to the town father? Truly a peach.
VF, repair (3,000-6,000)

- 1383 Mount Carroll, First NB, M409 Fr. 613 \$10 1902RS

VF (2,500-4,000)

- 1386 Oakford, First NB, M8256 Fr. 640 \$20 1902RS

FIRST RED SEAL REPORTED

- 1401 Greenwood, First NB, M8422 Fr. 615 \$10 1902RS
This is a tough Johnson County town that has only five other large size notes reported. The president's signature of Grafton Johnson is clear, but the cashier's is very faint.
VG/Fine (3,500-6,000)

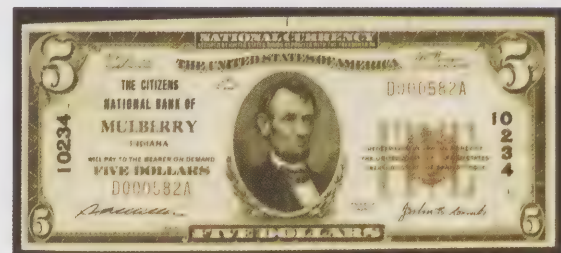

- 1402 Indianapolis, Capital NB, M4158 Fr. 524 \$100 1882BB
This bank bears one of my favorite titles for a bank, The Capital National Bank. There were 17 large notes reported, and one \$100 Brownback, until these two were discovered as part of the Indiana cash hoard. The note has decent pen signatures, but there is a minor, professional repair on the corner. There were only six \$100 Brownbacks previously known from this bank.
Fine (6,000-9,000)

- 1403 Lafayette, First-Merchants NB, 11148 Fr. 1801-1 \$10 1929T1
A fresh, well centered small size that has a tiny corner tip fold, otherwise it's an UNC.
Ch. AU (250-350)

- 1404 Lafayette, First-Merchants NB, 11148 Fr. 1801-1 & 1802-1 \$10 & \$20 1929T1
A couple of various denominations on this bank. Two piece lot.
Fine (150-250)

- 1405 Milroy, First NB, M11782 Fr. 607 \$5 1902ND
This note just seems to have lots of wear. It is an addition to the seven large notes reported.
G/VG (200-400)

- 1406 Mulberry, Citizens NB, 10234 Fr. 1800-1 \$5 1929T1
A scarcer later charter from this Clinton County bank that has 24 small notes reported.
VF, rust (200-400)

- 1407 Rosedale, NB, 9006 Fr. 1801-1 \$10 1929T1
A scarce small size note from this very rare Darke County community. This note is one of 10 small notes reported.
Fine (350-600)

- 1408 Sunman, Farmers NB, 8878 Fr. 626 \$10 1902ND
This is a peach with pen signatures of Wilbur Roberson and Ralph Dreger. There are 10 large notes reported on this bank.
VF/XF (600-1,200)

- 1409 Terre Haute, First-McKeen NB & Trust Co., 47 Fr. 1801-1 \$10 1929T1
A very high-grade small size with the low charter #47 that was retaken.
XF (125-250)

- 1410 Terre Haute, First NB, M2742 Fr. 639 \$20 1902RS
This Vigo County bank note is new to the census which contains only three large notes reported. There are one Brownback and two 1902 Datebacks currently listed. No doubt this first Red Seal will see great interest. There are a couple of splits on the note.
VG (1,500-3,000)

IOWA

- 1411 Albia, Peoples NB, M8603 Fr. 652 \$20 1902ND
This is a scarce bank from this Monroe County community. The note has excellent pen signatures, but it is a little tight along the bottom margin.
Fine (1,250-1,750)

- 1412 Alta, First NB, M7126 Fr. 624 \$10 1902ND
The last time I handled this note I had not even had my 25th birthday. Today this town is known for the wind turbines near town. The top margin is tight but the pen signatures are excellent. It is the fifth reported in Kelly on this rare, large-only bank.
Fine (2,000-3,000)

- 1413 Arlington, American NB, 9664 Fr. 1800-1 \$5 1929T1
The census shows 22 small notes reported, and this Fayette County bank note is sharp and evenly circulated.

RARE CHURDAN, IOWA

- 1414 Churdan, First NB, 6737 Fr. 1801-1 \$10 1929T1
An extremely rare and seldom seen note from a tiny one-bank Greene County community. This was a tiny institution with a miniscule circulation, and just six small notes are reported. More importantly, however, there has not been an offering of any note from this bank at public sale since 1994. An important item for the Iowa collectors and one which will certainly generate some interest.
VF (1,500-2,500)

- 1415 Coon Rapids, First NB, 5514 Fr. 659 \$20 1902ND
A neat town in Carroll County that doesn't show up often. The vanity signatures add romance to this example. There are 15 large size notes reported.
VG + (1,500-2,500)

- 1416 Corning, Farmers NB, M8100 Fr. 614 \$10 1902RS
Although there are eight notes reported in Track & Price, it's quite clear they are in strong hands because this note, and a total rag note, are the only notes ever publicly offered. The note shows some foxing but it is a rare Red Seal.
Fine (3,500-6,500)

- 1417 Council Bluffs, First NB, M1479 Fr. 598 \$5 1902ND
One of Iowa's early banks that shows 47 large notes in the census. This note has some minor rough edges.
VG/Fine (150-300)

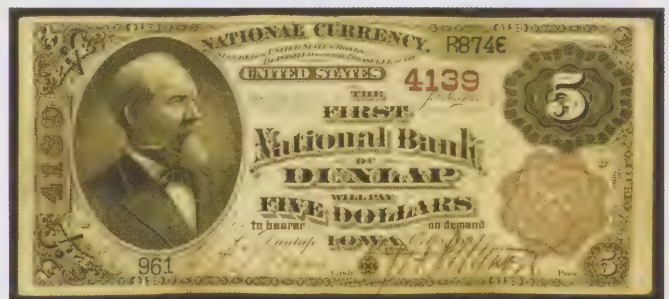

- 1418 Council Bluffs, First NB, M1479 Fr. 639 \$20 1902RS
A very attractive Red Seal that is one of four reported for the bank, although Blue Seals are quite common. This note has a bold red seal and rather light stamped signatures. An excellent example for this bank.
VF (2,000-4,000)

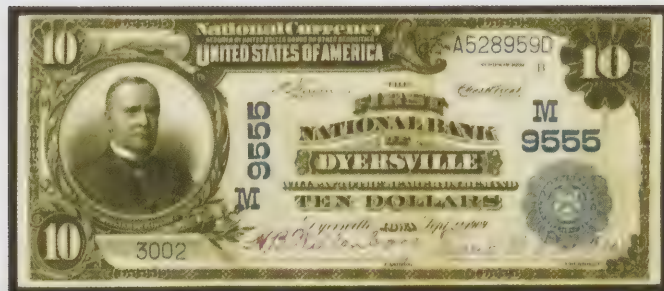

- 1419 De Witt, First NB, M3182 Fr. 650 \$20 1902ND
Strong signatures enhance this eastern Iowa bank that had a small group of higher grade notes saved.
VG + (250-400)

- 1420 Debolt, First NB, 4511 Fr. 1800-1 \$5 1929T1
An evenly circulated note from Sac County. The Kelly census shows 23 small notes reported.
VG/Fine (175-350)

- 1421 Dunlap, First NB, 4139 Fr. 471 \$5 1882BB
Dunlap is a rare one-bank town in Harrison County, on the western side of the state. This is one of three Brownbacks that are known, two are \$5s and there's one \$10. This note has even circulation and is pen signed. They did not issue small size.

- 1422 Dyersville, First NB, M9555 Fr. 626 \$10 1902ND
Dyersville, home to the movie Field of Dreams, is located along Highway 20 in Dubuque County in eastern Iowa. Notes from there have never been around, although Track & Price shows 13 large size notes reported. We see only five large notes reported in 20 years. Excellent stamped signatures of Frank L. Drexler and H.B. Willenborg.
VF (2,000-3,000)

- 1423 Eldon, First NB, 5342 Fr. 1801-1 \$10 1929T1
This new addition to the census brings the total to 27 small notes reported.
Fine + (350-500)

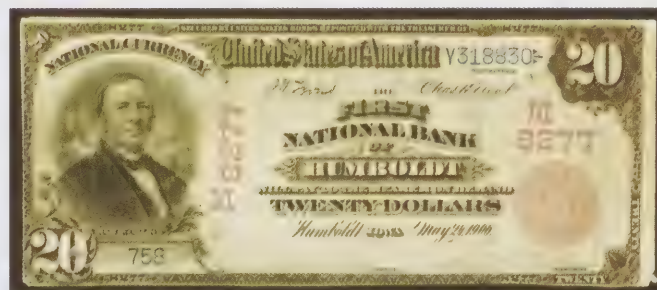

- 1424 Fonda, First NB, 6550 Fr. 1801-1 \$10 1929T1
This Pocahontas County bank has 24 small notes reported.
F/VF (450-750)

- 1425 Fort Dodge, First NB, 1661 Fr. 401 \$5 1875
Iowa First Charters have been a favorite of mine for decades now and I have just not been able to keep many available as they always seem to sell fast. This note is only the fifth First Charter reported, yet Blue Seals are very common. The wear is even and the signatures are crystal clear.
Fine (4,500-6,500)

- 1426 Fort Dodge, Webster County NB, M11304 Fr. 658 \$20 1902ND
This is the only \$20 note from this elusive, short-lived bank in Webster County. This note has lightly stamped red signatures and is very attractive. One of 10 notes reported in Track & Price.
XF (2,000-3,000)

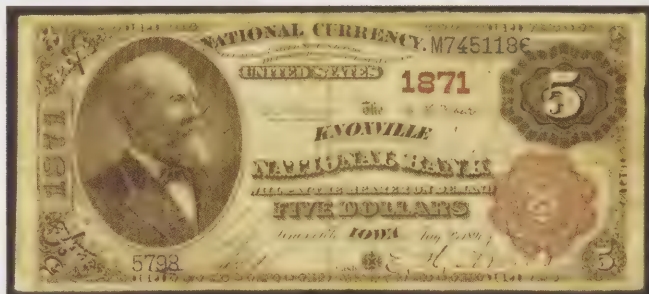

- 1427 Humboldt, First NB, M8277 Fr. 640 \$20 1902RS
Humboldt has always been hard to find and Track & Price census shows only eight large notes reported with this being the only Red Seal. We were fortunate to offer this note a few years back. The seal is light and the signatures faded, but it's a Red Seal with faults.
VG, rust (2,000-3,000)

Excellent pen signatures of E.H. Amos and his cashier are clear on this early \$5 Brownback that is among the bank's earliest known notes. The Track & Price census shows 33 large size notes reported, but only four are \$5 Brownbacks.
PMG Fine 12 (800-1,200)

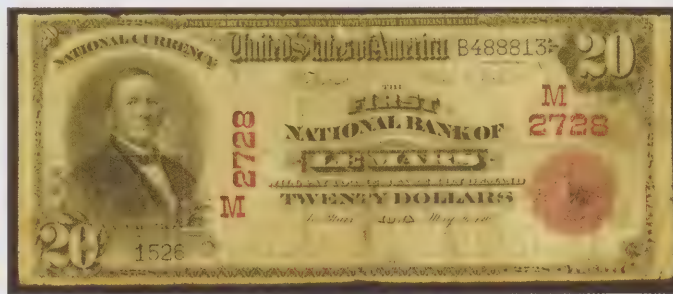

- 1429 Lake City, First NB, M4966 Fr. 542 \$10 1882DB
According to Track & Price this is one of the two earliest notes on this Calhoun County bank. The note has decent body and excellent pen signatures. There are 16 large size notes reported in Track & Price, but virtually all are Third Charters.

#1 1902 LAWLER, IA

- 1430 Lawler, First NB, M10599 Fr. 631 \$10 1902ND
#1 This note has the appearance of a VF but it's been heavily restored at the right end. If you lay it down it has a great look, it's only when held to the light things change. This is the only #1 known on this Chickasaw County bank.

DISCOVERY NOTES

Marshalltown had four different National Banks during the note issuing period and all are rare, with only the earliest bank, First National Bank #411, ever appearing for sale. That bank closed in 1928. In fact, none of the banks issued small size notes. Before now the Farmers National Bank was the only other bank to have a known note, but only one note. This bank was the town's latest chartered bank, in 1890, and it lasted until 1908. There were 4,478 sheets of \$5 Brownbacks issued and 980 \$10-10-10-20 sheets as well. Until now, this bank was absolutely unknown. Each of these two notes are virtually identical and they are only one serial number apart, #953 and #955. These beautiful notes, with excellent centering, have picture perfect pen signatures of F.S. Williams, President and D.T. Deumead, Cashier. There is a hint of a centerfold and a corner bed or two, along with a pinhole. They are fully original and have gorgeous, lightly subdued paper quality that adds character to the quality we wish all Nationals had. These notes were discovered in a Kansas farm auction earlier this year.

- 1440 Pella, NB, M2063 Fr. 499 \$20 1882BB I can find no record of this \$20 note in the Track & Price census. There are two First Charters and one other \$10 Brownback on this early bank. The Track & Price census shows 21 notes reported. This one has excellent pen signatures.

VG/Fine (2,000-3,000)

- 1449 Spirit Lake, First NB, M4758 Fr. 654 \$20 1902ND
A great name for this northern Iowa community located on the banks of a lake of the same name. In fact, there are Big Spirit and Little Spirit Lakes, if I remember my youth correctly. This is a high-grade note with lovely stamped signatures.

- 1457 Cherryvale, Montgomery County NB, 4749 Fr. 472 \$5 1882BB
Cherryvale was laid out by the Kansas City, Lawrence and Southern Kansas Railway Co. in 1871. In 1873, a fire destroyed the main business area of the town, but it was soon rebuilt. By 1879, the population had only grown to 250 souls, but new railroad construction in the area finally acted as a spur to business growth and ensured the survival of the town. This is the only \$5 Brownback out of the 13 known large size notes on the bank. The folds are heavy and splitting in places and the edges are a little rough, but the signatures are strong.
VG (600-1,200)

- 1458 Council Grove, NB, W5757 Fr. 477 \$5 1882BB
Council Grove was named for the council held in the location in 1825 between United States representatives attempting to negotiate a route to Santa Fe and the Osage Indian tribe. After the Civil War, the stagecoach that connected the town was moved to Junction City, causing terrible economic stress on the town. A savings bank was established in 1870 and the Farmers and Drivers Banks was organized in 1882. That bank's building is still standing and in use today in the center of town, across the street from the Council Grove National Bank. Twelve large notes are reported on this bank, but only this one \$5 Brownback. Nice pen signatures and enough grade to matter. A good note for the collector that wants something better, but can't afford a five figure note.

- 1467 Kirwin, First NB, 3454 Fr. 469 \$5 1882BB
This wonderful Kansas rarity is only the third note to appear on this Brownback-only bank. Just 1,954 sheets of \$5s were printed during its short life, between 1886 and 1895. Large size outstanding in 1910 was \$420. The only auction appearance of a note on this bank occurred in our March 2007 sale where we sold a VF for \$12,650. This is the only Red Seal extant and considering that only 567 sheets were printed of all denominations, it is likely to stay unique. It is well used, but intact, with a small area of wallet wear.
VG, rust (3,000-5,000)

- 1476 Wichita, NB of Commerce, W5169 Fr. 545 \$10 1882DB
One of the tougher Wichita banks. Only six notes are known on this bank that closed in 1920. Two different \$10 Brownbacks have been offered over the last decade, but this is the first 1882 Dateback.
VG/Fine (1,500-2,500)

- 1479 Carrollton, First NB, 2592 Fr. 435 \$20 1875
This is the only \$20 First Charter known from this community. It is a very attractive note with nice centering and pen signatures. Type collectors everywhere are struggling to find examples of this elusive type, and Joe Hensley had one put away. There are 32 twenties known from the state.
VF (4,000-8,000)

KENTUCKY

- 1477 Ashland, Merchants NB, 4559 Fr. 472 \$5 1882BB
One of only two notes known on this prohibitively rare Brownback-only bank. Of the four National Banks in Ashland, this is the only institution that failed to stay in business long enough to issue small size. The note appears to be free of problems and has one pen and one stamped signature.
CGA Fine 12 (3,000-5,000)

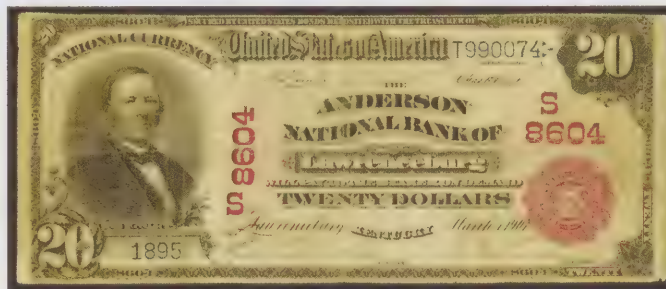

- 1480 Carrollton, NB, S3074 Fr. 613 \$10 1902RS
Ten large notes are known but only one is a Red Seal. As far as we can tell, this note was last available in a 1996 Stack's auction. Although it has seen some use, the soiling is even and the red overprint is still bold. Nice pen signatures accompany the note.

- 1481 Covington, First NB, 718 Fr. 467 \$5 1882BB
This was Covington's first National Bank (hence the title) having organized in 1864. It continued in business throughout the note issue period, and issued a prodigious number of notes. However, out of 61 large size recorded with this title, only three were \$5 Brownbacks. This example has a small repair in the center.
VG, rust (750-1,500)

- 1484 Lawrenceburg, Anderson NB, S8604 Fr. 641 \$20 1902RS
Another great Kentucky Red Seal, named for the County in which it is located. This is the only Red Seal known on the bank and has not been on the market since we sold it in 2002. Precise pen signatures and a deep red overprint enhance this rarity. A short margin split at the top affects nothing.
VG (3,500-6,000)

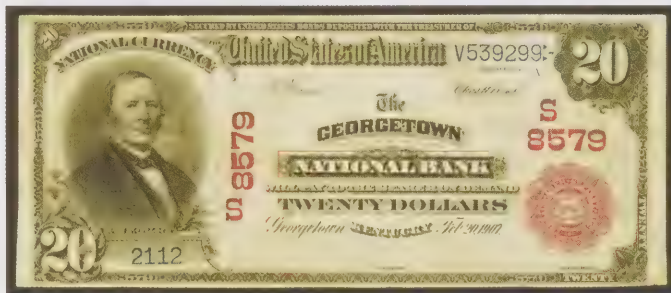

- 1482 Danville, Farmers NB, 2409 Fr. 504 \$20 1882BB
It's always a pleasure to see notes like this that have broad margins, signatures and are without problems. There are 13 large notes reported from this location, but in this land of opportunity, rarely do we, as collectors, get one.
F/VF (2,000-3,000)

- 1485 Lebanon, Marion NB, S2150 Fr. 474 \$5 1882BB
This pleasing middle-grade \$5 has an interesting layout and decent pen signatures. Despite having issued First Charter notes at the bank's inception, the Brownbacks are the earliest notes known to exist from this institution. This note is one of just four notes recorded.
Fine (1,000-2,000)

UNIQUE RED SEAL

- 1483 Georgetown, NB, S8579 Fr. 641 \$20 1902RS
Here is a handsome Kentucky Red Seal from a more difficult bank with just a dozen notes known. It is the sole Red Seal reported on the bank. Fortunately, it has a great look, as the colors are intense and the margins complete. Even the bankers' signatures are visible.
VF (8,000-12,000)

- 1486 Lexington, First & City NB, S906 Fr. 673 \$50 1902DB

- 1487 Lexington, National Exchange Bank, 2393 Fr. 404 \$5 1875 This is one of only seven large notes reported, which includes four \$5 First Charters and three \$100 1882 Brownbacks. This is an evenly circulated \$5 in nice shape with excellent pen signatures.
VF + (3,500-5,000)

- 1491 Louisville, Third NB, 2171 Fr. 404 \$5 1875 A pleasing, but well-circulated example of a Kentucky \$5 First Charter that has faint, but visible signatures. The margins are clear of the design.
Fine (1,350-1,900)

RARE KENTUCKY BROWNBACK

- 1488 London, First NB, S3943 Fr. 470 \$5 1882BB London is the seat of Laurel County. Due to its position on the Wilderness Road, it saw quite a bit of Civil War activity, including the Battle of Camp Wildcat just a short distance away. This is a rare "large only" issuer that operated from 1888 to 1914. Just three notes are reported, with this being the only Brownback. Ex-G. Martin.
Fine (3,000-5,000)

- 1492 Louisville, American Southern NB, S4956 Fr. 606 \$5 1902ND This is the second title of this scarce bank. There are only five notes reported with this title.
VG/Fine (175-250)

- 1489 London, First NB, S3943 Fr. 592 \$5 1902DB A rare bank with only three large notes reported, and this is as nice as the best of them. This note is well used and without signatures.
VG (500-750)

- 1493 Maysville, State NB, S2663 Fr. 613 \$10 1902RS Here is a fabulous, high-grade Red Seal to spice up your collection. Superb pen signatures and vivid red enhances this note, with 38 others reported.

- 1490 Louisville, Citizens Union NB, 2164 Fr. 1801-1 \$10 1929T1 A totally original and fresh example from this major bank.
AU (150-250)

- 1494 Mt. Sterling, Montgomery NB, 6160 Fr. 1800-2 \$5 1929T2 This bank only issued the \$5 denomination by the time the small size notes were being issued. Currently there are 17 known examples.
Fine (300-500)

- 1495 Owensboro, National Deposit Bank, 4006 Fr. 1801-1 \$10 1929T1 An interesting title comes with this ultra-fresh note with 53 known.
VF/XF (175-250)

- 1496 Wilmore, First NB, 9880 Fr. 1802-1 \$20 1929T1 #B000001A Had it not been for the \$5 and \$20 #1 sheets that were cut, this bank would be impossibly difficult to obtain. This \$20 was folded into quarters and put away. There is no wear on the folds or soil on the note. The Kelly census has recorded 11 small notes to date, but this is the first \$20 to show up for auction. The most amazing fact about this \$20 is that the bank only printed three sheets!

LOUISIANA

JEFFERSON PARISH AT GRETNA, LA

- 1497 Gretna, First NB of Jefferson Parish, 13732 Fr. 1800-2 \$5 1929T2 Uncut Sheet Three uncut sheets account for the majority of the 29 small size notes listed in the census on this one-bank town. However, according to one collector, many of the uncut sheets known on Louisiana were destroyed by Katrina. If that is the case, then the stats will change dramatically on this and many other notes. This sheet, however, does exist and it's for sale today. There are folds between the notes and a touch of rust on the "A" position note, as well as a corner fold on the top and bottom notes. There are 24 sheets in the state census, but that will probably have to change.
XF (12,500-25,000)

SCARCE LAYOUT ON RARE BANK

- 1498 New Iberia, NB, S3671 Fr. 469 \$5 1882BB
Students of the \$5 Brownbacks will recognize this as a scarce layout. It is also a rare bank. Only this \$5 Brownback and five Blue Seals are known. Wonderful pen signatures add to the desirability.
VF (15,000-25,000)

ONE OF TWO RED SEALS

- 1499 New Orleans, New Hibernia NB, S8734 Fr. 589 \$5 1902RS
Extremely high grade for a Louisiana Red Seal, but regrettably the bottom margin is trimmed in. There is only one other Red Seal reported on this bank, out of the 18 large size known. It has been over 10 years since either note has been available.

RARE LOUISIANA BANK

- 1500 Norco, St. Charles NB, 13839 Fr. 1801-2 \$10 1929T2 Uncut Sheet
A super rare Louisiana bank that has just three single notes in the census. Only one of those pieces has ever been offered publicly and we sold that note (a \$10 in VG) in 2006 for \$6,325. This uncut sheet is new to the market and is very nearly the last sheet of \$10s printed by the bank. There is a fold through the fourth note and the expected corner folds on the first and sixth notes. The other three notes appear to be CU. A rare opportunity to obtain a very special Louisiana ten. Signed by P.E. Peaseter, President and C.B. Ferdon, Cashier. A detailed history of the cashier and former owner, Mr. Clarence B. Ferdon, comes with the sheet.
AU (50,000-75,000)

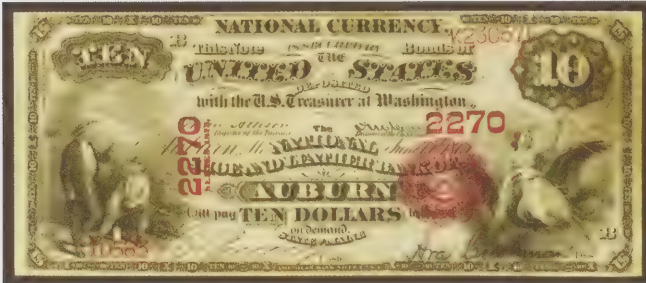

- 1501 Shreveport, Commercial NB, 13648 Fr. 1800-1 \$5 1929T1 #B000001A Louisiana is a very tough state to locate #1 notes. There are 24 Type 1 and nine Type 2 notes enumerated in the Kelly census, but they are just never offered. Then, about a year ago, the \$100 #1 sheet on this bank was cut, making six new singles available, albeit on a rare denomination. This \$5 will allow you to obtain a #1 small note from a difficult state with having to pay a premium for a \$100.
PCGS Gem New 66 (3,000-6,000)

- 1504 Bangor, First NB, 112 Fr. 466 \$5 1882BB This large-only issuer shows over 60 notes in the census, among them eight \$5 Brownbacks, including this attractive example. The unusual layout, with "starburst" style tombstone, gives this note added appeal. Despite the very close left margin trim, the condition is excellent. The pen signatures of E.G. Wyman, Cashier, and Edward Stetson, President are quite appealing.
XF/AU (1,850-2,750)

MAINE

- 1502 Auburn, National Shoe & Leather Bank, 2270 Fr. 416 \$10 1875 Here is a great new addition to the census. A beautiful 1875 Series from this popular tradesmen's title in Androscoggin, Maine. This note has beautiful color, is evenly circulated and has exceptional pen signatures of Ara Cushman and his cashier. There was a Fine sold by Stack's in 2006 at \$7,475. Today, this much higher grade rarity should certainly bring within the estimate.
VF/XF (10,000-15,000)

- 1506 Bath, NB, 494 Fr. 479 \$10 1882BB Here is a decent-looking \$10 Brownback from one of Bath's early banks. The last sale record I can find is \$2,990 in 2006. This note either has the most spread out signatures or it's two signers for the President, Arthur Sewall and F.D. Hill, Cashier.
Fine + (2,000-3,000)

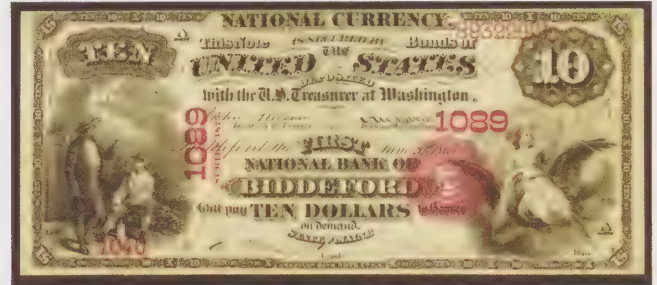

- 1503 Augusta, Granite NB, N498 Fr. 587 \$5 1902RS This is one of four notes reported with the first title on this Granite state bank. There is a small split on the left quarter fold and wallet stains on the same quarter of the back. This is truly a rare note with a few flaws, but where will another come from?
VG, rust (2,000-4,000)

- 1507 Bath, Lincoln NB, 761 Fr. 380 \$1 Original A fresh, well-centered VF Ace that has excellent body and color, as well as unusually nice centering. This has to be as pretty as you are likely to find, even with 11 in the census.
VF + (3,000-4,000)

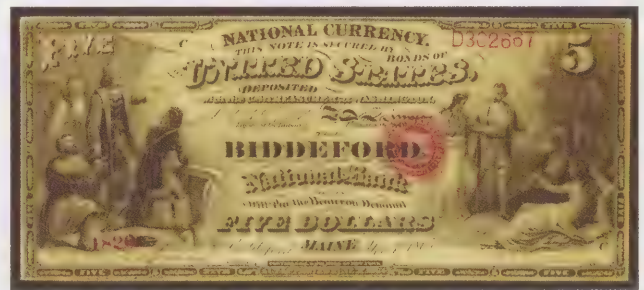

- 1508 Bath, Lincoln NB, N761 Fr. 613 \$10 1902RS
This early bank was named for Enoch Lincoln, the sixth governor of Maine and an important figure in Maine history, and not for the eponymous 16th president of the United States. It was a large bank that liquidated in 1910, and 20 of its notes are currently reported, including two Red Seals, of which this is the sole \$10 example. Though the color is excellent, it is closely trimmed and the signatures are very light.
Fine (2,500-3,500)

- 1511 Biddeford, First NB, 1089 Fr. 416 \$10 1875
A lovely, new to the census, \$10 First Charter Series of 1875. This is the first \$10 First Charter reported, and it's a nice note with pen signatures. There are few chances to acquire a note of this rarity. It's quite clear that outside of this collection there are no others that exist.
VF (7,000-10,000)

- 1509 Belfast, NB, 840 Fr. 397 \$5 Original
This note is listed in the Track & Price census, but without any information, and it's the earliest \$5 note known on the bank, from a total of 35 examples. The note shows plenty of wrinkles, but wonderful body and excellent signatures of Theo. Meershull and A.H. Bradbury. We sold a Brownback for \$3,220 in Memphis 2006, and this note should be much higher.
VF (3,000-6,000)

- 1512 Biddeford, NB, 1575 Fr. 397 \$5 Original
A scarce, early Maine bank that had 11 notes reported, but the only sales were Blue Seals. This note is new to the census and it represents the earliest known note and only First Charter. This note has even wear and excellent pen signatures.
Fine (4,000-6,000)

FIRST PUBLIC APPEARANCE IN 60 YEARS

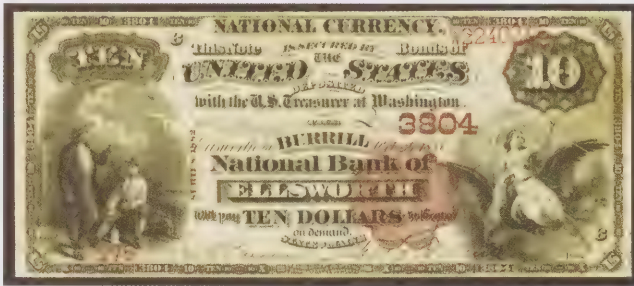

- 1510 Bethel, NB, N7613 Fr. 642 \$20 1902DB Bethel
is a one National Bank town located near Mariner's Western border in Oxford County. This bank was chartered very late in Maine National Bank terms, not being in business until 1905. During the ensuing years a total of about 3,000 sheets of large size notes were printed, and this is the second large note known to have survived. There is even circulation and no real problems, but the signatures are close to completely gone. Prospects for another could well reach another half-century.
VG/Fine (15,000-30,000)

- 1513 Brunswick, First NB, 192 Fr. 624 \$10 1902ND
A great, evenly-circulated VF that is one of only 10 large size notes reported. This Cumberland County note has excellent stamped signatures and great centering.

- 1514 Ellsworth, Burrill NB, 3804 Fr. 483 \$10 1882BB
This is a beautiful, pen-signed \$10 Brownback that has good margins. There are two different types used by this charter and this was the first, with only five surviving examples, and only a single Brownback before this note appeared. This is the best early note.
VF (5,000-10,000)

- 1515 Farmington, Peoples NB, 5861 Fr. 633 \$10 1902ND
Though chartered 11 years after Farmington's First National Bank, this was a large issuer and its known notes rival that of its larger competitor, with 10 large and nine small reported. This is one of the census examples, and it has excellent pen signatures of the bank officers.
VF (1,500-2,500)

- 1516 Fort Kent, First NB, 11403 Fr. 606 \$5 1902ND
This bank was a very late charter, especially for Maine where most banks started very early. This note is new to the census of seven large size reported. It has blue-green signatures.

All Maine Red Seals are scarce and this is one of those Red Seals. There are four known from this bank, and I believe that now there are 25 to 30 known for the entire state.
VG (1,500-3,000)

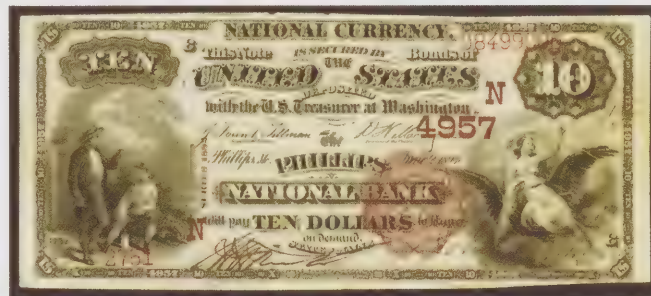

- 1521 Lewiston, Manufacturers NB, 2260 Fr. 1802-1 \$20
1929T1 This bank has 48 small size notes reported and this one could easily be an addition to that census. Ink on back.
Fine (125-250)

MADISON, FIRST NB \$10 1882BB

- 1522 Madison, First NB, N4647 Fr. 485 \$10 1882BB
This has to be among the finest and rarest of all Maine notes as there are now only three notes known on the town, located in Somerset County, that have been offered since 2000. This note has the top selvage and was signed November 5, 1907. It's clear that this note was at one time affixed to a backing that has left residue. Today this is clearly a rarity for a bank that printed just 2,097 sheets.
XF/AU (20,000-30,000)

- 1523 Phillips, NB, N4957 Fr. 487 \$10 1882BB
Here is a great note from Franklin County, from a bank with five large and five small size notes reported, that rarely ever appears at auction. This is the earliest and finest known note on the bank. This note has great color, body and centering to go with the excellent pen signatures. It's hard to go wrong when you get the best.
VF/XF (12,000-16,000)

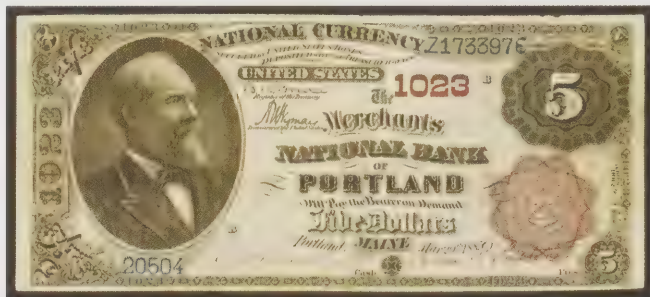

- 1524 Portland, First NB, 221 Fr. 380 \$1 Original
Notes on this bank are prolific but only four Aces are known, and this evenly circulated example is one of them. A couple of the margins are close, but not bad, and it's honest for the grade.
Fine (1,250-2,500)

- 1525 Portland, First NB, N221 Fr. 650 \$20 1902ND
One of the state's earliest banks. This note is evenly circulated.
Fine (175-300)

- 1526 Portland, Canal NB, N941 Fr. 613 \$10 1902RS
Here is a nice, evenly circulated Red Seal with great signatures of the vice president and cashier. This note is a bit dirty but has great body. This is the first Red Seal shown from the 50 large size notes reported.
Fine (2,500-3,500)

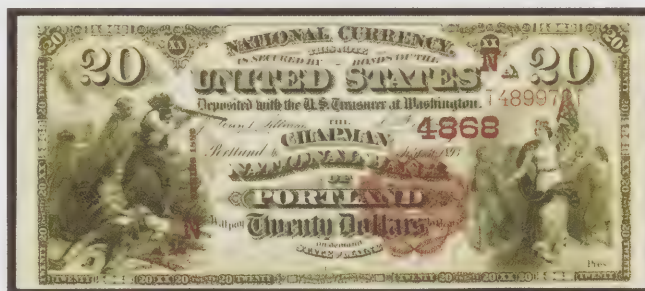

- 1527 Portland, Merchants NB, 1023 Fr. 467 \$5 1882BB
A pretty \$5 Brownback from this scarce, large-only bank that shows 16 large notes reported, and half are \$5 Brownbacks. This is a lovely, high-grade circ with excellent centering and pen signatures of James P. Baxter and C.O. Bancroft.
VF/XF (1,750-2,500)

- 1530 Portland, NB, 4128 Fr. 600 \$5 1902ND Finding any large size Maine notes in UNC is a challenge. This example, of the so-called Fourth Charter period, with engraved signatures has very minor handling. It's strictly fresh and original.
Ch. CU (1,250-1,750)

- 1528 Portland, National Traders Bank, 1451 Fr. 469 \$5 1882BB This is one of six \$5 Brownbacks known on this bank and it's certainly one of the prettiest. Although the margins could be bigger, the layout, signatures and color are tremendous. Two pinholes.
XF (3,500-6,000)

- 1531 Portland, Chapman NB, N4868 Fr. 501 \$20 1882BB Brownbacks were the earliest type issued by this bank, and this note, the very first \$20 Brownback ever recorded, is new to the census. The centering is excellent and the colors are wonderful. Out of the 38 notes reported, only four others are Brownbacks.
Ch. AU (4,000-6,000)

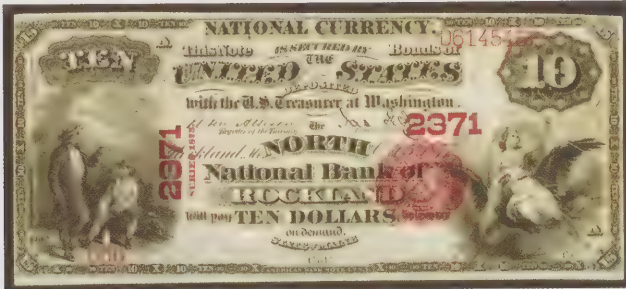

- 1529 Portland, NB, N4128 Fr. 471 \$5 1882BB If you are looking for a pretty, but affordable, \$5 Brownback from Maine then this note could fill the bill nicely. It has excellent paper quality and lovely signatures of William W. Mason and Chas. G. Allen. The note should be totally appealing to a collector. This is only the second \$5 Brownback to appear from this bank.
VF + (2,000-4,000)

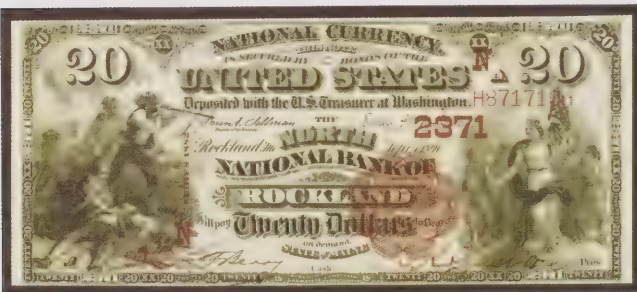

- 1532 Richmond, NB, N909 Fr. 639 \$20 1902RS #5 Richmond is a very scarce location with only seven large size notes reported. This \$20 Red Seal is listed as VF in the census, making it the highest grade of known notes. The pen signatures are bold and clear. It's a very decent looking note, not better than say a VF 20.
VF (7,500-12,500)

- 1533 Rockland, NB, 1446 Fr. 469 \$5 1882BB Notes abound on this Rockland bank with 47 large size notes reported, but only four others are \$5 Brownbacks, with this note being a new listing. This note has excellent pen signatures of John S. Case, President and G. Horn Wiggins, Cashier.
VF (2,500-3,500)

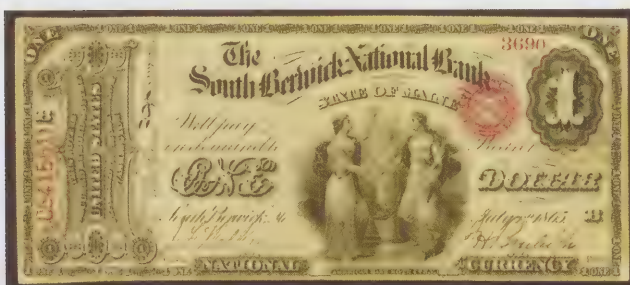

- 1534 Rockland, North NB, 2371 Fr. 418 \$10 1875
If you want a truly special note from Maine, consider this lovely First Charter \$10 with blue end paper. The bank has 35 notes reported, but few from any state will have this note's dynamic appearance and contrast. The left margin is just a bit close.
XF/AU (6,500-9,000)

- 1535 Rockland, North NB, N2371 Fr. 502 \$20 1882BB
This is truly an impressive Brownback that faces up like an UNC note, but it's technically VF/XF with explosive color and beautiful pen signatures. We can be thankful for a small handful of notes on this bank being saved. This is just the fourth \$20 Brownback to be discovered, and it's a wonderful note.
VF/XF (4,000-6,000)

- 1536 Saco, NB, 1535 Fr. 380 \$1 Original
Here is a bank that is much scarcer than you realize. There are only nine notes reported. This evenly-circulated Ace is quite decent looking and one of the bank's best. It has excellent signatures.
Fine (3,500-6,000)

- 1537 Saco, York NB, 1528 Fr. 625 \$10 1902ND
This is a pleasing, evenly-circulated Third Charter with stamped signatures that are light. Only 18 large notes are reported.
Fine (600-900)

- 1538 Searsport, NB, N2642 Fr. 477 \$5 1882BB
This note has excellent paper quality and is very well centered for the grade of F/VF. In fact recently I have seen notes graded VF 20 that were not as attractive. The president's signature is well penned and strong, but very light. This \$5 Brownback from Waldo County is new to the census and is joined by only one other Brownback, a \$10. A quality note that is now the bank's 16th large size.
F/VF (3,000-6,000)

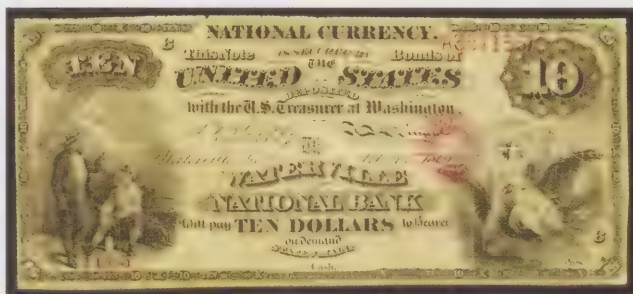

- 1539 Searsport, NB, 2642 Fr. 608 \$5 1902ND
A top-grade note from the only National Bank in this Waldo County community. This is one of 13 large notes reported, but only three small size are known. The note carries excellent pen signatures and is a fresh, well-centered note with excellent paper quality.
VF/XF (1,500-3,000)

- 1540 South Berwick, NB, 959 Fr. 380 \$1 Original
A very nice Ace from York County, the nicest of the four that have been reported. It's got excellent signatures of J.H. Burleigh, President and J.F. Walker, Cashier. This large-only bank has 17 notes reported.
VF (2,000-4,000)

- 1541 Waterville, Ticonic NB, 762 Fr. 598 \$5 1902ND
A nice looking Blue Seal that seems to be new to the census and has great signatures. There are 30 large notes reported.
VF (400-800)

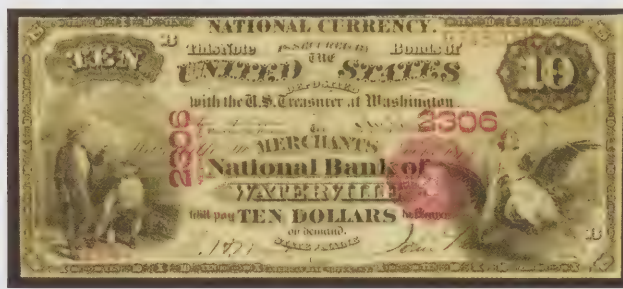

- 1542 Waterville, NB, 798 Fr. 412 \$10 Original
An excessively rare bank in Kennebec County that has only four examples known, and while this one is listed as a Fine, I don't really think it is. But it is a \$10 Original Series First Charter from an excessively rare, early bank. There has only ever been one note offered publicly, and not this one.
VG (5,000-7,500)

- 1543 Waterville, Peoples NB, 880 Fr. 1800-1 \$5 1929T1

VG/Fine (200-300)

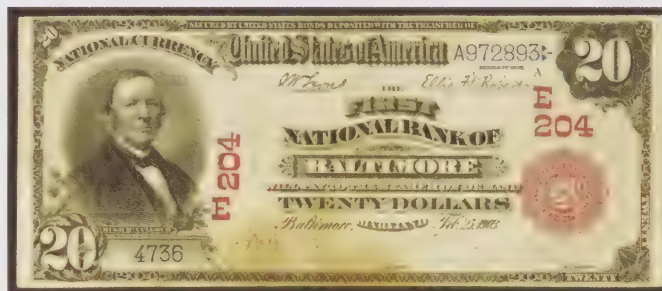

- 1544 Waterville, Peoples-Ticonic NB, 880 Fr. 1801-1 \$10 1929T1
This is one of 24 small notes reported with the second title for this bank.
Fine (225-450)

- 1545 Waterville, Merchants NB, 2306 Fr. 416 \$10 1875
There are just five large size notes reported from this Kennebec County bank, with this being a new note to the census, and we all know how rare and desirable \$10 First Charters can be. There just is not much sales history for this item.
Fine (5,000-9,000)

MARYLAND

- 1546 Baltimore, First NB, E204 Fr. 639 \$20 1902RS
Maryland Red Seals have always been an elusive type, with a smaller number known than even First Charter notes. This piece is attractive and would have been a grade higher were it not for an aged area at the bottom. Signed by H.B. Wilcox, Cashier and J.D. Ferguson, President. This is the sole \$20 Red Seal on the bank.
Fine (750-1,500)

- 1547 Baltimore, Commercial & Farmers NB, E1303 Fr. 613 \$10 1902RS
We sold a \$50 Red Seal from here in 2006, but other than that, the last auction appearance for a Red Seal was in 2000. This is an especially appealing example with its dark signatures and bright colors. Eighteen notes are known on this large-only bank.
Fine (1,000-2,000)

- 1548 Baltimore, Western NB, E1325 Fr. 613 \$10 1902RS
Need a \$10 Red Seal to represent the state? You couldn't do better than this striking note. It has all the attributes one looks for. A small circle of rust on the back won't bother anyone. Excellent signatures.
VF (1,500-2,500)

- 1552 Baltimore, NB, 1432 Fr. 412 \$10 Original
Perfect for the grade, with full margins and unbelievable signatures for a First Charter in this condition. It even has a bit of rarity, as it is the only \$10 First Charter on the bank, and only the fourth from the whole of Maryland.
VG (2,500-5,000)

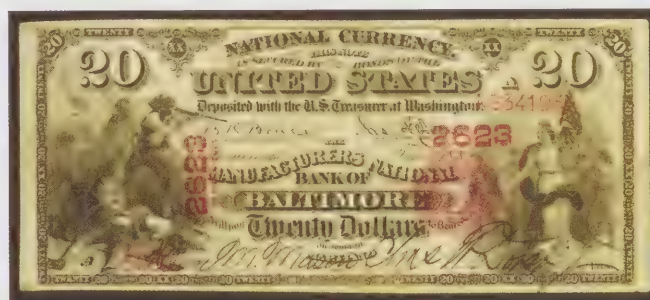

- 1549 Baltimore, Merchants NB, E1336 Fr. 639 \$20 1902RS
Looking at this sale, one might think Maryland Red Seals were common, but you would be mistaken. Just be thankful for the selection and grab a couple. Only two \$20 Red Seals are known on this charter. Bold signatures. The right side on the back shows wallet wear.
VF (1,000-2,000)

- 1553 Baltimore, National Union Bank of Maryland, E1489 Fr. 639 \$20 1902RS
Of the 83 large size notes on this bank, only five are Red Seals. This is a new discovery and the only \$20. Great color but a few staple holes are scattered about.
VG/Fine (800-1,500)

- 1550 Baltimore, Citizens NB, E1384 Fr. 587 \$5 1902RS
An extremely common large-only bank, but Red Seals make up less than 4% of the known notes. With bold engraved signatures.
VG/Fine (1,000-1,500)

- 1554 Baltimore, Manufacturers NB, 2623 Fr. 435 \$20 1875
The \$20 First Charter type is difficult to locate and is on many a want list. This piece is especially nice since the "Baptism of Pocahontas" vignette is undisturbed by harsh folds. The pen signatures are way above average. This rare bank closed in 1903 after issuing First Charters and a handful of Brownbacks. Just nine First Charters remain today. Except for a \$20 selling earlier this year, there had been no offerings since 2000.

1882DB This was a short-lived Baltimore bank that operated between 1901 and 1914, and issued over \$1.5 million in circulation. Surprisingly, just a half-dozen notes have been reported, including this attractive example which still bears good signatures.

IMPORTANT MARYLAND OFFERING

- 1561 Cambridge, Dorchester NB, E4085 Fr. 644 \$20

1902DB Dorchester County lies on Maryland's Eastern Shore, and Cambridge was the only town in the county to issue notes. This bank was only in business from 1889 to 1915 and issued just two different sheets, 1,767 sheets of one \$50 and one \$100 Brownback (which is the other surviving note) and 3,496 sheets of the \$10-10-10-20 1902 Datebacks, and this is the other known note. The \$100 sold eight years ago and it remains under tight control. This note has excellent pen signatures of the vice president and cashier, and it is attractive and problem-free. It grades VF, probably a "20", maybe a "25", no better, no worse. Old and new collectors should be pleased with the opportunity to acquire such a rarity.

- 1562 Cambridge, Farmers & Merchants NB, 5880 Fr. 705 \$100 1902ND This note is not only new to the census, but it's the finest known of the now six reported. This note is an AU with excellent pen signatures of Winfred Nathan and L.S. Philip. The 1882 Dateback has a listing at \$21,450. While this note is such a peach and just a very minor closed split along the margin. The top cut is a bit uneven but the bottom selvage is intact. There were only 787 sheets of these printed. AMAZING \$100 TYPE 2 CAMBRIDGE

- 1564 Cambridge, Farmers & Merchants NB, 5880 Fr. 1804-2 \$100 1929T2 #A000008 This new discovery is the second known \$100 Type 2 from Cambridge. There is a \$100 Type 2 on Salisbury in VF as well. This note came from the Cambridge Collection. I have offered here a Ch. AU, serial #8, that looks UNC. One must consider that ONLY 35 were printed near the end of the National Banking era. The entire nation has only saved 261 \$100 Type 2 notes in all grades, and UNC's are virtually impossible to locate. We sold the other known example for \$9,487 in June 2004.
Ch. AU (10,000-20,000)

- 1565 Cockeysville, NB, 4496 Fr. 1802-1 \$20 1929T1 A very high-grade example of this Baltimore County bank that doesn't show up often. We did have an XF \$10 that realized \$1,380 last year. The bottom margin is a little close on this note.
XF/AU (1,000-2,000)

- 1566 Denton, NB, E2547 Fr. 577 \$10 1882VB There are 23 \$10 Valuebacks from Maryland on nine different banks. This is a decent one, but the centerfold is a bit heavy and separating at the edges. Outstanding pen signatures.

Prior to the surfacing of this First Charter \$10, only four Brownbacks and two Red Seals were known. Although this note exhibits a New England trim it does have distinct pen signatures and the blue end paper. With one of the more interesting Massachusetts titles. VG (2,500-3,500)

- 1586 Gloucester, Cape Ann NB, N899 Fr. 613 \$10 1902RS
Here is a note that will create some excitement. This special title has 47 large size notes known, but only two are Red Seals. One is a \$50 that has been in hiding since 2005. The other is this highly desirable \$10 with clearly stamped signatures and phenomenal color. The last time this note was available was when we auctioned it in 1996. F/VF (3,000-6,000)

- 1587 Harwich, Cape Cod NB, 712 Fr. 467 \$5 1882BB
This beautiful \$5 Brownback has a super layout and carries one of the best titles in the state. In the 10 + years that the Power Collection was being assembled, this note was never available. Had it been up for auction, you would have seen a battle. No doubt you still will. Totally original with superb pen signatures. - 1591 New Bedford, First NB, 261 Fr. 393 \$2 1875
A glorious UNC Series 1875 Lazy Deuce from this popular, early Massachusetts bank. The centering is amazing on three sides, so the bottom has suffered minimally at the right where it's too close to be Gem, but it is certainly worthy of the grade.

- 1592 North Adams, NB, N1210 Fr. 587 \$5 1902RS
This is a striking note, to say the least. It looks like the cashier and the president tried to mimic each other with their signatures. This note received very little circulation before it was saved and has retained all of its crispness. It is new to the census and is the finer of the two known Red Seals. This second title has 24 known specimens.

MINNESOTA

- 1618** Carlton, First NB, 6973 Fr. 1801-2 \$10 1929T2
A very seldom seen note from the county of the same name and new to the census to boot, bringing the total to 11 small notes reported. This may well be the third best, and it's the only Type 2.

- 1619** Eveleth, First NB, 5553 Fr. 607 \$5 1902ND
Small notes appear for auction from time to time on this bank, but large size notes do not. This excludes one particularly low grade \$10 Plainback that appeared at least 10 times from 1999 through 2005 at various venues. Other than that note, the only definitive example of another large size note being offered was an extremely poor grade \$10 Brownback in 1998. That makes this very presentable note a prize for the Minnesota buyers. It has no damage, is reasonably clean and exhibits clear stamped signatures. It is new to the census and is the eighth large note known.

- 1627 Red Wing, First NB, 1487 Fr. 469 \$5 1882BB
Red Wing is the seat of Goodhue County and resides along the bank of the Mississippi River. There are three notes of this type in the census, and the grade of this piece is right in the middle. With the First Charter layout and pen signatures. A blob of ink on the front shows through on the back. Signatures of Jess McIntire, VP and N.P. McIntire, Cashier.
Fine (1,500-2,500)

- 1625 Marshall, Lyon County NB, M4595 Fr. 628 \$10 1902ND
Excellent stamped signatures enhance this evenly-circulated, mid-grade note. The margins are not large, but with only seven large notes reported it will be hard to find a better one.
F/VF (750-1,500)

- 1628 Saint Paul, American NB, 6828 Fr. 650 \$20 1902ND

PMG Ch. Fine 15 (200-400)
- 1629 Saint Paul, Capital NB, M8108 Fr. 651 \$20 1902ND

- 1626 Proctor, First NB, 11125 Fr. 1800-2 \$5 1929T2
Only fives were issued by this Saint Louis County bank. This is a decent note with a tiny wear hole in one corner. There are now 14 small size notes known with this addition.

MISSISSIPPI

- 1630 Pontotoc, First NB, 9040 Fr. 1802-1 \$20 1929T1
A new find that puts the small size count at just under 20. A pleasing, well-centered representative from this one-bank town. These aren't seen as often as one would expect.

ONLY TWO NOTES KNOWN

- 1631 Port Gibson, Mississippi NB, 5715 Fr. 477 \$5 1882BB** A great Mississippi note that has been the topic of conversation at many a pre-auction analysis session. There is only this note and a serial #13 in the census, both listed in the same condition. The bank issued Brownbacks only for a period of six years before bowing out in 1907. This was the only National Bank in town, or in Clairbourne County. Notes from here were unheard of until these \$5 Brownbacks showed in 2005. Worth as much, or more, today as it was when it was first discovered.
VF (30,000-40,000)

MISSOURI

- 1632 Appleton City, First NB, M2636 Fr. 577 \$10 1882VB** For a circulated note this \$10 Valueback has tons of eye-appeal. The humongous margins and fine pen signatures makes this a bank note that any collector would enjoy owning. It's even on the scarce side with 10 large size and two small size notes in the census. A bank postcard is included with the note.
F/VF (3,500-5,000)

- 1633 Joplin, NB, M4425 Fr. 670 \$50 1902DB** An attractive, high-denomination note from a bank that favored \$50s and \$100s. The bank has 22 large size notes reported.
VF (1,500-3,000)

RARE KANSAS CITY BANK

- 1634 Kansas City, Continental NB & Trust Co., M12260 Fr. 609 \$5 1902ND** This is the next to last bank to be chartered in Kansas City and it was a plan that didn't work out. The bank barely lasted 14 months before being liquidated. Just four notes are in the census, with only two of them ever being offered to collectors publicly. Signed by J. Hughes, President and M. Bingham, Cashier.
VF (5,000-7,500)

- 1635 King City, First NB, M4373 Fr. 619 \$10 1902DB** Absolute originality and Gem appearance for this popular northern Missouri town. Excellent pen signatures add to the beauty and desirability.
XF/AU (350-700)

NEW TO CENSUS

- 1636 St. Louis, Fourth NB, M283 Fr. 686 \$100 1902RS** Here is a new find for the census that is quite a surprise. A great looking, evenly circulated \$100 Red Seal from a bank that had only 11 large size notes reported, and all but two are \$50s and \$100s. This note has quite a president's signature. The note shows even wear with the face appearing slightly better than the back, and the color and centering are excellent. This is a great opportunity to make this addition as its been five years since there was a \$50 Red Seal and 11 years since a \$100 Red Seal were available. Do you really want to wait around?

- 1640 Tarkio, First NB, 3079 Fr. 1801-1 \$10 1929T1
A tough bank in far northwest Missouri, near the Iowa line. This new addition will make 10 small notes reported.
Fine (300-500)

- 1638 St. Louis, State NB, M5172 Fr. 477 \$5 1882BB
The signatures have survived quite well, considering the amount of purchasing this note must have done. This St. Louis bank issued only large size and was quite prolific.
VG (375-575)

- 1639 St. Louis, State NB, M5172 Fr. 545 \$10 1882DB

NEW TO THE MARKET

1641 Webb City, NB, M8016 Fr. 588 \$5 1902RS
A premium Missouri note from a large-only bank that is not known for Red Seals. Outstanding signatures on this new discovery, the only \$5 Red Seal in the census of 15 notes.
Fine (10,000-12,500)

MONTANA

DESIRABLE BIG TIMBER, MONTANA

- 1642 Big Timber, NB, W4932 Fr. 542 \$10 1882DB Who wouldn't like this descriptive western title? Just two notes are known on the bank, with this the only note to ever be offered for sale publicly. The other note is in very strong hands and will probably not see daylight for a long time. This example is well used, but intact and without serious faults. The only town in Sweet Grass County to host a National Bank. The signatures are gone.
VG (30,000-50,000)

FABULOUS GREAT FALLS BROWNBACK

- 1643 Great Falls, First NB, 3525 Fr. 485 \$10 1882BB
There is a total of 58 Brownbacks recorded from Montana, but most are in strong hands and have little chance of being available anytime soon. This is the top note from a partially cut sheet of amazing quality. We sold the "B" position note in March for just under \$20,000. Since the owner has decided to retain the uncut bottom pair, you might give serious consideration to this opportunity. There are a few sheet folds present, but the note could not be more original. The marvelous pen signatures of D.J. Hennessy, Vice President and J.G. Morony, Cashier are icing on the cake.
Ch. AU (25,000-50,000)

- 1644 Helena, NB of Montana, WS671 Fr. 490 \$10 1882BB
This desirable Montana type is new to the market and among the first notes issued by this bank. This example shows some heavy folds with holes and splitting in places, but with a decent overall look.
VG (5,000-7,500)

- 1645 Kalispell, Conrad NB, 4803 Fr. 472 \$5 1882BB
Kalispell serves as the seat of Flathead County and was founded in 1891 by James J. Hill as part of the expansion of the Great Northern Railroad. From the 40 large notes on this bank, five are \$5 Brownbacks and the rest are 1882 Datebacks and Third Charters. Well used, but the pen signatures of W.G. Conrad and G. Phillips remain.
VG (4,000-8,000)

- 1646 Kalispell, Conrad NB, 4803 Fr. 1802-1 \$20 1929T1
An average circulated note from a bank with 84 small size notes known. A family bank and this note was signed by a Conrad.
Fine (500-750)

ONLY THREE KNOWN

- 1647 Saco, First NB, W9789 Fr. 653 \$20 1902ND
Here is a really rare bank with fine, two-color pen signatures. It is solid for the grade. One of only three notes known. I would not wait for another, since the bank only issued 1,442 sheets of Blue Seals before going into receivership in 1926.

NEBRASKA

We are pleased to be able to present a wide selection of Nebraska notes from the D. Bruder Collection. This state is gaining in popularity and bidders should find lots of opportunities to add to or upgrade their collections. Happy hunting!

- 1649 Albion, NB, 3960 Fr. 626 \$10 1902ND
This well-signed example comes from a run of CU notes that have long provided collectors with their large size type material from Nebraska. Formerly available, offerings have been sparse in the last several years. This example is 100% original with a minimum of handling, but has a tight top margin.
CU (750-1,250)

- 1650 Albion, NB, 4173 Fr. 1801-1 \$10 1929T1
Cavernous embossing and virtually zero handling makes this note a perfect representative for your small size Nebraska in a state set.
Gem CU (500-750)

- 1652 Alliance, NB, 5657 Fr. 1801-1 \$10 1929T1
This scarcer bank from Box Butte County shows just 22 small notes in the census. This piece is problem free and has decent margins. According to Track & Price, it is a difficult type and denomination to obtain.
VG (250-500)

- 1653 Ashland, NB, W2921 Fr. 624 \$10 1902ND
Of the three banks in Ashland, one closed in 1876 and is extremely rare and one issued only small size notes, leaving this relatively scarce bank as one's only option if a large note is desired from this community. Of the 14 large notes reported on the bank, this is quite possibly the finest. The purple stamped signatures of White, Cashier, and Randall K. Brown, President, are unfaded.

- 1654 Ashland, NB, W2921 Fr. 639 \$20 1902RS
This unique \$20 Red Seal is new to the market and only the second Red Seal known on the town. Signed by F.E. White, Cashier and what should be R.K. Brown, President, except that the signature has faded.
Fine (3,500-6,500)

- 1655 Auburn, First NB, 3343 Fr. 1801-1 \$10 1929T1
Two nearby towns named Sheridan and Calvert merged in 1882 to form Auburn, but their rivalry continued after incorporation. The two business districts went by North Auburn and South Auburn, even maintaining two post offices. This bank was located in what used to be Sheridan. The bank took this second title in 1905. Receivership came swiftly, soon after this note was issued, with the bank closing in 1931. That left a somewhat scarce charter to find in small size, with just 14 pieces recorded. Part of a teller stamp shows on the front.
F/VF (200-400)

- 1656 Auburn, Carson NB, 3628 Fr. 1801-1 \$10 1929T1

FINEST OF SIX KNOWN

- 1658 Aurora, Fidelity NB, W8246 Fr. 651 \$20 1902ND
This rare bank from Hamilton County is the finest of only six notes known on this large-only bank. Chartered in 1906, the bank remained open only until 1920. The quality of this example would please any collector. The crisp paper and excellent pen signatures add to an already desirable Nebraska rarity. It has been eight years since any note from this bank has been auctioned, with this being the first Plainback.
XF (2,000-4,000)

- 1659 Bancroft, First NB, W8863 Fr. 626 \$10 1902ND
Just four large notes have survived on this rare one-bank town in Cuming County. Except for this exact note, which we offered in 2002, one must look back to a 1984 Hickman sale to find another large note offered at auction. This example shows some circulation, but it is undamaged and shows partial stamped signatures. The large size outstanding in 1935 amounted to just \$1,200.
VG (1,750-3,500)

- 1660 Bayard, First NB, 9666 Fr. 1801-1 \$10 1929T1
Although there are currently 13 small notes in the census from this small bank, examples must be in strong hands, since only two of those 13 pieces have ever been seen in a public sale. The most recent appearance was last month, when a note we had previously sold in 2005 reappeared in the Long Beach sale. Prior to that, a \$20 was auctioned in 1997. No other notes, large or small, have been offered according to our data. This example, which is new to the census, is crackling fresh and over a full grade nicer than the note that sold last month.
VF/XF (500-1,000)

- 1661 Beatrice, First NB, 2357 Fr. 632 \$10 1902ND
Lovely purple stamped signatures enhance the overall quality of this well-centered note. Thirty-four large notes are in the census.
VF (400-800)

- 1662 Beatrice, First NB, W2357 Fr. 632 \$10 1902ND
Here we offer a second large example from this Gage County bank. The paper quality is excellent, however the red stamped signatures are weak.
VF (375-750)

- 1663 Beatrice, NB, W3081 Fr. 639 \$20 1902RS
The blue stamped signatures of D.W. Cook, President and H.H. Waite, Cashier make this a desirable Gage County note. This is the 37th large size note on the bank, but few are Red Seals. An area of toning is noticed.
VF, rust (3,500-6,500)

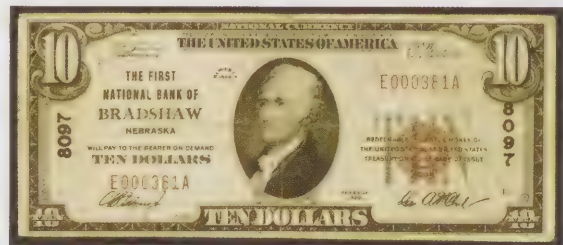

- 1664 Beatrice, NB, 3081 Fr. 1801-2 \$10 1929 Type 2
This is a sharp, lightly circulated \$10 Type 2 from the county seat.
XF (400-600)

- 1665 Beatrice, NB, 3081 Fr. 1801-2 \$10 1929 Type 2
A decent example from the 50 or so known.
VF (200-400)

- 1666 Belden, First NB, 10025 Fr. 1802-1 \$20 1929T1
The population of Belden in 1930 was just 248, so it is no wonder that this was the sole National Bank in this tiny community. This piece is one of 19 singles that have survived. This note is bright, but the top and bottom margins are soft and frayed a bit. In spite of the number known, small notes are rarely offered, with just two pieces traded in as many decades.
VF (500-1,000)

- 1667 Bradshaw, First NB, 8097 Fr. 1801-1 \$10 1929T1
This scarce one-bank town in York County shows nine singles and one uncut sheet in the census. A better indicator of value, however, is the actual number of notes that are offered for sale. Using that metric, this is a super rare small size note, as this very note is the sole small size ever to be available at auction to the collecting public. It has been off the market since 2005, but your wait is now over. Don't miss it.
Fine (500-1,000)

- 1668 Broken Bow, First NB, 3449 Fr. 469 \$5 1882BB
A great layout, a great name and enough grade to matter. What more could a collector ask for? The census shows 11 notes known on this Brownback-only bank, which is a surprise since the outstanding in 1910 was \$795. However, notes like this tend to be tightly held, so opportunities are few and unpredictable.

- 1670 Chadron, First NB, 3823 Fr. 1801-1 \$10 1929T1
This is a beautiful small size example from a bank that has just 28 pieces in the census. A few faint bends put this note at the top of those known. It is certainly nicer than any other small note offered in years.
AU (500-1,000)

- 1671 Coleridge, NB, 10023 Fr. 1801-1 \$10 1929T1
Of the 33 small size recorded from this small Cedar County community, few exceed the quality of this beauty. Excellent margins and color on this scarcer denomination.
Ch. AU (300-600)

- 1672 Columbus, First NB, W2807 Fr. 650 \$20 1902ND
A great looking note from Platte County, aided by the red stamped signature of A.P. Miller, Cashier and G.H. Gray, President, who signed in pen. Of the 15 large notes in the census, only two are \$20 Plainbacks.
F/VF (500-1,000)

- 1673 Columbus, Commercial NB, 5180 Fr. 1802-1 \$20 1929T1
Far scarcer than the more often seen Central National Bank, with 13 small size known. This is the best of the group. Completely original, with some embossing remaining.

ENVIABLE #1 RED SEAL

- 1675 Creighton, NB, W8797 Fr. 615 \$10 1902RS #1 Few collectors can hope to own a #1 Red Seal from their state, especially a high-grade note with beautiful pen signatures like this note has. This is actually an extremely rare bank as well. Just six large size notes are known, with four of them thanks to this #1 sheet that was cut. The bank issued a pittance in small size and remains unknown in the 1929 Series. A note worthy of the finest collection. Signed by J.F. Green, Vice President and F.P. Berger, Cashier.
XF (30,000-40,000)

- 1676 Crete, First NB, W2706 Fr. 613 \$10 1902RS Ten notes are reported on this large-only bank, with this the first Red Seal to cross the auction block in a decade. The overprint and signatures are a little weak.
Fine (3,000-5,000)

- 1678 Crofton, First NB, 8186 Fr. 1801-1 \$10 1929T1 This small, one-bank town in Knox County only printed 449 sheets of small notes, yet has many more pieces known than one would expect. Fortunately, this is a problem-free beauty.
XF/AU (300-600)

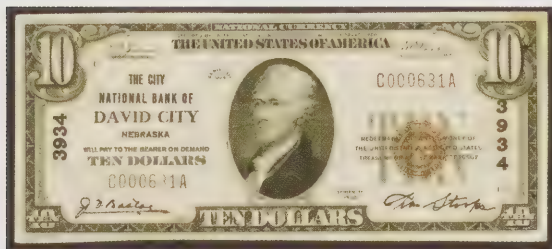

- 1677 Crete, City NB, 9731 Fr. 1801-1 \$10 1929T1 Moderately scarce with 28 small notes reported, but with more grade than most. Crackly fresh and very attractive. These always bring strong prices when offered.
XF (400-800)

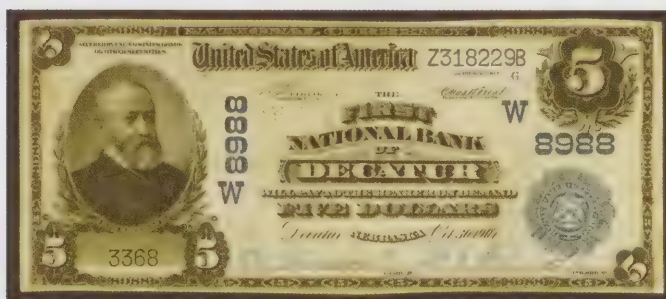

- 1679 Crofton, First NB, 8186 Fr. 1802-1 \$20 1929T1 There are about one-quarter as many \$20s known on this bank as there are \$10s. The bank closed early, falling into receivership in June, 1932.
XF (250-500)

- 1680 David City, Central Nebraska NB, 3801 Fr. 1801-1 \$10 1929T1 The 21 specimens recorded from this institution are hardly enough to satisfy the demand for this title from the "first name" collectors. It seems there has been but one opportunity to purchase a small note from this bank at auction in nearly ten years, according to Track & Price. That was a low-grade \$10 Type 1 that brought \$261 in early 2005.
XF (400-800)

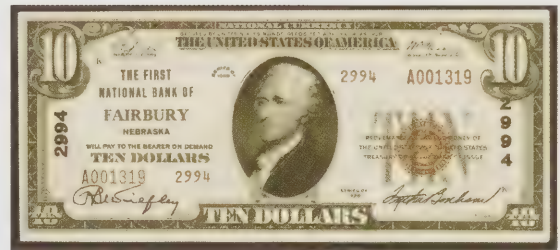

- 1681 David City, City NB, 3934 Fr. 1801-1 \$10 1929T1 This note is new to the census and increases the total to 23 examples. It turns up a little more often than charter #3801.
VF (350-700)

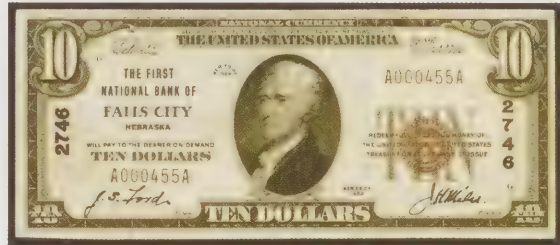

- 1682 Decatur, First NB, W8988 Fr. 600 \$5 1902ND This is a solid mid-grade specimen from the only National Bank in this small community. Excellent blue stamped signatures of E.A. Hanson, Cashier, and J.B. Whitlier, President. Seventeen large notes are reported. We sold a similar note in March of this year for \$805, but it had a different cashier's signature.
Fine (500-1,000)

- 1683 Decatur, First NB, 8988 Fr. 1801-1 \$10 1929T1 Here is a well circulated small size to go with the large size listed here. The note shows even wear and lacks many of the problems that normally come with notes in this grade.
VG (200-400)

- 1684 Fairbury, First NB, 2994 Fr. 1801-2 \$10 1929T2 A crispy \$10 Type 2 that would have been Choice CU but for a single center fold.
XF (350-650)

- 1685 Falls City, First NB, 2746 Fr. 1801-1 \$10 1929T1 A pleasing example from the sole bank to issue Nationals in this county seat. The population of 21 notes is about evenly divided between \$10s and \$20s.
VF (400-600)

- 1686 Fremont, First NB, W1974 Fr. 602 \$5 1902ND Fremont's earliest bank ran into trouble and closed in 1921, but not before issuing a large number of sheets of Red Seals and Blue Seals. However, since charter #3188 assumed their circulation, most of that issue was pulled, until only 21 examples remain today. This piece has blue stamped signatures that have weakened slightly and a small stain, as noted on the PMG holder. Graded Fine 12 by PMG.
PMG Fine 12, small stain (350-700)

- 1688 Fremont, Union NB, 3188 Fr. 624 \$10 1902ND**
This is the second title of a bank chartered in 1884 under the Farmers & Merchants title. Although the note has seen some use, it is solid and has just two minor margin splits affecting nothing.
VG (250-450)

- 1689 Fullerton, NB, 5384 Fr. 1802-1 \$20 1929T1**
This Nance County bank has 37 small size notes recorded, including this one. Offerings have really slowed in the last few years. This piece has not seen use, but has some faults including a tear and some graffiti.

- 1690 Genoa, First NB, 5189 Fr. 1801-2 \$10 1929T2**
The nicest of only three \$10 Type 2s on this bank and the only Type 2 that has ever been available at auction from this institution.

- 1691 Genoa, First NB, 5189 Fr. 1802-1 \$20 1929T1**
This fresh example is the finest, or second finest small size note in the census of 27 pieces. It exhibits huge margins and light handling. Excellent embossing attests to its originality.

A high-grade \$20 Type 2 from the largest bank in Grand Island, the seat of Hall County. Although not at all scarce, it is a full margined and pretty note.
XF (250-500)

- 1693 Grand Island, NB, 9395 Fr. 626 \$10 1902ND**
This was Grand Island's second largest banking institution, and was chartered in 1909. It was liquidated in 1930. Today 46 large size notes remain to mark its existence. This peach has no defects and carries bright purple stamped signatures. New to the census.

Ch. VF (200-300)

- 1698 Holdrege, First NB, 3208 Fr. 1801-2 \$10 1929T2
Small size notes from this town were available a few years ago, but that is not the case today. Quite nice condition in spite of two insignificant pinholes. This is a rare type and denomination as there are only three \$10 Type 2s out of a population of 27 small size notes.
XF (250-500)

- 1699 Imperial, First NB, 9762 Fr. 1802-1 \$20 1929T1
A great town name and a rare bank as well. Just eight small size notes have been accounted for. Evenly circulated.
Fine (1,000-2,000)

- 1700 Johnson, First NB, 8161 Fr. 1802-2 \$20 1929T2
There were two National Banks in town, but only this one stayed in business long enough to issue small size notes. Some light discoloration is noticed on this rare \$20 Type 2. This is a new discovery and increases to four the number of Type 2s that exist from a total population of 33 notes. That may sound like plenty, but surprisingly, the last time a small size note crossed the auction block was in 1980!
VF (400-600)

- 1701 Kimball, American NB, 13420 Fr. 1800-2 \$5 1929T2
This bank is known for its hoard of uncirculated Type 2 \$5s, \$10s and \$20s. This must be one of the best with its flawless surfaces and wonderful centering.
PCGS Very Ch. New 64 (400-600)

- 1702 Kimball, American NB, 13420 Fr. 1800-1 \$5 1929T1
An evenly-circulated and affordable note from the county seat.
Fine (100-200)

- 1703 Kimball, American NB, 13420 Fr. 1801-1 \$10 1929T1
A decent note from the only bank to issue in sparsely populated Kimball County.

FINEST NOTE ON THE BANK

- 1704 Laurel, NB, 9979 Fr. 653 \$20 1902ND Here is one you don't see every day. There were two National Banks serving this community of about 800 souls, and both closed in the late 1920s. This bank was organized in 1911 and issued only 1902 Blue Seals until it failed in 1927. Eleven notes are in the census, but only two have ever appeared for sale, both in late 2004. This lovely example is the finest note on the bank and is a piece you will be proud to own. A light center bend and clear embossing, as well as good stamped signatures, allows me to agree completely with the assigned grade. Certainly worthy of a strong bid.
CGA AU 58 (2,500-5,000)

- 1705 Lincoln, City NB, W5213 Fr. 577 \$10 1882VB Here is a better Nebraska type from an available bank in Lincoln. The signatures have faded and there are a few pinholes.
Fine (1,500-2,500)

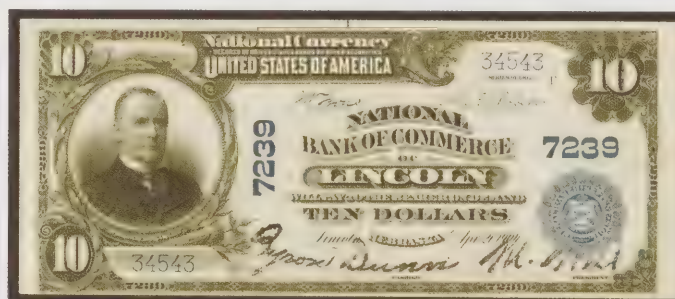

- 1706 Lincoln, City NB, 13017 Fr. 635 \$10 1902ND This very fresh CU note was poorly cut, but has clear stamped signatures. An addition, below the cashier's signature is one I have not seen before. It reads, "Vice-Pres. and Cashier." It is a better Lincoln bank as well, having been in business a mere 1-1/2 years, bowing out in May 1928. Just 10 notes are known.
PMG UNC 62 EPQ (850-1,700)

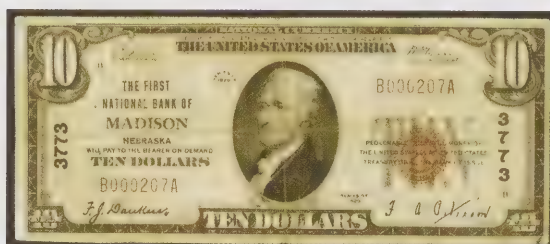

- 1707 Lincoln, First NB, 1798 Fr. 1802-1 \$20 1929T1 A well-margined and bright note from the state capital.
XF (125-250)

ONLY CU LARGE NOTE ON THE BANK

- 1708 Lincoln, NB of Commerce, 7239 Fr. 624 \$10 1902ND An excellent choice for any large size state capital collection. Not a difficult bank to locate in small size, but with 41 large notes in the census, you would expect more large size to be offered than we seem to have. While there are a number of nice grade notes in the census, uncirculated notes are a rarity. As a matter of fact, the note we offer here is the only uncirculated large size on the bank! Bold stamped signatures of Byron Dunn, Cashier and M. Weil, President.
PCGS Very Ch. New 64 PPQ (1,500-2,500)

- 1709 Lincoln, NB of Commerce, 7239 Fr. 1802-1 \$20 1929T1 A high-grade note, but a couple of tiny pinholes are noticed.
Ch. VF (100-200)

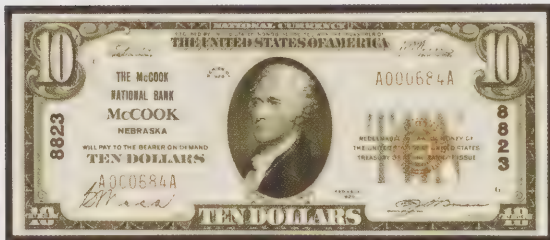

- 1710 Madison, First NB, 3773 Fr. 1801-1 \$10 1929T1 A solid example from one of three banks in town, two of which issued small size. Twenty-one notes have been seen on this institution in small size.
VG (200-300)

- 1711 McCook, First NB, 3379 Fr. 625 \$10 1902ND
Small size notes are regularly available on this bank, but that is not the case with large size. Prior to this note's appearance, only one note out of the five known has ever been offered at a public sale. That occurred this year when a Fine 12 brought \$1,265 at our Memphis sale. This attractive VF, with violet stamped signatures, should do much better. New to the census.
PCGS VF 20 (2,000-3,000)

- 1714 Nebraska City, Otoe County NB, W1417 Fr. 613 \$10 1902RS
Extremely common with a Blue Seal, but just the opposite for the Red Seal. This new addition to the census is only the second Red Seal to surface on this bank. Oliver A. Kimmel signed in pen, as president. The cashier also signed in pen, but I can't decipher the name. The bold red color shows through despite light soiling.
VG/Fine (6,000-9,000)

- 1712 McCook, NB, 8823 Fr. 1801-1 \$10 1929T1
This beauty has many of the attributes of a CU note, but unfortunately acquired a center bend somewhere along the way. The census lists 43 small notes.
AU (300-600)

- 1715 Nebraska City, Otoe County NB, 1417 Fr. 624 \$10 1902ND
A large group of \$10 Plainbacks has provided the hobby with an attractive Nebraska note as well as an excellent choice for a type note. Either way, you can't lose with this peach. The Overland Trail started at the Otoe County courthouse here, and ran to Oregon.
CU (500-1,000)

- 1713 Minden, Exchange NB, W9400 Fr. 626 \$10 1902ND
Well used, but without damage, save for a slightly frayed corner and one pinhole. The low outstanding of \$810 in large size leads me to think that we won't see many new additions to the 11 notes already recorded. Other than an example sold in 1997, this piece is the only other large size note that has ever been offered on the bank.
VG (500-1,000)

- 1716 Nebraska City, NB, W1855 Fr. 646 \$20 1902DB
There are 37 large size notes reported on this bank, but only two of them are \$20 1902 Datebacks. There is some light damage at the corners.
VG, corner off (250-350)

- 1717 Nebraska City, NB, 1855 Fr. 1801-1 \$10 1929T1
This is a fairly available bank with 33 small size notes in the census. The note looks new at first glance, but our inspection reveals a few folds.
VF/XF (250-500)

- 1721 Norfolk, NB, 3347 Fr. 1801-1 \$10 1929T1
Nineteen small size notes are listed on the bank. This is a pleasing, no-problem example.
Fine (250-500)

- 1718 Nebraska City, NB, 1855 Fr. 1801-1 \$10 1929T1
An evenly used note with good margins.
VG (150-300)

- 1722 North Platte, First NB, 3496 Fr. 1802-1 \$20 1929T1
Plenty of small size notes are recorded in the census, but opportunities to purchase any small size note at auction in the last few years have been few. The only faults worthy of mention are a dirt streak on the face and a large pinhole.
Fine (150-300)

- 1719 Nebraska City, Merchants NB, 2536 Fr. 1803-1 \$50 1929T1
A popular and scarce denomination for Nebraska, issued by just six banks in the state. Notes from the Omaha National Bank make up the vast majority of the examples that are recorded, with this bank a distant second place with 17 \$50s listed. The bank also issued Type 1 \$100s, but they remain unknown.
VF (500-1,000)

- 1723 Oakdale, First NB, 13339 Fr. 1802-1 \$20 1929T1
#D000003A This was the only National Bank in this small hamlet of 663 persons, its population in 1930. The bank issued only small size notes, and fortunately for collectors of sheets and #1 notes, someone saved all six #1 sheets that the bank issued, an even dozen pieces have been recorded. We sold a similarly graded \$5 in March for nearly \$500.
VG, rust (300-600)

- 1720 Nelson, First NB, W3495 Fr. 591 \$5 1902DB
There are four notes reported from this ultra-rare town, but only two ever had auction appearances, both in 1999. This note has been restored, and while it faces up nicely, the back shows where there was scotch tape in three places. There has never been much of a chance to acquire a note on this town. This note faces up plenty good, even though the signatures have gone.
Fine, restored (3,000-5,000)

- 1724 Oakland, First NB, 4610 Fr. 1800-1
Nineteen small size notes are reported on this Burt County institution. This example has a cut in the margin, heavy soiling and an abraded area over the president's signature.
VF (75-150)

- 1725 **Oakland, Farmers & Merchants NB, 10022 Fr. 627 \$10 1902ND** This attractive example from the smaller of the two Oakland banks has strong stamped signatures. Eleven large size notes are known.
VF, average (500-1,000)

- 1726 **Omaha, NB, W1633 Fr. 496 \$20 1882BB** A scarce type and denomination for the state as well as this bank. One of only three \$20 Brownbacks that are listed in the census from this, the largest banking institution in Omaha.
VF (1,750-3,500)

- 1727 **Omaha, NB, W1633 Fr. 591 \$5 1902DB** It has remained quite unusual to find UNC large size Nebraska National Bank Notes, and not only is this note UNC, it also has a great vanity signature of the president.
PMG Ch. UNC 64 EPQ (1,500-2,500)

- 1728 **Omaha, NB, 1633 Fr. 1803-1 \$50 1929T1** Only \$50 and \$100 denominations were issued in the 1929 series. This sharp, well-centered \$50 has a few light folds.
XF (300-600)

- 1729 **Omaha, NB, 1633 Fr. 1804-1 \$100 1929T1** This lightly used \$100 has original embossing, as noted by PMG.
PMG Ch. XF 45 EPQ (350-700)

- 1730 **Omaha, United States NB, 2978 Fr. 1801-1 \$10 1929T1** A more affordable example of this forbidden title. Problem free.
Fine (125-250)

- 1731 **Omaha, United States NB, 2978 Fr. 1802-1 \$20 1929T1** This fresh example still has lots of body and not a speck of dirt. This "forbidden" title is one of the more available charters, yet still enjoys good demand.
VF (175-350)

- 1732 **Omaha, Corn Exchange NB, W9730 Fr. 619 \$10 1902DB** A large-only bank that was liquidated in 1924 after issuing over 25,000 sheets of Blue Seals. Despite that large issue, just eight notes remain today. Excellent signatures on this note, the first to appear at auction in six years.

RARE OMAHA BANK

- 1733 South Omaha, NB, 3611 Fr. 469 \$5 1882BB
South Omaha was incorporated as its own separate city in 1886 and, by 1890, had over 8,000 citizens. The population was made up largely of immigrants, making for a culturally diverse environment. The vanity signature of the president, whoever it is, really makes the note. Three out of the four known examples are \$5 Brownbacks. H.C. Bostwick is the Cashier. VF/XF (4,000-8,000)

- 1734 South Omaha, Live Stock NB, W8949 Fr. 652 \$20 1902ND
A good title that has 23 large size notes in the Track & Price census. The signatures are faint with the president's nearly gone, and the rusty outline of a paper clip shows on the back. Fine (250-500)
- 1735 South Omaha, Live Stock NB, 8949 Fr. 1801-2 \$10 1929T2
This \$10 Type 2 has a tight bottom margin, but plenty of body. No tears or pinholes. VF/XF (125-250)

- 1736 O'Neill, First NB, W3424 Fr. 617 \$10 1902DB
This new find becomes the first \$10 1902 Dateback in the census, raising the count to 16 large known. Excellent pen signatures. VG (750-1,250)

- 1737 O'Neill, First NB, 3424 Fr. 625 \$10 1902ND
Precise pen signatures are found on this decent, mid-grade example from this bank in Holt County. To date, 14 large size notes have surfaced, mostly high grade \$5 Brownbacks. Plainbacks are seen far less often. VG/Fine (400-800)

- 1738 Ord, First NB, W3339 Fr. 624 \$10 1902ND
This has always been a popular three-letter name, as evidenced by the few number of offerings in the past several years. This piece shows even wear and a strong pen signature of Frank Koupal as president. The cashier's signature has faded. Twenty-four large size notes are reported. Fine (400-800)

- 1739 Ord, First NB, 3339 Fr. 1802-1 \$20 1929T1
Some light soil and a margin split are noticed on this better named Nebraska note. The census contains 27 examples. VG (250-500)

FINEST KNOWN

- 1743 Randolph, Security NB, 7477 Fr. 650 \$20 1902ND
This is the better of the two National Banks located in Randolph. This outstanding example is one of only eight large size and can claim the honor of finest of the group. The purple stamped signatures of E.B. Stewart, Cashier and G.H. Randall, President complete the package. No large size note has been offered at auction on this bank for three years.
VF (750-1,500)

- 1744 Schuyler, First NB, W2778 Fr. 650 \$20 1902ND
We are pleased to offer this attractive, pen-signed \$20 from a bank that is not known for high-grade large size. There are 20 notes in the census. Signed by D.H. Killeen, President and Thomas Stibal, Assistant Cashier.
Fine (500-1,000)

- 1745 Scottsbluff, NB, 9581 Fr. 1802-1 \$20 1929T1

FIRST IN OVER FIVE YEARS

- 1746 Scribner, First NB, 6901 Fr. 1801-1 \$10 1929T1
This tiny community in Dodge County supported only one National Bank. That bank had a total issue of just \$96,760 over its entire existence from 1903 until the Great Depression finally claimed it in 1934. A paltry 237 sheets of small size were issued, which explains why a mere six examples remain today. Only one of those has ever appeared at auction. That was a note we sold in 2003 for \$2,530, and which was a grade lower than this peach. Prior to that, the only public offering was on a 1985 fixed price list. Certainly an opportunity to acquire a small size rarity that may not be repeated for years to come.
Ch. VF (2,000-4,000)

- 1747 Seward, Jones NB, 3060 Fr. 1801-1 \$10 1929T1
Of the 26 small size notes reported on this bank, few are in better condition. A privately named bank that brings a strong price every time it is offered.
XF/AU (400-800)

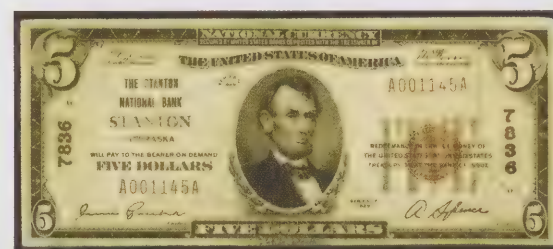

- 1748 Seward, Jones NB, 3060 Fr. 1801-2 \$10 1929T2
Not heavily circulated, but patches of brown staining covers about one-third of the note. A rare type for the bank, as only two \$10 Type 2 notes are listed.
Fine (150-300)

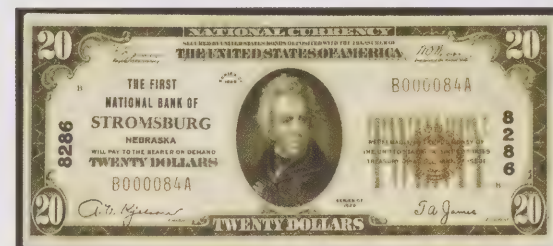

- 1749 Sidney, American NB, 13425 Fr. 1802-1 \$20 1929T1
This bank, in lightly populated Cheyenne County, shows 27 small size notes and three uncut sheets. This would be a new addition to the count. For as many notes as there are, there is a surprising lack of offerings. We find just two pieces in the last decade.
VG (250-500)

- 1750 Stanton, First NB, 3364 Fr. 1801-1 \$10 1929T1
Great embossing and bright white paper puts this example ahead of every other note recorded on the bank. There are 29 small size notes known.
Ch. AU (400-800)

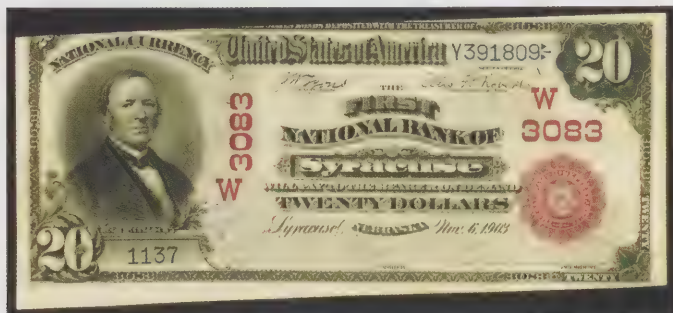

- 1751 Stanton, NB, 7836 Fr. 1800-1 \$5 1929T1
This note shows some wallet wear. It was last on the market in 2004, with no single small size examples appearing since then. Thirty-two notes from the 1929 series are recorded.
VG (150-300)

- 1752 Stromsburg, First NB, 8286 Fr. 1802-1 \$20 1929T1
A one-bank town with 38 small size reported. This is a full margined piece.

- 1753 Syracuse, First NB, W3083 Fr. 639 \$20 1902RS
Without question, this is the best note on the bank, even with the poor cut. Super stamped signatures of W.A. Cotton, President and Fritz Nicklas, Cashier. This is the only Red Seal out of the 26 large size notes known. Its only previous appearance was in our February 1996 sale.
VF (8,000-12,000)

- 1754 Syracuse, First NB, 3083 Fr. 1801-1 \$10 1929T1
A second opportunity to obtain a note on this one-bank town. This example is fault-free and has good margins.
VF (250-500)

- 1755 Syracuse, First NB, 3083 Fr. 1802-1 \$20 1929T1
#D0000009A This is a beautiful, high-quality note. There are 34 examples recorded. It is the only single-digit small size note known on the charter.
XF (350-700)

- 1756 Tecumseh, Citizens NB, W6166 Fr. 616 \$10 1902DB
When I saw this note I first thought it was from Oklahoma, but Tecumseh, Nebraska is a much rarer town. Of the three banks located here one is unreported, one bank is unique and this charter is represented by five lonely notes. Fortunately, this note is tied for the finest known. Its equal has not been seen since a 1985 Hickman sale. Worth an aggressive bid.
VF (6,000-9,000)

- 1757 Tekamah, First NB, 4324 Fr. 1801-1 \$10 1929T1
This one-bank town has 55 small size notes in the census. Some surface dirt drops the grade by a half-step.
F/VF (125-250)

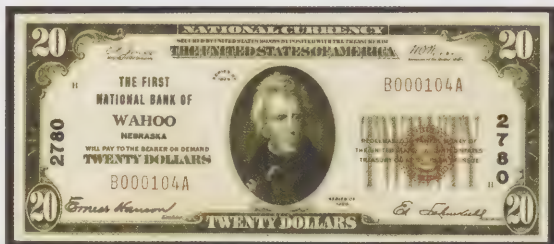

- 1758 Tekamah, First NB, 4324 Fr. 1801-2 \$10 1929T2
#A000008 This is a pretty \$10 Type 2 that was cut from the second sheet sometime after its issue. I don't believe the note ever circulated, but there is enough handling for us to call it AU.
Ch. AU (200-400)

- 1759 Tilden, First NB, 9217 Fr. 626 \$10 1902ND
This town of 1,000+ is hardly much bigger today than it was in 1930. The First National Bank was organized in 1908 and closed in late 1931. Ten large size notes are recorded and the piece we offer here is the last note publicly offered on the town, taking place in July 2005.
Fine (600-1,200)

- 1760 Tilden, NB, 10011 Fr. 601 \$5 1902ND
This is the slightly more available of the two National Banks located here, with 16 large size notes recorded, counting this new addition. Attractive and with no distracting marks. Tilden is the birthplace of L. Ron Hubbard, the founder of Scientology.
VF (500-1,000)

- 1761 Wahoo, First NB, 2780 Fr. 1802-1 \$20 1929T1
This town has always been a favorite of collectors looking for good names, so even though there are 100 small size notes in the census, these never lack support when they are offered. Looks CU, but a faint centerfold is evident.
Ch. AU (400-600)

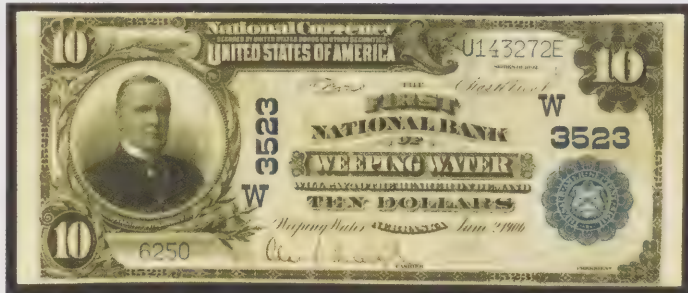

- 1764 Wilcox, First NB, 7861 Fr. 1802-1 \$20 1929T1
A lovely note from this mere speck of a town in Kearney County. The 2000 census puts the population of Wilcox at 360, two persons more than in 1920. This was the town's only National Bank, and appears to have issued a good number of sheets for such a small village. Consequently there are 29 small size notes in the census. The high grade more than makes up for the narrow right margin.
XF (400-600)

- 1762 Walthill, First NB, 8685 Fr. 1800-1 \$5 1929T1
Very rare in large size but somewhat more common in small size, with 23 pieces known.
VF/XF (250-350)

- 1765 Wisner, First NB, W4029 Fr. 600 \$5 1902ND
An available bank from Cuming County and one of 25 pieces. Unfortunately someone washed this example, leaving white lines at the folds. Nonetheless, the signatures held up well, having only lightened a bit.
Fine (300-500)

- 1763 Weeping Water, First NB, W3523 Fr. 625 \$10 1902ND
One of the great Nebraska names that are usually tightly held. Our first since we sold a lower grade \$20 two years ago. The cashier signed in pen and appears to be Chas. V. Wallick, Assistant Cashier, while the president's signature has faded. Twenty pieces are recorded. We can trace this note back to a 1977 NASCA sale.
VF (2,500-5,000)

- 1766 Wood River, First NB, W3939 Fr. 618 \$10 1902DB

#C000028A This bank was a prolific issuer of both large and small size notes and examples are not difficult to obtain. This \$20 is one of 66 pieces in the census and is a problem-free, well-centered note.

STRIKING COLEBROOK NOTE

- 1773 Colebrook, Farmers & Traders NB, 5183 Fr. 632 \$10 1902ND Incredible eye-appeal on this rarely seen large size. Dark signatures of John D. Annis, Cashier and Darwin Lombard, President really dress up this crackly fresh and original note. It's most certainly the finest Blue Seal now known.

NEW JERSEY

- 1776 Atlantic City, Second NB, 3621 Fr. 469 \$5 1882BB
There are several of these \$5 Brownbacks in the Kelly census, but they tend to be tightly held. In the 10+ years that the Power Collection was being formed, one was never offered for sale. Unfortunately, this note has some damage and pieces missing around the edge, but the body of the note is OK, with the "Circus Poster" layout unaffected by the problems. Considering the demand for this charter and type, this might be your only shot for some time, especially at a reasonable price. Excellent pen signatures of Geo. F. Currie, President and L.A. Down, Cashier.
Good (1,500-3,000)

- 1779 Belvidere, NB, 1096 Fr. 467 \$5 1882BB
An impressive layout for a \$5 Brownback. This bank went into receivership in 1931 before it could issue small size. With excellent pen signatures. Twenty large size notes are known.
F/VF (2,500-3,500)

- 1780 Belvidere, NB, E1096 Fr. 587 \$5 1902RS

- 1781 Bloomsbury, Citizens NB, 10712 Fr. 632 \$10 1902ND
This high charter bank has \$2,100 outstanding in 1935 and 17 survivors in large size. This note has been hidden away since a 1999 Smythe sale. Moderate folds and strong signatures.

- 1785 Dover, National Union Bank, E2076 Fr. 628 \$10
1902ND Here is what I like to call an old-time XF. Absolutely clean surfaces, crackly-fresh paper and pen signatures to die for. A real peach.
VF/XF (2,000-4,000)

- 1783 Bridgeton, Cumberland NB, E1346 Fr. 590 \$5
1902DB Nice pen signatures on this middle-grade note. There are 46 large size notes known. A spindle hole and a small tear are noticed on this example.
Fine (500-750)

- 1784 Burlington, Mechanics NB, E1222 Fr. 468 \$5
1882BB Here is a gorgeous \$5 Brownback with great margins and signatures that would have been in the Power Collection had it been available in the last 15 years. New to the census and the finest of the type.

1929T2 Twenty-four small size notes are known, but half are due to two #1 sheets. This lightly circulated piece is new to the count, putting it at 25.
Ch. AU (2,000-3,000)

- 1790 Hackettstown, NB, 1259 Fr. 481 \$10 1882BB
A stunning \$10 Brownback that would add heft to any collection of Nationals. Perfectly executed pen signatures and good margins make this a note you won't want to let go of once it enters your collection.

XF (500-750)

- 1792 Hoboken, First NB, E1444 Fr. 496 \$20 1882BB
An available bank even in large size, but First and Second Charter examples are rare. This is the first \$20 Brownback and only the second Brownback to surface. Fabulous pen signatures and full margins enhance this elusive type.
XF (8,500-12,500)

Above average grade for a small size note from here. There are 23 recorded specimens.
VF/XF (500-900)

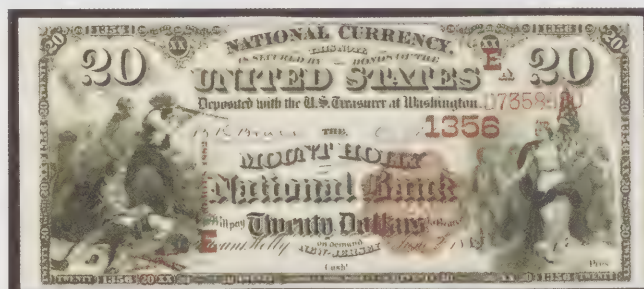

- 1794 Jamesburg, First NB, 288 Fr. 380 \$1 Original
This is the only National Bank to be chartered in this Middlesex County community. Organized in 1864, the bank issued throughout the note issuing period. Small size notes are extremely rare while large size notes now number 10, with this new discovery. A pleasing example in spite of the New England trim and a few pinholes.
VF (3,500-5,000)

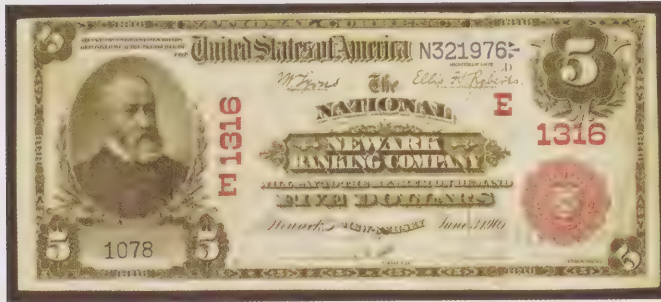

- 1795 Jersey City, Second NB, E695 Fr. 639 \$20 1902RS
This is the only \$20 Red Seal in the census and has been off the market since we sold it in 1996. It exhibits faint signatures and was one of the last notes issued by the bank before its liquidation in 1907. An even dozen notes are known, but they must all be in strong hands. Only two pieces have ever been offered, the last in 1999.
VF (3,000-5,000)

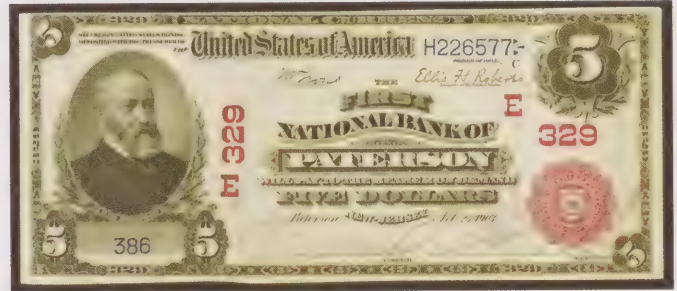

- 1796 Morristown, First NB, 1188 Fr. 1801-1 \$10 1929T1

PCGS Apparent Fine 15 (150-250)

- 1797 Mount Holly, NB, E1356 Fr. 495 \$20 1882BB
Deep, original embossing and good centering would qualify this note for Choice CU, except for the light center bend. Of the 18 large size notes known, this is one of the best. The signatures have either faded or were never there.
Ch. AU (6,000-9,000)

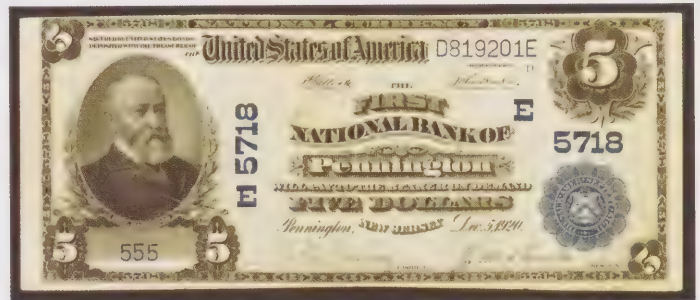

- 1798 Newark, National Newark Banking Co., E1316 Fr. 587 \$5 1902RS
The title layout adds some interest to this note with 20 large size examples in the census. Vivid colors and stamped signatures place this Red Seal close to the top for attractiveness.
VF (3,000-6,000)

- 1801 Paterson, First NB, E329 Fr. 587 \$5 1902RS
I can imagine a lot of collectors will be vying for this fetching Red Seal. It has everything a collector could want, and zero detractors. New to the market.
XF (6,750-9,000)

- 1799 Palisades Park, NB, E11909 Fr. 607 \$5 1902ND
This is a new addition to the current crop of 20 large size. A small edge tear and a missing tip is noticed at the left.
VG (500-800)

- 1802 Pennington, First NB, E5718 Fr. 607 \$5 1902ND
A very attractive note from Mercer County. Only six pieces are accounted for in large size and they appear only occasionally at auction. A couple of folds show more on the back than on the front. Excellent signatures.
VF (2,500-4,000)

- 1800 Passaic, Lincoln NB, #13123 Fr. 635 \$10 1902ND

VF/XF (1,000-2,000)

- 1804 Somerville, Second NB, 4942 Fr. 605 \$10 1902ND
This is the rarer of the two National Banks located here. Eleven large size notes are known, with this being a new addition. No problems at all.
VF, restored (1,500-2,500)

1805 Somerville, Second NB, 4942 Fr. 631 \$10 1902ND
A slightly more difficult denomination on this bank. Good signatures and margins.
Fine (1,000-2,000)

1806 Union City, First NB, 9544 Fr. 600 \$5 1902ND
Honest use is the hallmark of this well-signed note with 17 large in the census. Even wear and soil makes for a pleasing note.
VG (800-1,400)

NEW MEXICO TERRITORY

EXCEPTIONAL SANTA FE, NEW MEXICO TERRITORIAL

1807 Santa Fe, Territory of New Mexico, Second NB of New Mexico at Santa Fe, 2024 Fr. 382 \$1 Original There are now 11 notes reported on this bank that was formed by the Spiegelberg family and signed by two members. One of the bank's most beautiful notes sold earlier in 2008 at \$80,500, and this piece we sold five years ago at \$18,400. I expect serious interest in this note as well because of the quality. This note has excellent centering and very nice, even coloring with the three fold lines remaining heavy.
VF (30,000-40,000)

NEW YORK

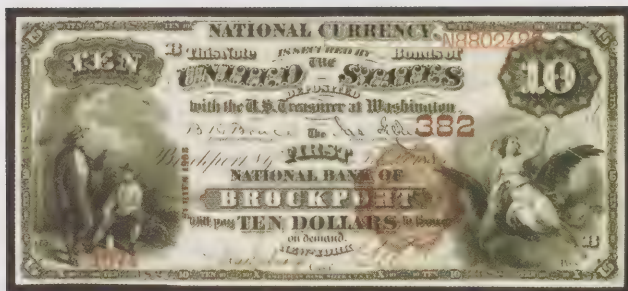

1808 Albany, New York State NB, E1262 Fr. 624 \$10 1902ND This nicely centered note from the state capital shows some light dirt and a purple mark at the bottom. Fifty large notes in the census.
Fine (200-400)

NEW YORK RARITY

- 1809 Argyle, First NB, E8343 Fr. 626 \$10 1902ND Here is a phenomenal New York rarity that is sure to create some excitement. The bank issued 406 sheets of Red Seals, 2,871 sheets of Blue Seals and hardly enough small size to count. Track & Price, with access to data that covers decades of price lists and auction appearances, has never seen a note offered on this bank. The census shows a #1 Red Seal does exist, but there's no telling where it is. Small size notes are unknown. This would be a noteworthy lot if the note were VG, but for a clean and full-margined example with fantastic pen signatures, we're talking about an item that might appear once in a decade. The kind of note that makes collections great. A plethora of pinholes will certainly be overlooked by discerning bidders.
VF (15,000-25,000)

- 1810 Brockport, First NB, 382 Fr. 479 \$10 1882BB The deep, original embossing is unmistakable on this colorful Brownback. It would have been Choice CU but for a corner fold. The large census shows 17 known.
Ch. AU (3,000-6,000)

- 1812 Corning, First NB & TC, 2655 Fr. 609 \$5 1902ND A decent mid-grade example from the only National Bank to locate here. Excellent purple signatures on this note with 24 large reported.
Fine (400-800)

- 1811 Cambridge, Cambridge Valley NB, 1275 Fr. 1802-1 \$20 1929T1 Eleven small notes are shown in Track & Price, not counting this new addition. However, offerings are few and far between. This one has a few pinholes.
VG/Fine (300-600)

- 1813 East Rochester, First NB, E10141 Fr. 620 \$10 1902DB Some scattered pinholes are more than offset by the superb pen signatures of H.C. Eyan, President, and Earl B. Haas, Cashier. An even dozen large notes are reported with this being the only \$10 1902 Dateback.
VF (1,500-2,500)

- 1814 Fairport, NB & Trust Co., 10869 Fr. 632 \$10
1902ND This is the more available second title from this Monroe County bank with 10 examples reported. Small notes are regularly available, but that's not the case for large size. Fine (600-1,200)

- 1817 Ithaca, Tompkins County NB, E1561 Fr. 613 \$10
1902RS Wow...here's a very attractive \$10 Red Seal that is original and problem-free with fantastic signatures of Robert H. Treman, President and Henry L. Hinckley, Cashier and super color. Notes like this one are few and far between, and it's a new Red Seal to the census. It is the second and best by far. VF/XF (4,000-6,000)

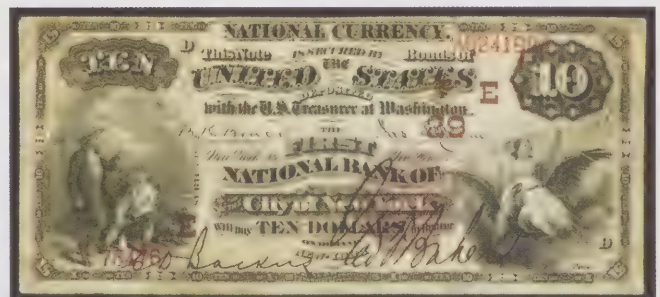

- 1815 Farmingdale, First NB, 8882 Fr. 1800-1 \$5 1929T1
This scarce Nassau County bank had just eight small notes recorded prior to this new discovery. The note is well used, but basically intact, with some separations at the folds and graffiti on the front and back. Our last example was a VG that brought over \$1,500 in the 2007 Memphis sale. VG (750-1,500)

- 1818 Manhasset, First NB, 11924 Fr. 607 \$5 1902ND
A wonderful find for Long Island collectors. This is only the sixth large size note reported from this location. It is a lovely note with excellent signatures, totally original and with excellent margins. I can think of a few Long Island collectors that should like this for their collections. VF/XF (5,000-9,000)

- 1816 Horseheads, First NB, 8301 Fr. 1801-1 \$10 1929T1
Not a scarce note with 25 examples in the census, but they have always sold well. F/VF (750-1,250)

- 1819 New York, First NB of the City, E29 Fr. 479 \$10
1882BB A well worn, but well signed Brownback from this low charter #29 bank. VG/Fine (600-900)

SIGNED BY BANKER

- 1828 New York, Bank of New York National Banking Assoc., 1393 Fr. 397 \$5 Original At first glance this may appear to be another attractive First Charter from this bank with 98 large size notes reported. Upon close inspection it's the only Original Series \$5, none previously reported. Even more interesting is the signature of the Vice President that signed as James H. BANKER, and it's perfectly clear. It's the first I have ever seen!

- 1831 New York, Southern NB, 3359 Fr. 472 \$5 1882BB A rare New York City bank that has only five large notes reported. Although this note is well circulated, the signatures are strong and the overall look is quite acceptable. Surprisingly only two of the \$5s may be better. VG/Fine (2,500-5,000)

- 1832 New York, NB of North America, E4581 Fr. 485 \$10 1882BB This could easily be the best VF/XF you could ever find. It has complete originality, great signatures and good centering. Only under very tough scrutiny could I see a horizontal and vertical fold as well as a single pinhole. There are 39 notes reported.

VF/XF

(1,250-1,750)

- 1833 New York, Staten Island NB & TC, 6198 Fr. 1801-2 \$10 1929T2 This rare National Bank Note error is completely missing the brown seal and serial numbers. I find not even a hint of paper disturbance where the brown ink might have been removed, and the note is 100% natural and unwashed. I can even tell you that it was a Type 2, as a trace of embossing remains of the charter number to the right of the bottom left serial number. My guess is that two sheets stuck together so this note got the embossing but not the ink. An impressive error and very rare on a national.

IMPRESSIVE FALLS BANK

- 1834 Niagara Falls, Falls NB, E11489 Fr. 606 \$5 1902ND A great addition to any collection is this extremely rare note from one of America's most beautiful and impressive locations. A truly rare bank that only now has three notes reported. The blue signatures are lovely.

AU (2,000-2,500)

- 1837 Rochester, Traders NB, E1104 Fr. 613 \$10 1902RS

SECOND SMALL SIZE REPORTED

- 1838 Rockville Centre, First NB, 8872 Fr. 1801-1 \$10 1929T1
This is only the second small size note to be recorded on this incredibly rare Long Island bank. Large size notes are just as difficult from here, creating lots of buyers for this one-bank town. The note is quite pleasing for the grade, with no tears or pinholes. A note that is sure to see spirited bidding.

- 1839 Rome, Fort Stanwix NB, 1410 Fr. 380 \$1 Original

PMG Ch. VF 35 (3,500-5,000)

- 1840 Troy, First NB, 163 Fr. 417 \$10 1875
This 1875 First Charter \$10 is a peach that came from "The Vault" decades ago. There are a total of nine notes reported from this bank until its original charter expired in 1883, and it appears to have been around with the later charter until 1896 (#2873). Amazingly, this town had 12 different National Banks over the years. This beauty has fantastic appeal, including faint blue paper visible on the back. This note should be a "must" for any collector of Rensselaer County, or New York for that matter.

- 1841 Valley Stream, NB, 11881 Fr. 607 \$5 1902ND
This was a late chartered Nassau County bank and there are only six large size notes reported. It has been a long time since a nice looking note was offered. This note has excellent stamped signatures and several minor splits on the back that don't really distract.
VF (8,500-12,500)

- 1844 Wilmington, Murchison NB, S5182 Fr. 477 \$5 1882BB
This was a large-only bank and a very prolific issuer, with well over 70 notes in the census. However, very few of these are Brownbacks, with this example just the third \$5 example to be discovered. It has seen some heavy circulation and is a bit rough, but it is intact with legible signatures. A very tough type from this bank and state. There are some minor margin splits along the folds.

NORTH CAROLINA

- 1842 Gastonia, First NB, 4377 Fr. 1801-1 \$10 1929T1

VG/Fine (350-500)

- 1845 Wilmington, Murchison NB, S5182 Fr. 571 \$100 1882DB
A great North Carolina rarity that has been off the market since we sold it in 2002. This was one of the region's biggest banks at that time and they issued many different notes, of which 100 are known today, including six \$100 Datebacks, giving all North Carolina collectors a reasonable chance to afford a rare type. Only two of the six known show grades and the other is apparently a slightly lower grade. An opportunity not often afforded to North Carolina collectors.

NORTH DAKOTA

- 1846 Casselton, First NB, W2792 Fr. 613 \$10 1902RS
I cannot tell you the last North Dakota Red Seal I offered, but I'll guess it was in the Dreger Red Seal Collection. Naturally, this is the only known Red Seal on the bank that was chartered early and has 14 large notes reported. The president's signature has faded, but the cashier's is clear. There are only 29 North Dakota Red Seals, and we all know who has the lion's share of them after 40 years of collecting. It appears he doesn't have one of these.

Fine (8,000-12,000)

- 1847 Casselton, First NB, W2792 Fr. 642 \$20 1902DB
This is very surprising, but we have both a Red Seal and a Blue Seal on this Cass County bank. It has excellent pen signatures and the cashier has changed. Fourteen large notes are reported, and this one is pretty.

VF + (2,000-4,000)

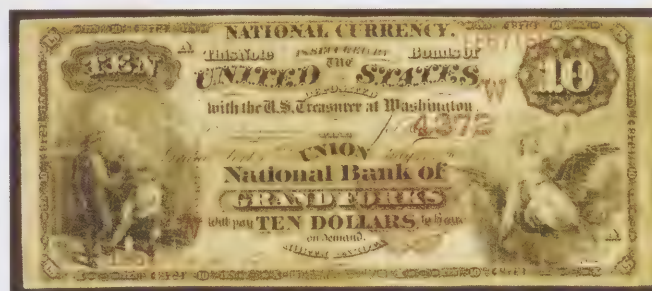

- 1848 Crystal, First NB, W7918 Fr. 625 \$10 1902ND

#E000001A North Dakota is a better state for #1 notes and you can't go wrong with this well-centered beauty. In addition, this bank issued no large size and has only 21 notes recorded in the census. This is quite possibly the finest.

ONLY 26 BROWNBACKS FOR STATE

- 1850 Grand Forks, Union NB, W4372 Fr. 484 \$10
1882BB This is one of two known notes on this rare Grand Forks bank that was chartered in 1890 and liquidated in 1912. It issued just 2,620 sheets of Brownbacks, a type you will rarely see from North Dakota, as there are only 26 reported, including Territorials, making this quite a rarity, even though it's lower grade.

VG (5,000-10,000)

OHIO

- 1852 Batavia, First NB, 715 Fr. 467 \$5 1882BB
This is the best of four \$5 Brownbacks on the bank, although there are plenty of other types. It is a rather appealing layout with the small block letters for "First National Bank".
XF/AU (1,750-2,500)

- 1853 Cincinnati, First NB, M24 Fr. 639 \$20 1902RS
A neat Red Seal from this low charter number. It has the appearance of a higher grade but it has that horizontal and vertical issue which dictates VF, albeit a very choice VF. The signatures are quite light as well.
PCGS Choice Very Fine 35 (2,000-3,000)

- 1854 Cincinnati, Citizens NB, M2495 Fr. 477 \$5 1882BB
Available enough to be a candidate for a type set and pretty enough to do the job.

An evenly circulated \$5 Brownback with good signatures.
Fine (500-750)

- 1856 Cincinnati, Second NB, M2664 Fr. 642 \$20 1902DB
A decent note from this large-only bank. This bank retook charter #32 in 1912, leaving just 10 examples with this higher charter number for collectors.
PCGS VF 20 (500-750)

ONLY NOTE ON THE BANK

- 1857 Cincinnati, Fidelity NB, 3461 Fr. 469 \$5 1882BB
This tiny Cincinnati institution issued only \$5 Brownbacks and was in business a mere 16 months, from early 1886 until June of 1887. The outstanding in 1916 was \$610. The "Old West Saloon" layout, the unique type style used for "Cincinnati" and the vanity cashier's signature all combine to make this note a rarity of the first order. Oh yes, this is the only note known on the bank. There is a skinned area on the back. First seal.

BEAUTIFUL \$100 1875 FIRST CHARTER

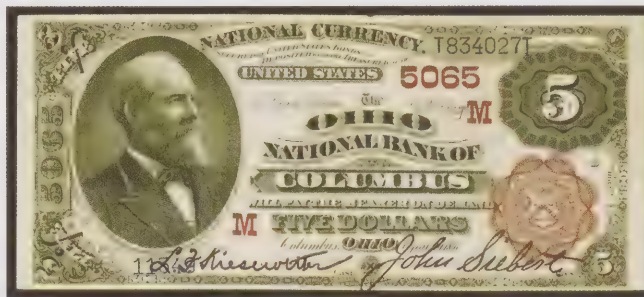

1858 Cleveland, Merchants NB, 773 Fr. 456 \$100 1875 This is my greatest pleasure to offer of any note I have in this auction. There are 71 \$100 First Charter examples known in total: 20 Original Series and 51 Series of 1875. Within those numbers, virtually half can be eliminated because they are not as high grade, and probably many of the VFs as well. This note is a perfectly evenly-circulated note that is problem-free and has complete originality and great front centering, tilted just a hair on the back. The colors are bold and rich. This is definitely a note for type collectors in general and, of course, local and state collectors would be remiss if they did not give this note serious consideration. This bank issued only First Charters between 1865 and 1884 with 1,400 sheets of one \$50 and one \$100 Original Series, and 2,484 sheets of one \$50 and one \$100 Series of 1875. National Bank Notes as types have long confused collectors, but the fact is they are extremely rare as types and, as more collectors recognize their rarity, the price will undoubtedly continue to rise. Don't wait to act if you can act now; few pleasing, pretty examples are ever seen outside of the finest collections and chances are few to acquire those examples outside of institutions.

- 1859 Cleveland, Euclid Avenue NB, 3545 Fr. 469 \$5 1882BB This Brownback-only bank issued under two titles. This first title is the most available with ten \$5s, three \$10s and two \$20s listed. There don't appear to be any nicer than this piece. First seal.
VF (1,000-2,000)

- 1862 Columbus, Ohio NB, M5065 Fr. 474 \$5 1882BB Now here is a great example for type. The engraved signatures were so bold they inked heavily during printing and transferred a mirror image onto the back of the note above in the stack. Second seal.
XF (1,500-2,500)

- 1860 Cleveland, Euclid Avenue NB, M3545 Fr. 477 \$5 1882BB This second title is a lot harder to find than the first since the bank closed soon after assuming the second title. Only three \$5s and one \$10 remain. This and the first title would make a nice pair to show the two state seals. Second seal.
VF (1,250-2,500)

- 1861 Columbus, Commercial NB, M2605 Fr. 477 \$5 1882BB You would think that for a big city bank like this, there would be plenty of \$5 Brownbacks available for type note needs. In this case, you would be wrong. Only one other \$5 Brownback in like condition exists. If you buy this at a type note price, you'll be getting a great deal.

#1 CUT SHEET

- 1863 Columbus, Ohio NB, M5065 Fr. 606 \$5 1902ND #1 Cut Sheet This wonderful #1 cut sheet has been off the market for nearly nine years. All the notes are bright and reasonably centered with amazing pen signatures of Emil Kiesewetter, President and F.L. Stein, Cashier. The "A" position note is fully CU, while the other three show a faint diagonal fold crossing the left side. This appears to be the only remaining intact cut sheet of #1 large size notes on Ohio. A special item for the Ohio buyer or a #1 collection.

- 1865 Delaware, First NB, 243 Fr. 650 \$20 1902ND
A very attractive note from this very old town. Though 21 large are reported, few could be as attractive and eye appealing as this one. In addition, this is only the third 1902 \$20 reported on the bank. Excellent signatures only enhance the package.

- 1868 Gallipolis, First NB, 136 Fr. 624 \$10 1902ND
Ten large size notes are reported on this town that supported this single National Bank throughout the note issuing period. It is a bright example but has a spot of rust at the right and left. Large size specimens on this bank have been absent from the auction scene for five years. Strong stamped signatures.

- 1866 Fredericktown, First NB, M5640 Fr. 504 \$20 1882BB
A really elusive Ohio location that has not had a note offered since 1999. This attractive Brownback is a great way to break the ice. Excellent signatures of J.N. Braddock, President and J.H. Dickey, Cashier. Nine large and four small size are reported.

- 1869 Garrettsville, First NB, M2034 Fr. 499 \$20 1882BB
One look at this cherry and you won't be able to resist not bidding at least once. It is new to the market and one of just four Brownbacks known from 17 large size notes reported from here. All natural and with superb pen signatures.

FINEST OF TWO KNOWN

- 1867 Galion, NB, 3581 Fr. 496 \$20 1882BB
There are three banks in Galion, but this is the one you never see. This Brownback-only bank issued a total of \$137,590 before being handed to the receivers in 1904. This stellar note is the better of the two notes known on the bank. Signed by O.L. Hays, President and P.W. Blyth, Cashier. This note was last seen in a 1996 Stack's auction.
XF (10,000-15,000)

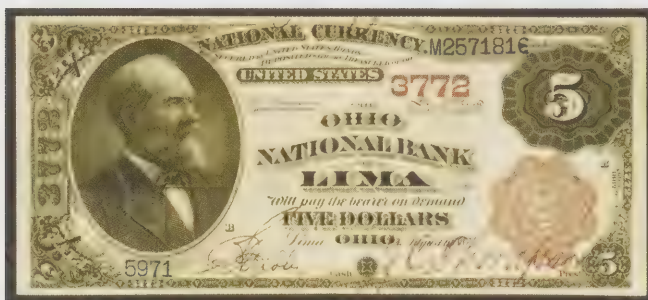

BEST NOTE ON THE TOWN

- 1870 Jefferson, First NB, M427 Fr. 613 \$10 1902RS
This is the best note that is currently available on this Jefferson County location. One bank is unreported and this charter shows six other Blue Seals, none grading better than this lovely and unique Red Seal. Precise pen signatures of N.E. French, President and D.L. Crosby, Cashier give this treat a fine finish.
VF + (3,500-5,000)

- 1871 Leetonia, First NB, 3519 Fr. 469 \$5 1882BB
Leetonia was founded in 1869 and was named for William Lee, one of the founders of the Leetonia Iron & Coal Company, which was first planned in 1866. Leetonia resides in Columbiana County. As the number of collectors for each state increases, the value of notes like this explode. This bank issued just Brownbacks and Red Seals, and only four \$5 Brownbacks and one Red Seal have survived. First seal.
VF (2,500-5,000)

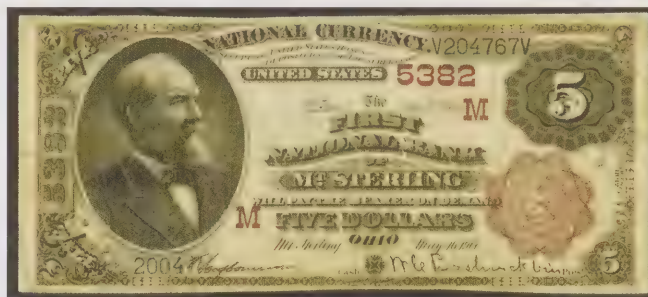

- 1872 Lima, Ohio NB, 3772 Fr. 470 \$5 1882BB

An exceedingly rare Ohio bank that has just three Red Seals reported. This note is the only one of those three that has ever seen the light of day, having appeared in a 1996 Bowers sale. Superb pen signatures of F.B. Vincent, Vice President and J.D. Erwin, Cashier.

ONLY TWO NOTES KNOWN

- 1876 Piqua, Third NB, 3750 Fr. 470 \$5 1882BB
This is the rare Piqua bank which liquidated in 1902, after issuing only Brownbacks. In 1910 just \$1,840 remained outstanding, and out of that, only this note and a serial #1 have survived. This attractive note was part of the Power Collection and has lovely, two-color signatures of D.W. Reid, Cashier and L. Leonard, President. With the first state seal. SUPERB GEM NEW 68 PPQ

- 1880 Ripley, Citizens NB, 3291 Fr. 494 \$20 1882BB
In my estimation this is among the absolute best of all \$20 Brownbacks I have encountered during my 45 years of dealing in U.S. currency. I can find no faults to my eye, including centering and originality. Even the pen signatures appear virtually perfect, laid without any flaw imaginable. PCGS has agreed, awarding this note the only "68 PPQ" grade that they have ever given to a \$20 Brownback. It's a monster of a note for the quality conscious buyer.

- 1885 Tippecanoe City, Tipp NB, 3004 Fr. 467 \$5
1882BB Founded in 1840 along the developing Miami & Erie Canal, Tippecanoe City takes its name from Presidential candidate William Henry Harrison's nickname, Tippecanoe. The town's development slowed during the mid-19th century, with the onset of rail travel. Not only is this a scarce bank in large size (eight known), but the layout is exceptional. Also, it's one of the better town names in Ohio. There is only one other \$5 Brownback known, and since we sold it in our 1996 Memphis sale, it has not reappeared. This note is about a half-grade nicer. Immaculate pen signatures of Ahyah W. Miles, Cashier and Jacob Rohrer, President. First seal.

- 1884 Tiffin, NB, 3315 Fr. 467 \$5 1882BB Tiffin is the seat of Seneca County and was founded in 1821, named for Edward Tiffin, Ohio's first governor. Tiffin's location on both banks of the Sandusky River and near three major rail lines brought people through the town regularly, as well as giving the town an outlet for its iron and agricultural products. By 1888, Tiffin was home to six newspapers, 14 churches and two banks. Tiffin was also the home of the Tiffin Glass Company. Pretty much a type note, but at least it has a cute layout.

OKLAHOMA

- 1889 Madill, First NB, 13021 Fr. 1801-1 \$10 1929T1
Madill must have been a real beehive of activity in the early 1900s. By the time this bank was chartered, in 1926, Madill had already been home to four other National Banks. Extremely rare in large size, small size notes are only a little more common. This is a new piece, increasing the count to eight known. Picture perfect for the grade.

- 1891 Oklahoma City, Oklahoma Stockyards NB, W9856
Fr. 619 \$10 1902DB #1 A small group of these #1 notes turned up many years ago. Every major Oklahoma collection since then has tried to include at least one example to represent the charter. Since there are only five #1 notes out of the 11 large size reported, some people will have to do without. There are just 17 state issued #1 notes known for Oklahoma in total. This example is CU, but has an irregular cut. The cashier's signature of R.J. Robb is clear, but the president's signature is gone, consistent with all the others.

- 1893 Wagoner, First NB, 5016 Fr. 632 \$10 1902ND
As tough as small size notes are, large size examples have been even more elusive over the last few years. Actually, the most recent opportunity for collectors to obtain a large example from here was in 2005 when we sold a nearly identical note for \$1,345. This note easily makes the grade, with claims to the next level. The note was signed, but those signatures have faded. A new addition to the census, making an even dozen known.

UNIQUE FOR BANK

- 1898 Redmond, First NB, P11294 Fr. 658 \$20 1902ND
Redmond is located in the heart of central Oregon and is named for Frank T. Redmond, who settled near there in 1905. The town received a post office in 1915 and was incorporated in late 1916. Today the population has swelled to over 26,000, and the climate is considered to be "high desert". This National Bank Note bears the date December 24, 1918 and is the only note known to have survived from this short-lived bank that only printed 862 sheets. The town's other National Bank was only in business for five years and has one large size note reported from 382 sheets. Even adding these numbers together you have an incredibly rare location. - 1945 Mifflintown, First NB, E4039 Fr. 471 \$5 1882BB
Mifflintown is the seat of Juniata County and is the home of the corporate headquarters of the First National Bank of Mifflintown and the Juniata Valley Bank. Although this 1889 chartered bank issued a lot of Brownbacks to get itself started, this sole note is all that survives. There are a few 1902 Plainbacks, but I'd rather have this snazzy "Cigar Box Label" Brownback.
VF/XF (1,500-3,000)

- 1946 Montgomery, Farmers & Citizens NB, 8866 Fr. 1802-1 \$20 1929T1
Perfect for the grade and without faults, save for a slight leftward shift. There were 13 small size known before the appearance of this example.
VF (175-350)

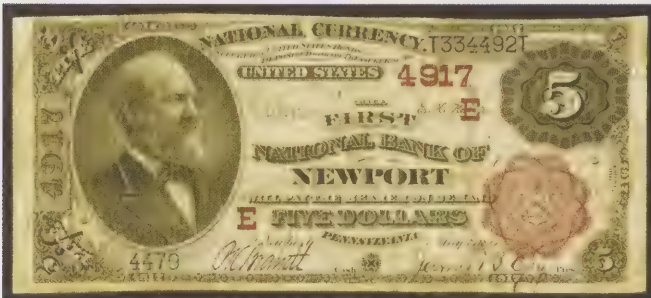

- 1947 Mount Joy, Union National Mount Joy Bank, 1516 Fr. 624 \$10 1902ND
Lovely pen signatures enhance this new addition to the census and, with 26 large notes reported, this is only the second Plainback Blue Seal. An excellent type for a specialist.
VF (600-900)

ONE OF TWO KNOWN

PHILADELPHIA \$50 1882BB

- 1951 Philadelphia, Eighth NB, 522 Fr. 508 \$50 1882BB I doubt it will be much of a surprise to anyone to see the excitement this beautiful Philadelphia \$50 generates. It is one of three notes known, and it is listed as the finest, but it may not be. This \$50 has amazing quality and color, as well as the signatures of Chas. Parker, President and O.B.  but can't afford one of the known \$50s or \$100s, then this

 for the grade. No matter what you collect, this is an attractive

 blue anti-counterfeiting stain at the right end and strong pen
 signatures.

DOUBLE DENOMINATION VALUEBACK TWENTY

1962 Pittsburgh, Bank of Pittsburgh National Assoc., E5225 Fr. 577 \$10 1882VB Wow! This is quite a jewel to come into the office at the last minute for our December sale. The overall quality of this double-denomination looks better than the technical grade. Current research indicates there are four notes of this variety known from the entire nation! Each of the four banks would have had a sheet that flipped, so to speak, causing the TWENTY DOLLARS back to be printed with a \$10 face, and the opposite on the bottom when looking from the face. The two center notes would be \$10 inverts. These are as rare as any error note you will find, and to have been saved is even more improbable, but it was and this is a truly special opportunity to acquire this note. Consider it closely. The signatures are clear and the color very good. A great error note.

#A000001-A000006 Uncut Sheet Here is a pretty #1

bright.
XF (8,500-10,000)

- 1976 Warren, Citizens NB, E2226 Fr. 474 \$5 1882BB
A few years ago this would have been just another Pennsylvania
note that "looked a little different". It just goes to show how a
little study in an area can highlight what is significant. And
what is that, you ask? Well, first, we have a note from Group
11, featuring the Baroque font used for the letters in "National
Bank of". Then there is the distinctive tombstone, with the
wheat stalks at either end. Even the town name shows similarities
to the elegant style font of Group 15. Finally, the note is
unique as a \$5 Brownback, being the only example in the
census. There is nothing not to like on this middle grade note.
VF (1,750-2,500)

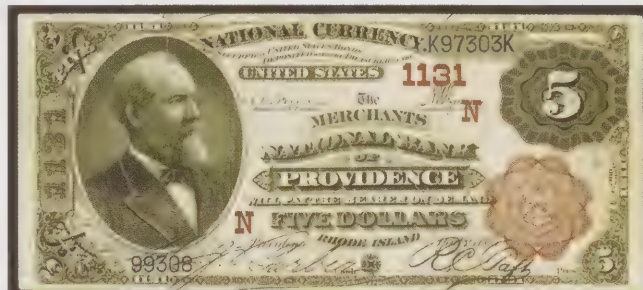

- 1977 Warren, NB, 4879 Fr. 472 \$5 1882BB
This is the most common bank in Warren, and certainly has
the more available style of layout, the "Old West Saloon".
However, like the Citizens National Bank, this note is also
the only \$5 Brownback known on the bank.

- 1980 West Newton, First NB, E5010 Fr. 474 \$5 1882BB
Formerly known as Simeral's Ferry and Robbstown, West Newton can trace its roots to 1788, when a group of travelers from Massachusetts stopped here to build boats to sail down the Youghiogheny River, to the Ohio. This is a slightly better one-bank town with 13 large and 21 small known. It has great pen signatures.
XF (1,000-2,000)

- 1984 Providence, Merchants NB, N1131 Fr. 467 \$5 1882BB

AMAZING ARTIFACT OF THE OLD WEST DEADWOOD, TERRITORY OF DAKOTA

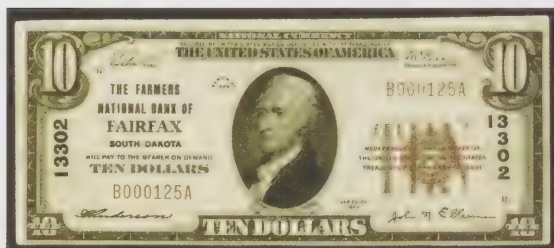

1992 Deadwood, Territory of Dakota, Merchants NB, 2461 Fr. 404 \$5 1875 This note has been in the census for decades but it has never been available to the collecting public until now. This is an incredible rarity from the south side of the Territory of Dakota. Other than a low grade VG I sold in 1999, there have been no others. This is one of three notes known from this rare bank that was chartered in 1880 and liquidated in 1894. There are two Territorials and a State issue known. There were 3,510 sheets of Territorials and 770 sheets of State notes printed. This leaves little room to assume more could appear. This note is quite nice with good body and is problem-free. W.R. Stebbins and Alvin Fox were the signers. A chance to acquire a piece of the history of the Old West is in your hands.

- 2003 Comanche, First NB, S3561 Fr. 626 \$10 1902ND
This is really a nice grade for this popular Texas title. It has purple signatures, but the bottom cut is into the design leaving extra for the top.

- 2006 Fort Worth, NB, 3131 Fr. 650 \$20 1902ND
What a great looking error, but technically it did not happen at the BEP, because about the time this note was issued, there were machines made that would sign notes and cut the sheets as well. If it was this process that misfired, this could have occurred. What a cool error for a Texas National. This Van Zandt was the one who later signed FRBNs.
AU (1,500-3,000)

- 2007 Fort Worth, NB, 3131 Fr. 675 \$50 1902ND
A new addition to the census, making just the seventh large \$50 reported. The printed signatures are bold, but there is some of the note below visible in the bottom margin.

- 2008 Hallettsville, Lavaca County NB, S4338 Fr. 549 \$20 1882DB
A very nice, problem-free note that is one of only three large notes reported with this title. The president's signature is clear, but not the cashier's. A rare bank note from a title that was used between 1890 and 1910.

- 2012 Munday, First NB, S7106 Fr. 650 \$20 1902ND
As the locals like to say, "Munday is a small town, floating on a sea of oil." This small town bank was chartered in 1904 and was liquidated in 1932. Visible pen signatures of the bank officers grace this new discovery, increasing the number known to five large size. The president was M.H. Lee. The M.H. stood for Malcomb Homer, though he answered to Homer.

VIRGINIA

- 2026 Christiansburg, First NB, 7937 Fr. 598 \$5 1902ND This is the seat of Montgomery County in rural Southwest Virginia, about 30 miles south of Roanoke. It was an important commercial center for the Confederacy during the Civil War, as its remote location kept it out of the reach of Federal troops. CAPITAL \$10 BROWNBACK

- 2031 Richmond, First NB, 1111 Fr. 480 \$10 1882BB Here is a great \$10 Brownback, whether or not you like Virginia, because its from the capital and its a beauty. Completely original and with great centering and color. Note there are marks from spilled ink around the right charter number, but it's a great note.

WASHINGTON

EVERETT, AMERICAN NB \$10 1882BB

- 2032 Everett, American NB, P6053 Fr. 490 \$10 1882BB I know that this note appeared somewhere a few years ago, but I never knew what happened until it appeared in the mail! Imagine my surprise! There were five National Banks in the town of Everett over the years, and until this appearance only two were known. Both banks were around less than 10 years, with about 4,000 sheets of Brownbacks issued. Snohomish County must have been a happening place at that time as three banks were chartered in 1892, and this one in 1901. This bank was liquidated barely seven years later. The signatures on this note seem to be Chesney and Moody.
Fine (25,000-35,000)

- 2033 Seattle, NB, 4229 Fr. 692 \$100 1902DB
This is a beautiful example of a type from Washington that can be basically only found from this bank, and even with 14 notes reported, none are better. This is a fresh, original note with great color. Worth a strong bid.

- 2035 Tacoma, Pacific NB, P3417 Fr. 614 \$10 1902RS
This is a quality example of the first title for this Tacoma bank that has 18 large size notes reported. The last Red Seal we sold in 2005 for \$4,485 was a lower grade. This is a lovely note with penned signatures of the vice president and cashier. There are six Red Seals known, probably just one better.

SUPER TOWN NAME

- 2038 Hurricane, NB, 11670 Fr. 633 \$10 1902ND
Without a doubt this is one of the neatest town names. On the surface it doesn't make much sense, being from West Virginia, but here it is. The note has even circulation and excellent stamped signatures. This bank was only around from 1914 to 1927 and issued 7,373 sheets of \$10 bills.

WYOMING

RARE #1 WYOMING

- 2051 Kemmerer, First NB, 5480 Fr. 1802-1 \$20 1929T1 #C000001A
We sold the bottom note from this #1 sheet in early 2007. That example brought nearly \$6,000, and it was only AU! This beautiful Gem should be worth a lot more. After all, Wyoming is one of the rarest states when it comes to small size #1 notes. Only 13 pieces are known for the state, six from this bank, six from the First National Bank of Lovell and one Cody note. With most of these notes already placed firmly in collections, this could be your last opportunity at a #1 Wyoming note for some time.

AUSTRALIA

EXTREMELY RARE KANGAROO ISLAND

- 6010 **Kingscote, Kangaroo Island** **South Australian Company NL** **1 Pound** **1.7.1836** I usually do not write this long a description, but then again I had never seen a note from this remote place. This piece was found in an unlikely location, and when Lyn asked me if I had ever heard of Kangaroo Island I admitted that I had not. This piece has some great history behind it. Kangaroo Island (near Adelaide) was discovered by Captain Matthew Flinders on March 2, 1802. No island dwellers were found, but an abundance of food in the form of kangaroos was sighted. In his journal, Flinders stated that "the whole ship's company was employed this afternoon in the skinning and cleaning of kangaroos. After four months' privation they stewed half a hundredweight of heads, forequarters and tails down into soup for dinner, on this and the succeeding days, and as much steak given, moreover to both officers and men as they could consume by day and night. In gratitude for so seasonable a supply, I named this south land 'KANGAROO ISLAND'." Between 1806 and 1836, Kangaroo Island was occupied intermittently by whalers and sealers, and also permanently by runaway convicts, ship deserters, farmers, and others. During this time, Americans came and left the island. William Walker, of Nicaragua fame, was among the settlers. Henry Wallen, better known as 'The Governor', settled near Cygnet River in 1816. When Captain Morgan came on the barque Duke of York on July 27, 1836 at Kingscote, Wallen's governorship ended and was replaced by Samuel Stephens, manager of the South Australian Company. Today, Kangaroo Island remains inhabited. There is even a Kangaroo Island Football League! Uniface; kangaroo at upper left. Couple slight residue areas on back. Two "X" over signature area; with neither serial number nor signature. Text states "On behalf of the Directors of the South Australian Company I promise to pay the bearer in demand either in cash or upon London, at my option, the sum of 1 Pound Sterling". In doing research, I found out there are other denominations in the series; all are very rare. This is the first of three extraordinary rarities from South Australia. Each has an extremely conservative estimate and each is worthy of the finest collections, whether public or private. This Kangaroo Island treasure is something I certainly do not expect to be able to offer again.

CUBA

EXCESSIVELY RARE

- 6146 Junta Central Republicana de Cuba y Puerto Rico 64 20 Pesos
17.8.1869 Highest denomination of series. Missing from the
wonderful Sergio Sanchez collection we sold earlier this year. A
couple spots of very little consequence. The 10 Pesos from this
series, which shows once in a great while, hammered for \$4,750 in
Memphis. I have only seen one 20 Pesos offered, and that was at
public auction many years ago; it is possible that this is the same
piece. The Junta Central was a revolutionary group located in New
York helping in the ongoing struggle for independence from Spain.
This issue has always been popular with collectors of material from
both Cuba and Puerto Rico. The 20 Pesos is one of the world's great
rarities; it should see keen competition, and the winner will have a
prize possession!
Fine (8,500-15,000)

- 6421 Republica del Paraguay 155 1000 Pesos L. 1920 & 1923** TWO NOTES; first two signatures. Highest denomination of series; the first 1000 Pesos. According to Ricardo Magan's ABNC Latin American Bank Note Records book, these two notes were produced in January and August 1924, respectively. The first has a few spots and nicks and stain at lower left; the second has margin roughness and a few small tears particularly at top. - 6422 Republica del Paraguay 155 1000 Pesos L. 1920 & 1923** As previous; the third signature with serial number #A 119387. According to Magan, this would have been produced at the same time as the second signature piece (August 1924) because the reported serial numbers extend to #120000 for that time period. A few edge nicks. Quite possibly a very scarce signature combination. VG/Fine (450-650)

- 6447 British Mission NL; NL; NL 50 Cents; 1; 5 Dollars**
ND (ca. 1880s) THREE NOTES WITH CONTEMPORARY ENGLISH EXPLANATION AND LETTER IN SPANISH ON AMERICAN BANK NOTE COMPANY LETTERHEAD DATED July 6, 1935. The pejorative English text states "These notes were obtained from Indians working on an Estancia in the interior of Paraguay, in...the Chaco District. These notes are issued by the British Mission...there are only three denominations THE ELEPHANT, which represents five dollars, THE HORSE one dollar, and THE COW fifty Cents. As figures mean nothing in the lives of these Indians the different denominations and values are indicated by animals of different sizes, something that their minds can grasp...It is now necessary for all employers of Indian labor to send in to the Mission and exchange Paraguayan money for that issued by them. This money of course has no value except in trading with the Indians or at the Mission commissary but, as they are scrupulously honest in all transactions with the Indians, this arrangement works out very well." We sold this trio at our 2006 Memphis sale; they hammered for \$2,500, and it is a pleasure to have them again. Among the most fascinating world paper lots we have ever offered.
